Todd Harms

Todd Harms was appointed as the Sacramento Metropolitan Fire District's (Metro Fire) sixth Fire Chief on November 12, 2016.

Harms began his fire service career in 1981 as a Firefighter Paramedic in Peotone, Illinois, and in 1987, became a member of the Phoenix Fire Department. He has progressed through the ranks as a Firefighter, Paramedic, Engineer, Captain, Battalion Chief, Assistant Chief, Deputy Chief and Shift Commander.

Harms has 35 years of public safety service, of which nine were spent serving as an Executive Staff member for the Phoenix Fire Department. During his tenure, he has had oversight of the Training Academy, Command Training Center, Special Operations, Operations, Personnel, Emergency Medical Services, Technical Services, dispatch and the Regional 9-1-1 services. He has been an Urban Search and Rescue (US&R) team member, with deployments to Hurricanes Katrina and Rita. Harms holds a Bachelor's degree in Fire Service Management and is a past adjunct instructor at Phoenix College in the Fire Science Program.

DISTRICT HISTORY

On September 25, 1999 by unanimous vote, the Board of Directors of the American River Fire Protection District adopted an application for reorganization resolution with the Sacramento County Fire Protection District. On September 23, 1999, the Board of Directors of Sacramento County Fire Protection District adopted the application for reorganization with the American River Fire Protection District. The adoptions of these resolutions officially called for the reorganization of both districts, which occurred on December 1, 2000.

The administration and membership of the Sacramento Metropolitan Fire District (District) recognize the contribution and rich history of its predecessor districts. There are 16 prior fire districts represented in the Metro Fire organization. The predecessor fire districts include:

<u>Arcade</u>	01/26/42 to 06/30/86
<u>Arden</u>	01/04/43 to 07/31/83
<u>Carmichael</u>	01/30/42 to 07/31/83
<u>Citrus Heights</u>	12/31/33 to 06/30/89
<u>Elverta</u>	10/22/25 to 12/31/86
<u>Fair Oaks</u>	03/27/28 to 11/02/93
<u>Florin</u>	01/26/42 to 06/30/97
<u>Mather Field</u>	1918 to 09/03/93
<u>McClellan Field</u>	1937 to 04/01/01
<u>Michigan Bar</u>	01/01/43 to 11/09/47
<u>Mills</u>	06/08/22 to 11/01/59
<u>North Highlands</u>	09/24/51 to 06/02/84
<u>Orangevale</u>	03/02/36 to 12/01/45
<u>Rancho Cordova</u>	11/02/59 to 06/30/89
<u>Rio Linda</u>	06/23/23 to 12/31/86
<u>Sloughhouse</u>	11/10/47 to 06/30/90

Sacramento Metropolitan Fire District is the largest district in the County of Sacramento and the seventh largest local fire agency in the State of California. The combined District now consists of about 700 employees with an area encompassing 359 square miles that include Sacramento and Placer counties.

Core Values

Integrity • Professionalism • Teamwork • Service Before Self

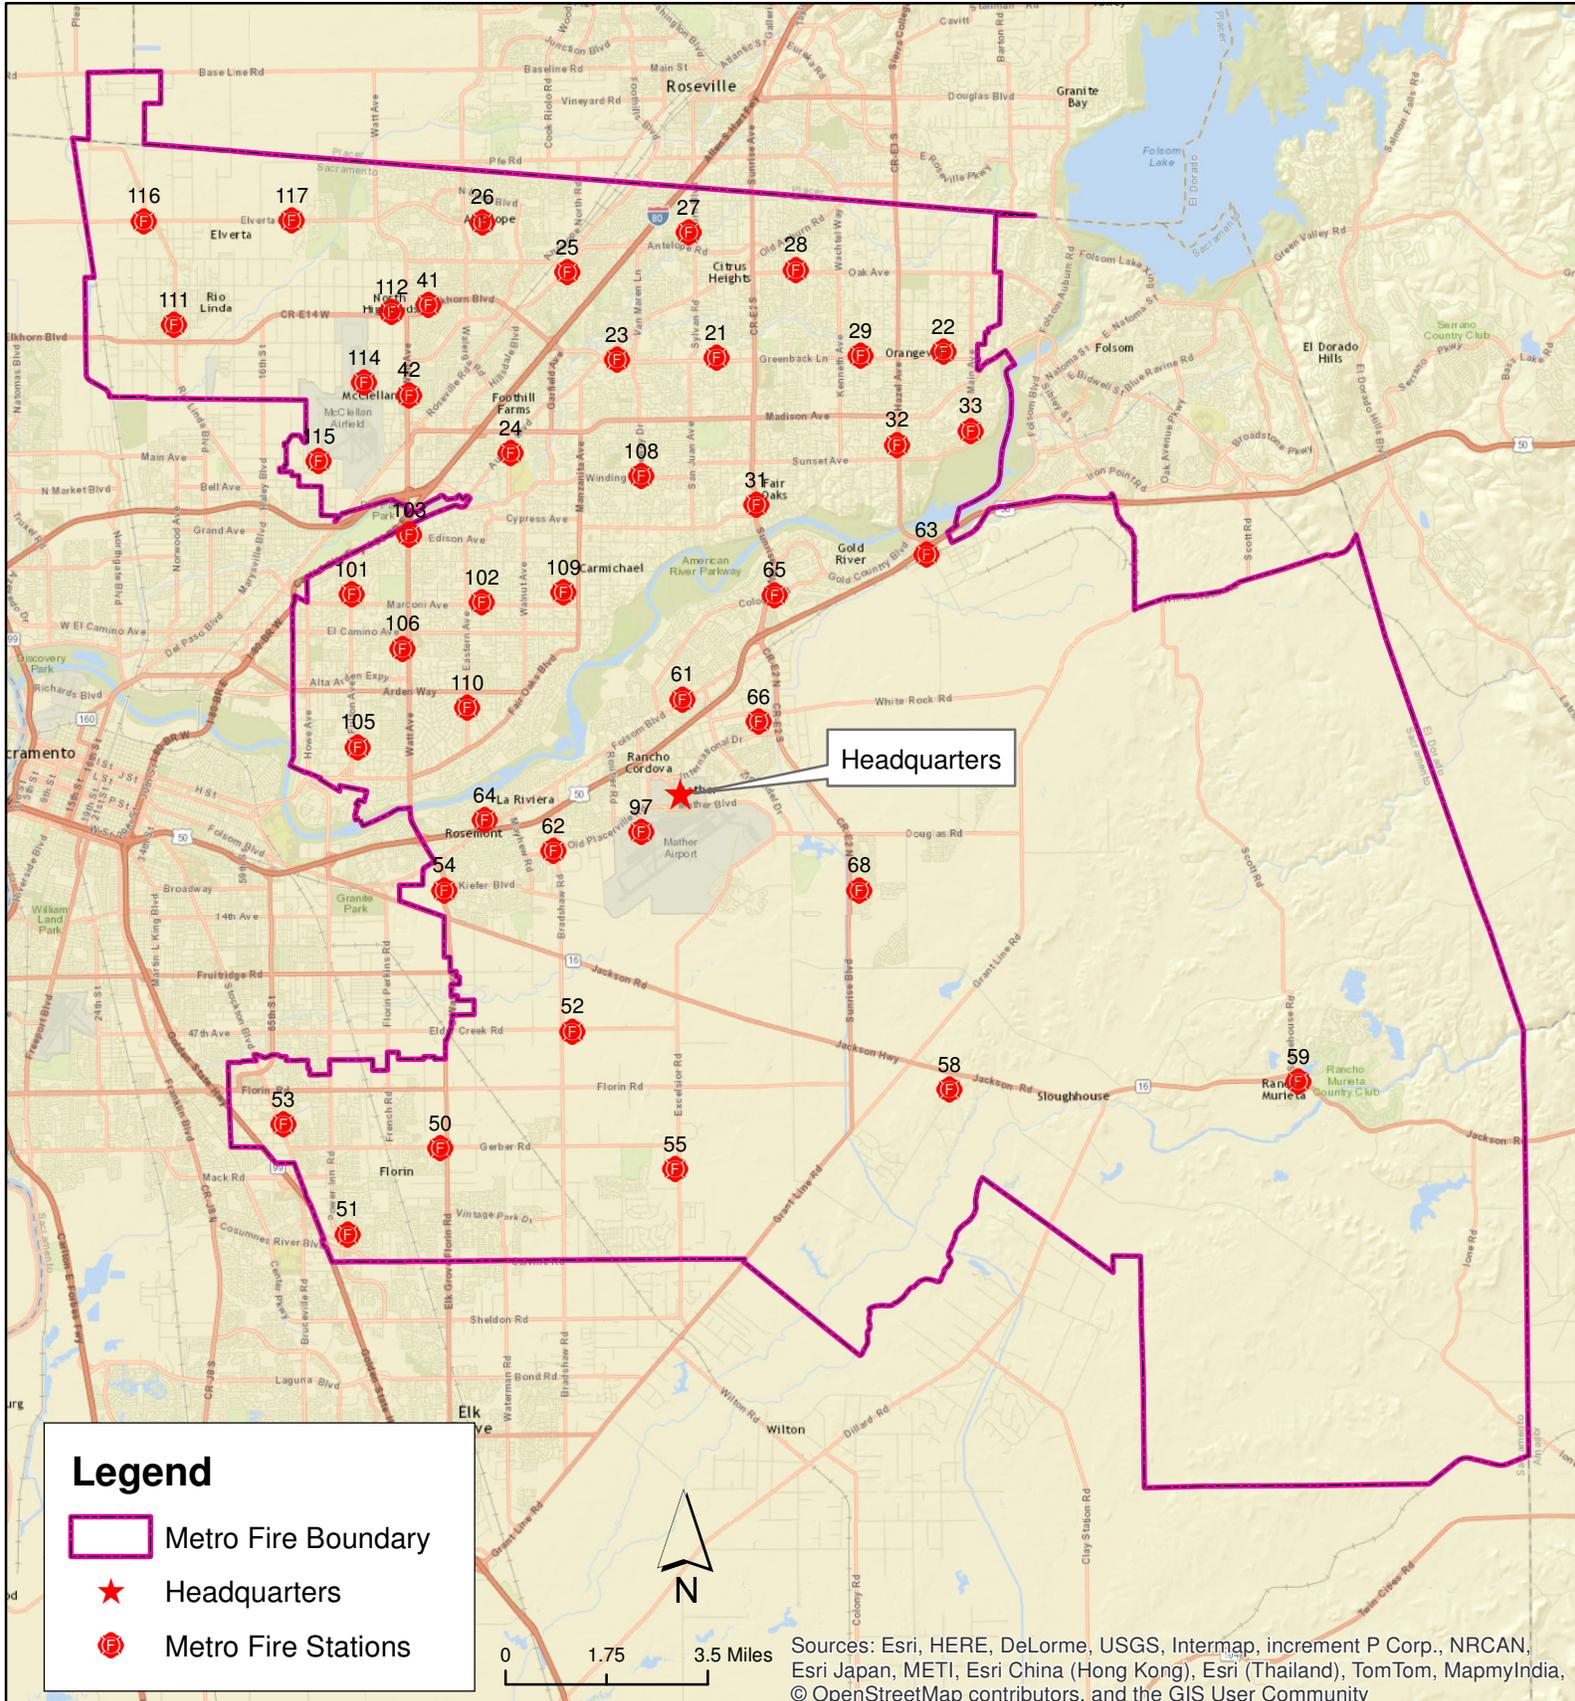

Mission Statement

“To provide professional and compassionate protection, education and service to our community.”

Fire Chief

DATE: September 10, 2020

TO: Board of Directors

FROM: Todd Harms, Fire Chief

RE: Final Budget for the Fiscal Year Ending June 30, 2021

BUDGET OVERVIEW

The ongoing COVID-19 pandemic and associated stay at home orders that began in March 2020 have introduced a great deal of uncertainty regarding the economic outlook and the potential for negative impacts to District revenues and expenditures in future years. While the District does not currently anticipate significant impacts during FY 2020/21 due to the timing of property tax assessments and pension valuations, the potential for future year impacts has led to a cautious approach for the FY 2020/21 budget, including eliminating certain non-essential spending and deferring the next firefighter academy beyond FY 2020/21.

Based on property values as of January 1, 2020, assessed property value growth within the District is estimated to result in a 4.3% increase in property tax revenues received by the District in FY 2020/21, continuing a 7-year trend of increasing property tax revenues following the Great Recession. The FY 2020/21 Final Budget also reflects increased ongoing spending requirements resulting from labor cost escalation, including increases in required pension and medical contributions and an assumed wage increase. Overall, the FY 2020/21 Final Budget presented for the Board of Directors' consideration results in a \$2 million operating budget surplus in the General Fund.

The budget for FY 2020/21, as well as projections for future years, will continue to be refined as more information is known. Our overriding goals will be to optimize services to the greatest extent possible given the available sources of funding, ensuring that the ongoing all-risk fire, rescue and emergency medical needs of the District are met, and to provide adequate reserves for future contingencies.

BUDGET DISCUSSION

GENERAL FUND

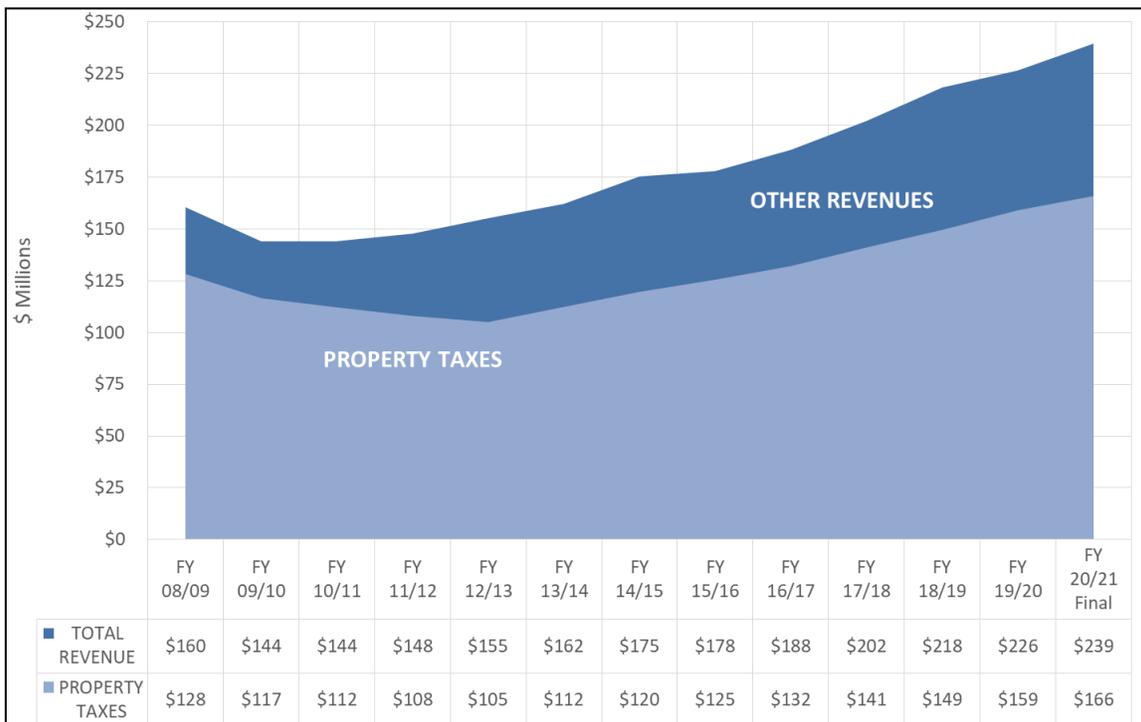

FY 2020/21 General Fund revenue is projected to total \$230 million compared to budgeted General Fund expenditures of \$230 million. After accounting for a transfer in from the Intergovernmental Transfer (IGT) Fund of \$9 million and transfers out to the Capital Facilities and Grants Funds of \$7 million, the FY 2020/21 General Fund budget results in a projected \$2

million operating surplus, serving to increase the General Fund reserve balance and reflecting the cautious approach of enhancing reserves for potential future need.

Revenues and Other Financing Sources

The chart below shows historical General Fund revenues and other financing sources beginning with the pre-recession peak of FY 2008/09 through the FY 2020/21 budget. As shown, FY 2020/21 is expected to represent the eighth consecutive year of property tax revenue growth and the tenth consecutive year of total revenue growth.

Property tax revenues are expected to account for 69% of total financing sources in FY 2020/21 compared to 80% in FY 2008/09, reflecting an increasing share of emergency medical services cost recovery over that time period.

Note: FY 2014/15 through FY 2020/21 adjusted to reflect net IGT revenue.

Projected FY 2020/21 General Fund revenues and financing sources of \$239 million (including the \$9 million transfer in from the IGT Fund) represent an increase of \$13 million compared to FY 2019/20 unaudited actual revenues and transfers in of \$226 million. The primary factors contributing to this change include:

- **Property Taxes:** Property tax revenues of \$166 million account for 69% of total General Fund financing sources and represent an increase of 4.3% over FY 2019/20 revenues of \$159 million.
- **Deployment Reimbursements:** Deployment reimbursement revenue is budgeted at \$5.5 million, which represents a \$4.7 million increase compared to the prior year due to the unusually low deployment activity experienced during FY 2019/20.

Expenditures

General Fund expenditures of \$230 million represent a \$16 million increase compared to FY 2019/20 unaudited actual expenditures. Including a total of \$7 million in transfers to the Capital Facilities Fund and Grants Fund, the overall use of General Fund resources is \$237 million.

Highlights of the major changes in expenditures compared to FY 2019/20 are as follows:

Labor

General Fund budgeted labor costs total \$195 million for FY 2020/21, which represents a \$13 million increase compared to FY 2019/20.

Factors contributing to the increase in General Fund labor expenses include increases in required pension and other postemployment benefits (OPEB) contributions, increases in medical premiums, increased deployment overtime, and an assumed 3% wage increase effective January 1, 2021 based on the terms of the District's labor agreements and the increase in net taxable value. These increases are partially offset by savings as a result of deferring the next firefighter academy beyond FY 2020/21.

The table below displays the current number of funded full-time positions by division, proposed changes, and the resulting number of recommended funded full-time positions. While there are no proposed changes to the total number of funded full-time positions, budget savings for wages and benefits have been assumed for certain positions that are expected to be vacant for at least part of the fiscal year.

Total Funded Full-Time Positions	678	0	678

Services and Supplies

The services and supplies budget totals \$31 million, an increase of approximately \$4 million from the prior year. Changes from FY 2019/20 include:

- An increase of \$1.5 million for contract ambulance service based on the addition of two units effective July 1, 2020
- An increase of \$600,000 for the District's liability and property insurance premium
- An increase of \$400,000 for services and supplies associated with the new Mobile Integrated Health (MIH) Program

Other categories of increased expenditure include education and training services, building service, helicopter maintenance services, fire equipment supply, and medical services and supplies.

Taxes, Licenses, Assessments, Debt Service & Contributions

This expenditure category includes the assessment paid to Sacramento County for property tax administration, the assessment paid to the State for the Ground Emergency Medical Transport Quality Assurance Fee (GEMT QAF), General Fund debt service payments and other assessments and fees. FY 2020/21 total expenditures for this category are budgeted at \$4.2 million, which represents a \$300,000 reduction compared to FY 2019/20 due to an additional GEMT QAF payment made during FY 2019/20.

General Fund Operating Reserves

The amount of General Fund Operating Reserves is expected to be \$37 million at June 30, 2021. This amount represents approximately 16% of net budgeted expenditures, compared to the 15% minimum target established by the District's Reserve Funding Policy.

As specified in the policy, any unassigned fund balance remaining at fiscal year-end will initially be classified as General Fund Operating Reserves as a means of transitioning to the targeted reserve amount.

CAPITAL FACILITIES FUND

The Capital Facilities Fund accounts for the costs of acquiring and financing capital assets. Transfers are required from the General Fund to cover the cost of any capital outlay not financed and to pay debt service.

Budgeted expenditures for FY 2020/21 total \$12 million, which includes \$6 million for capital outlay and \$6 million for debt service. Approximately \$4 million of the \$6 million in capital outlay is expected to be financed, with an additional \$1 million already having been financed in the prior year. The remaining capital expenditures and debt service payments are funded with a \$7 million transfer from the General Fund.

Major capital purchases for FY 2020/21 include:

- Three Type I engines - \$2.1 million
- Three ambulances - \$0.7 million
- Two Type V engines - \$0.4 million
- Two ambulance remounts - \$0.3 million

GRANTS FUND

The FY 2020/21 Grants Fund Budget includes approximately \$600,000 in revenue and expenditures for completion of the District's currently open grants. As additional grants are awarded and accepted, the associated revenues and expenditures will be reflected through revisions to the budget.

DEVELOPMENT IMPACT FEES FUND

Annual development impact fee revenue of \$1.3 million is budgeted for FY 2020/21. Use of this revenue source is restricted to costs related to new fire stations and equipment needed to mitigate the impacts of new development. During FY 2020/21, the District expects to use this funding for construction of Station 68, with \$7 million budgeted for this purpose.

LEASED PROPERTIES FUND

The District leases property not required for current operations and accounts for the revenues and expenditures associated with leased property in the Leased Properties Fund. Total lease revenue for FY 2020/21 is projected at approximately \$1.1 million, while expenses associated with the leased property are budgeted at approximately \$700,000.

INTERGOVERNMENTAL TRANSFER (IGT) FUND

The Rate Range Intergovernmental Transfer (IGT) program allows the recovery of federal funds associated with the District's transport of Medi-Cal managed care beneficiaries. The expenditures and revenues associated with these transfers are tracked in a separate fund in

order to provide greater transparency, and the net revenue generated is transferred to the General Fund to fund District cost to provide healthcare services.

It is anticipated that IGTs covering activity for FY 2019/20 will be completed during FY 2020/21. A total of \$6.6 million is expected to be transferred to the State in order to receive approximately \$15.4 million, for net IGT revenue of \$8.8 million.

Net funding of approximately \$9 million from the IGTs covering activity for FY 2018/19 was received during FY 2019/20 but will be transferred and applied to General Fund expenditures in FY 2020/21. The funding from the IGTs covering activity for FY 2019/20 is expected to fund General Fund expenditures in FY 2021/22.

ISSUES, PRIORITIES, AND FUTURE CHALLENGES

Through proactive financial planning efforts, the District has identified and begun addressing issues to ensure future financial sustainability. While recognizing the economic uncertainty associated with the COVID-19 pandemic, the recommended Final Budget for FY 2020/21 also reflects continued emphasis on addressing longer term issues and priorities.

Pension and Other Post-Employment Benefits (OPEB) Unfunded Liabilities

The FY 2020/21 budget reflects an increase of over \$4 million (11%) in required contributions to CalPERS to fund the District's pension plans, resulting largely from increased payments on the unfunded liability. Required contributions are expected to continue to increase through FY 2026/27, as amortization of unfunded liability is fully phased in.

The FY 2020/21 budget also reflects a \$5 million payment to the Sacramento County Employees' Retirement System in accordance with a funding agreement to address predecessor agency unfunded liability. Under this agreement, the District will make annual payments through FY 2036/37.

Regarding OPEB, the District has been pre-funding its retiree medical obligations since 2013, and the FY 2020/21 budget reflects a full funding policy contribution of \$17 million (\$2 million increase compared to FY 2019/20) to fund the explicit subsidy liability, budgeted as a combination of retiree medical premium payments and contributions to the California Employers' Retiree Benefit Trust (CERBT) Fund.

Lower than expected investment returns during FY 2019/20 will require additional pension and OPEB contributions beginning in FY 2022/23.

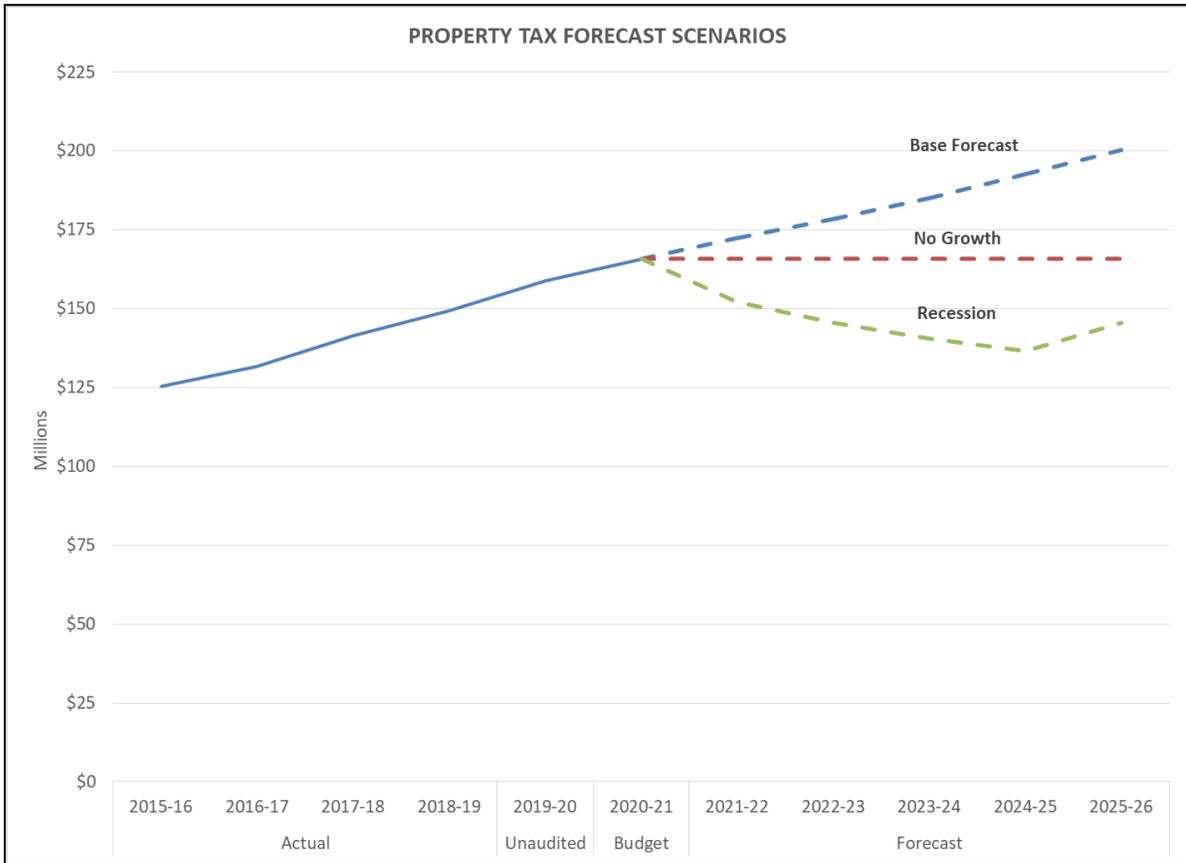

Capital Replacement and Maintenance

The FY 2020/21 budget includes nearly \$13 million in capital outlay. Of that amount, approximately \$5 million is budgeted for the replacement of apparatus and other vehicles. The District expects to have continued significant vehicle replacement needs in the future, resulting in escalating costs.

FY 2020/21 capital outlay also includes \$7 million associated with the design and construction of the new Station 68. As new development continues to occur within the District, future budgets are expected to include additional costs associated with constructing and equipping new fire stations. Additionally, the District recently completed a Facility Condition Assessment (FCA), which identified the need for over \$80 million of repairs to existing fire stations and facilities over the next 20 years, as well as \$50 million of modernization costs for these facilities.

Future Economic Uncertainty

FY 2020/21 property tax revenues are based on assessed value as of January 1, 2020, pre-dating any COVID-19 impacts. Looking beyond the current fiscal year, however, there is tremendous uncertainty regarding future levels of property tax revenues. While residential property values within the District have actually improved since the pandemic began, sales volume remains low. Longer term, the impact on property values of high unemployment and reduced personal income is unknown.

The above chart illustrates forecast property tax revenue under three scenarios: (1) a base forecast (developed pre-COVID-19), (2) a no growth forecast, and (3) a recession forecast modeled using annual percentage changes experienced after the most recent recession. By FY 2024/25, the annual difference in forecast revenues between the base and recession forecasts would be approximately \$55 million.

The potential for declining future revenues given the current economic uncertainty, combined with the cost pressures noted above, highlight the need for the District to develop and maintain adequate reserves in order to address possible budget shortfalls in future years.

RECOMMENDATION

Staff recommends adopting the Final Budget for the fiscal year ending June 30, 2021.

BUDGETARY AND FINANCIAL FRAMEWORK

BUDGETARY FUND STRUCTURE

The FY 2020/21 Final Budget includes appropriations for the following District budgetary funds:

- General Fund
- Capital Facilities Fund
- Leased Properties Fund
- Grants Fund
- Development Impact Fees Fund
- Intergovernmental Transfer (IGT) Fund

For purposes of the District's financial statements, activities of the IGT Fund and Leased Properties Fund are combined with those of the General Fund.

FUND DESCRIPTIONS

The *General Fund* is the general operating fund of the District. It is used to account for all financial resources except those required or designated by the Board of Directors to be accounted for in another fund.

The *Capital Facilities Fund* is a capital projects fund used to account for the acquisition and construction of the District's capital assets. It is primarily funded by capital lease financing and general fund operating transfers.

The District leases property not required for current operations and accounts for the revenues and expenditures associated with leased property in the *Leased Properties Fund*.

The *Grants Fund* is a special revenue fund used to account for the proceeds of federal and state grants that are legally restricted to expenditures for specific purposes.

The *Development Impact Fees Fund* is a capital projects fund used to account for all resources received from development impact fees. It is used for the construction or acquisition of future fire stations and acquisition of apparatus to serve new developments.

The *Intergovernmental Transfer (IGT) Fund* is used to account for the revenues and expenses associated with the District's participation in Medi-Cal IGTs.

FUND RELATIONSHIPS AND INTERFUND TRANSFERS

Budgeted operating transfers from the General Fund to the Capital Facilities Fund result from shortfalls of revenues and other financing sources relative to expenditures and other financing uses in that fund. Budgeted operating transfers from the General Fund to the Grants Fund result from any local funding matches required by grant agreements.

Budgeted operating transfers to the General Fund from the IGT Fund result from the net revenue received as a result of participation in the IGT program and are used to offset the General Fund cost of providing health care services.

BASIS OF BUDGETING

The modified accrual basis of budgeting is used for all funds. This basis is the same as the modified accrual basis of accounting used in the District's audited governmental fund financial statements. Under this basis, revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers all revenues, except property taxes, to be available if they are

BUDGETARY AND FINANCIAL FRAMEWORK

collected within 90 days of the end of the current fiscal period. Property taxes are recognized if received within 60 days of the end of the current fiscal period. Property taxes, charges for services, intergovernmental revenues, rental income, and investment earnings associated with the current fiscal period are all considered to be susceptible to accrual. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is received during the period or within the availability period for this revenue source. All other revenue items are considered to be measurable and available only when cash is received by the District.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and workers compensation claims, are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and acquisitions under capital leases are reported as other financing sources.

LEVEL OF BUDGET CONTROL

The District's appropriated budget is prepared by fund, division, and object level. The legal level of budgetary control is at the fund level and then the object level. Each fund has its own budget for the following items: 1) salaries and benefits, 2) services and supplies, 3) capital outlay, and 4) debt service and other expenditures. The Board must approve amendments or transfers of appropriations between funds or objects.

Appropriations in all budgeted funds will lapse at the end of the fiscal year even if they have related encumbrances. Encumbrances are commitments related to unperformed (executory) contracts for goods or services (i.e., purchase orders, contracts, and commitments). Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. While all appropriations and encumbrances lapse at year end, valid outstanding encumbrances (those for which performance under the executory contract is expected in the next year) are re-appropriated and become part of the subsequent year's budget.

KEY FINANCIAL POLICIES

Financial policies adopted by the Board of Directors are summarized below.

Capital Asset Policy

The District's Capital Asset Policy defines capital assets as land, buildings, equipment, and other related improvements with an individual cost of \$5,000 or more and a useful life of at least one year. The policy establishes a capital asset accounting system that provides guidelines for the accountability and financial and physical control of capital assets, consistent and uniform procedures and transactions for accounting of capital assets, and compliance with funding entity requirements for grant-funded assets. Board approval is required for budgeted capital asset acquisitions and for disposal of capital assets. This policy also requires a biennial inventory of all capital assets.

Debt Management Policy

The District's Debt Management Policy sets forth written guidelines for the issuance, structuring, and administration of debt issued to finance District expenditures. This policy prohibits the issuance of long-term debt to fund District operating costs, as well as the use of any derivative products. Debt structuring provisions include a requirement that the maturity of a debt issue be consistent with the economic or useful life of the asset being financed, generally level annual debt services payments, and preferences for fixed interest rates and optional redemption at a reasonable call date.

BUDGETARY AND FINANCIAL FRAMEWORK

Pension Funding Bonds Early Payoff Policy

The Pension Funding Bonds Early Payoff Policy establishes the framework for ensuring that the District’s Pension Obligation Bonds are paid off in a manner designed to minimize interest costs and provides a mechanism for paying off the bonds at the earliest possible dates. This policy requires annual deposits with the Pension Bond Trustee such that these amounts, together with investment earnings, will be sufficient to retire the Series 2004B Bonds on their call date of November 19, 2025.

Reserve Funding Policy

The Reserve Funding Policy establishes minimum and maximum target reserve levels as follows:

DESCRIPTION	MINIMUM	MAXIMUM
UNASSIGNED FUND BALANCE		
1) Operating Reserves ¹	1.8 months (15%)	6 months (50%)
COMMITTED FUND BALANCE		
2) Self-Insurance Reserves ¹	Short-term liability	Total liability
3) Compensated Absence Reserves ¹	Amount expected to be paid in next 12 months	Total obligation owed to all employees
4) Capital Replacement Reserves ²	Annual depreciation	Accumulated depreciation
5) Early Debt Extinguishment Reserves ¹	Ratable amount needed to retire pension obligation bonds at call dates	Total outstanding pension obligation bond principal
RESTRICTED RESERVES		
6) Capital Improvement Program (CIP) Reserves ³	10% of current year planned CIP expenditures	Amount needed to fully fund the CIP
7) Debt Service Reserves ^{1 2 4}	Amount required by bond documents	None
9) Post-Retirement Medical Reserves (CERBT) ⁵	Cumulative ARC contributions plus interest earnings	Actuarial present value of other postemployment benefits
[1] General Fund [2] Capital Facilities Fund [3] Development Impact Fees Fund [4] Leased Properties Fund [5] CERBT Trust (not District-held)		

LEGAL DEBT LIMIT

California Health and Safety Code Section 13937 establishes the District’s legal debt limit at 10% of the assessed value of all taxable property within the District; however, this Code section was enacted when assessed valuations were based on 25% of full market value. To account for an adjustment of valuations based on full market value, the District’s debt limit is calculated at 2.50% of total assessed value within the District.

As of June 30, 2019, the District’s bonded debt limit was \$1,679,816,206. Outstanding applicable debt as of the same date was \$41,266,823, for a legal debt margin of \$1,638,549,383.

BUDGETARY AND FINANCIAL FRAMEWORK

APPROPRIATION (GANN) LIMIT

State law requires governmental entities in California to prepare calculations each fiscal year of the entity's maximum allowed appropriations. The formula used to make these calculations involves adjusting the entity's previous "Gann limit" by various change factors, including population and per capita income. The change factors are provided by the State Department of Finance. A governmental entity is not permitted to spend more than its calculated Gann limit.

The District's Gann limit for FY 2020/21 is \$371,524,949 which represents an increase of \$14,750,987 when compared to the FY 2019/20 Gann limit of \$356,773,962. This increase is due to a 3.7% increase in per capita income statewide and 0.39% average increase in the population of the cities and unincorporated area within the District. FY 2020/21 Final Budget appropriations are well below the Gann limit.

BUDGET PROCESS

The District's budget cycle generally consists of three adopted budgets each fiscal year, according to the following calendar:

- On or before June 30th: Adoption of the Preliminary Budget for the following fiscal year
- On or before October 1st: Adoption of the Final Budget for the current fiscal year
- After December 31st: Adoption of the Mid-Year Budget for the current fiscal year

Preliminary Budget

Preliminary Budget development generally begins in early spring for the following fiscal year's budget. District budget officers are invited to attend a budget kick-off meeting, at which time information regarding the long-term financial outlook and expected funding levels is shared. Divisional budget requests are then submitted for changes in position count or classification, overtime, services and supplies, and capital outlay. The Finance Division is responsible for preparing revenue estimates, and compiling and preparing the expenditure budgets based on submitted requests.

Compiled budget requests are reviewed by budget officers at the Branch level. The resulting budget is then reviewed by Executive Staff to determine the budget that will ultimately be recommended to the Board based on organizational priorities and funding constraints. The Preliminary Budget is first presented to the Finance and Audit Committee for informational purposes and then to the Board of Directors for approval.

Final Budget

The Final Budget process begins in July, after the close of the previous fiscal year. Any requests for expenditure changes are submitted by budget officers and revenue estimates are updated based on newly available information. Typical final budget changes include re-budgeting of items not actually expended in the previous fiscal year and adjustment of property tax estimates based on assessed values released by the County Assessor.

The Final Budget is typically presented to the Finance and Audit Committee in August and recommended to the Board for adoption in September.

Mid-Year Budget Reviews

Throughout the year, budget officers monitor actual expenditures compared to budget on a monthly basis. The Finance and Audit committee receives bimonthly reports of revenue and expenditure activity compared to budgeted amounts. Additionally, following the close of a fiscal quarter, a formal District-wide budget review is undertaken in which budget officers update estimates of annual spending for each budget account.

BUDGETARY AND FINANCIAL FRAMEWORK

The 2nd Quarter review serves as the basis for the District's Mid-Year Budget changes, which are based on actual results through December 31st of each year. The Mid-Year Budget process typically begins in January, with a presentation to the Finance and Audit Committee in February and Board adoption in March.

DISTRICT STRATEGIC PLAN

In 2019, the District adopted a new Strategic Plan identifying initiatives, projects, and desired outcomes associated with the following high-level elements:

1. Members
2. Service Delivery
3. Capital Assets
4. Financial Management
5. External Engagement

LONG-RANGE FINANCIAL PLANNING

As a part of the District's strategic planning efforts, long-range financial trends and assumptions are used to identify financial challenges and develop plans to address them. Identified challenges include the escalating costs of pension and other postemployment benefits, equipment replacement and facility maintenance needs due to deferred investment during the Great Recession, and a potential interruption or reduction in IGT funding.

With regard to pension and other postemployment benefits, the District's practice is to annually fund the actuarially determined contribution amounts for pension and the amount associated with the explicit subsidy liability for other post-employment benefits. Funding at these contribution levels is intended to ensure the long-term sustainability of these benefits.

To address equipment and facility needs, the District has developed a vehicle replacement plan and recently conducted a District-wide facility condition assessment. Each of these efforts will inform the level of capital outlay and facility maintenance spending required to support current service levels.

In order to mitigate any impact of reduced IGT funding levels in the future, the District is evaluating all opportunities to achieve full cost recovery for emergency medical services, including supporting efforts already underway to maximize reimbursements for Medi-Cal services.

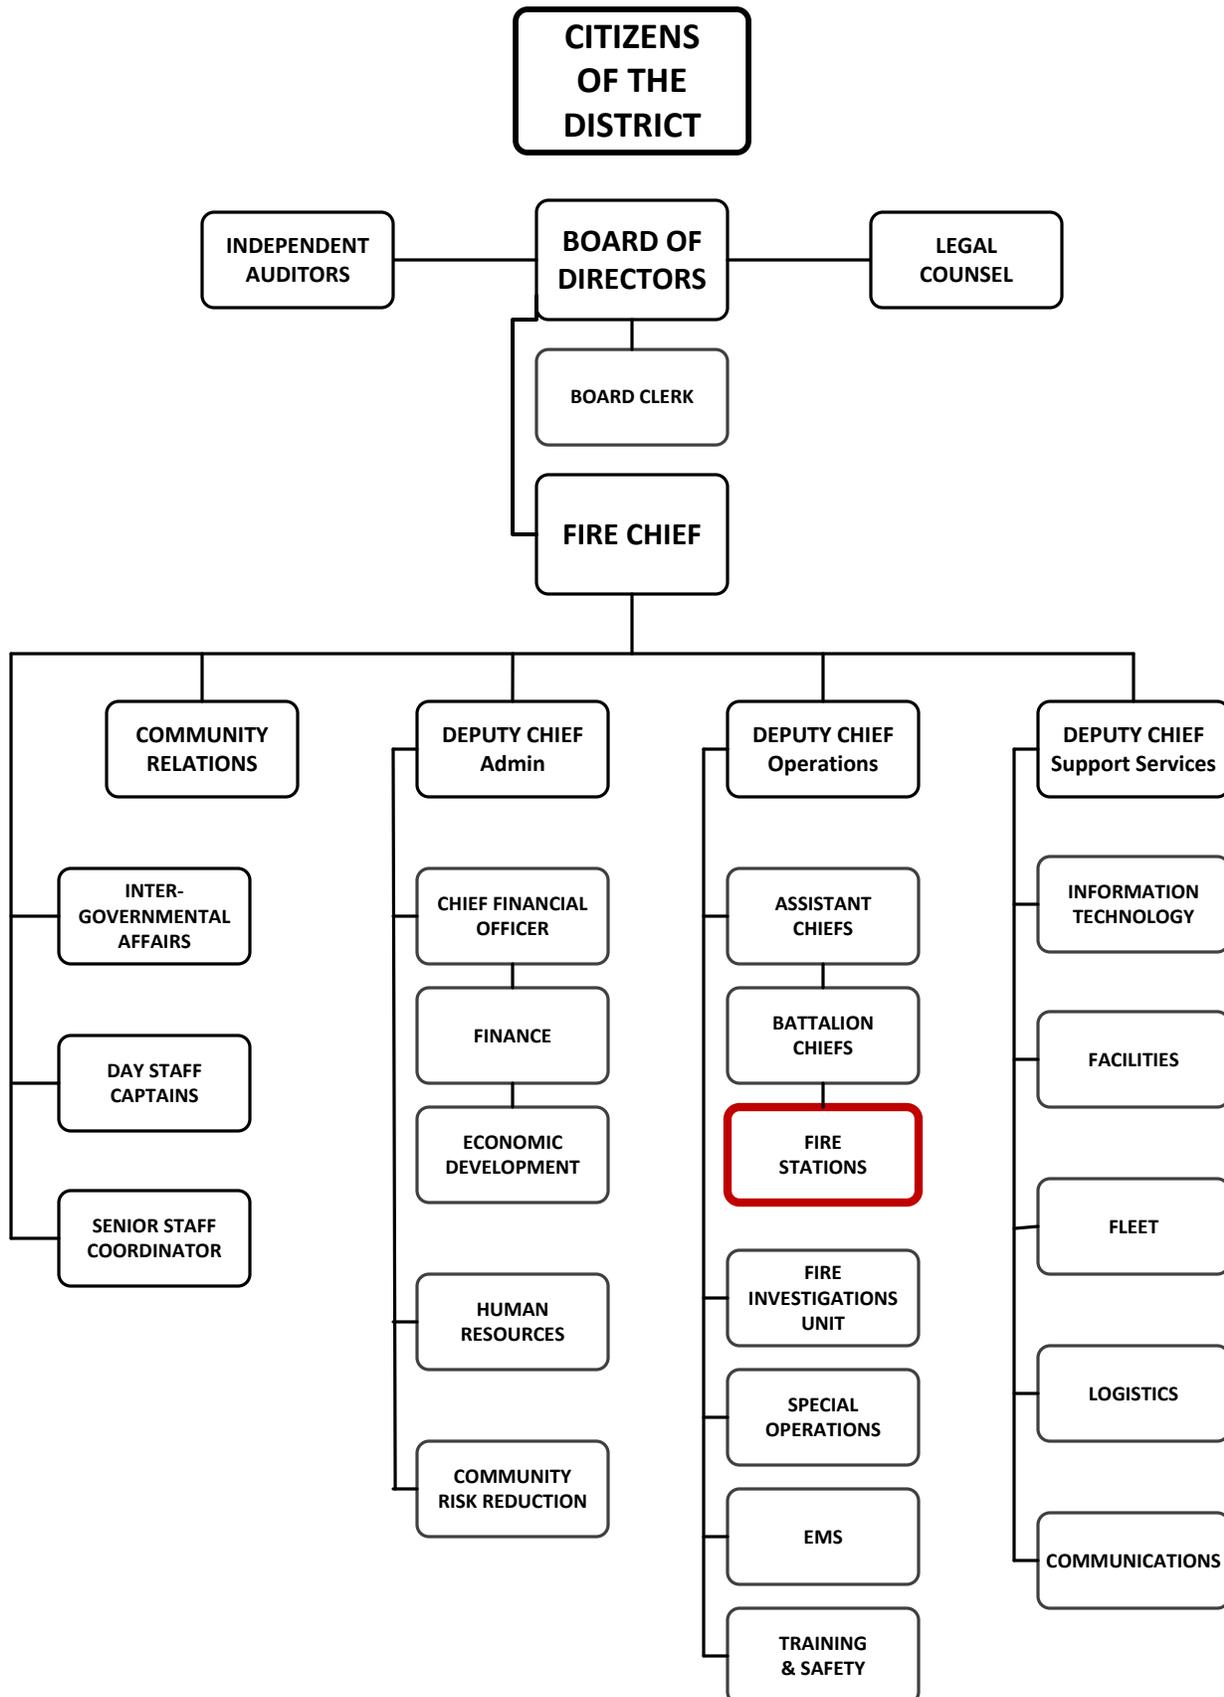

The ongoing COVID-19 pandemic and associated stay at home orders that began in March 2020 have introduced a great deal of uncertainty regarding the economic outlook and the potential for negative impacts to District revenues and expenditures in future years. While the District does not currently anticipate significant impacts during FY 2020/21 due to the timing of property tax assessments and pension valuations, the potential for future impacts has led to a cautious approach for the FY 2020/21 Final Budget.

BOARD OF DIRECTORS

Sacramento Metropolitan Fire District is an independent special district governed by a nine-member Board of Directors. Each Board Member is elected by represented divisions from within Metro Fire's jurisdictional boundaries to serve alternating four-year terms of office. The Board of Directors establishes policy for the organization and is directly accountable to the citizenry.

The Board carries out its fiduciary duty by establishing the vision, mission, and strategic goals that will ensure the District meets its obligations and commitment to the public. It is responsible for adopting the District's annual budget and exercises its fiscal oversight duties by reviewing bi-monthly financial statements and the annual independent audit which facilitates making vital decisions governing the future direction of the District. The Board is responsible for the governance of the District and the appointment of the Fire Chief to carry out the day-to-day administration of the policies and budget set by the Board.

FY2019/20 ACCOMPLISHMENTS:

- Conducted an Annual Workshop with an outside facilitator to create a new Strategic Plan. Developed five high-level elements consisting of Members, Service Delivery, Capital Assets, Financial Management, and External Engagement. Each element has several initiatives and projects associated, and made complete with desired outcomes.
- Allowed four Directors to attend the postponed Cap-to-Cap trip in September 2020. The Directors will work with the Public Safety Team to collectively promote the Capital Region, and represented Metro Fire in meetings with Federal Representatives.
- Filled a Board Vacancy in Division 9 with an internal appointment process to select the short-term Director.

BUDGET DISCUSSION:

In an effort to ensure delivery of the highest level of service to the constituency, a fiscally conservative budget is maintained. Additionally, an annual audit will be conducted to meet the fiduciary responsibility to the citizenry. In November 2020 a general election for six division seats, Divisions 2, 4, 5, 6, 8, and 9 (short-term) will be held; therefore election related expenditures have been included. On-going travel expenses are utilized to improve public relations and enhance communications, as well as foster cooperation with other special districts and local agencies in attaining mutual goals.

GOALS FOR UPCOMING YEARS:

The Board's main goal each year is to deliver a balanced budget while maintaining a high level of service to the community. Seeing the completion of the new Strategic Plan, the Board will work with the Fire Chief to maintain the Strategic Plan allowing staff to focus measurable efforts to ensure the Board's goals are met.

FY2020/21	\$ 2,113,574	\$ 313,110	\$ -	\$ -	\$ 2,426,684	0.9%

OFFICE OF THE FIRE CHIEF

The Fire Chief is the Chief Executive Officer for the Sacramento Metropolitan Fire District (Metro Fire). Under the direction of the Board of Directors, the Fire Chief provides leadership and is responsible for the overall management of the District. The Fire Chief acts as the Board of Directors' Commanding Officer over all administrative and operational functions and is responsible for developing the vision and strategy of the District in conjunction with the goals and objectives established by the Board. With the selection and mentoring of his executive staff, they assure effective performance, the delivery of quality services and promote a strong relationship between labor and management to optimize a positive work environment for Metro Fire members. It is the Fire Chief's responsibility to coordinate the operations of the District with other local, regional, and state fire protection agencies as well as other governmental agencies and the public.

BUDGET DISCUSSION:

Budget requests for the Office of the Fire Chief can be grouped into the following major areas:

- Memberships. These memberships are deemed essential to the day-to-day operations of the department and support existing programs and customer service-based partnerships with organizations within our jurisdiction, and with organizations at the local, state and international levels that assist the district in meeting priorities that have been established by the Board of Directors and are consistent with the District's mission.
- Business/Conference. The Fire Chief and selected personnel will attend annual conferences, meetings, etc. when deemed necessary. All costs associated with these functions are covered in this account.
- Other Services and Other Supplies. These accounts are used for "Other Professional Services" that are not covered by another division's budget as well as expected and unexpected District obligations, special recognition, and any other items not covered by other divisions or accounts.

FY2019/20 ACCOMPLISHMENTS:

- Continued to foster community relations at all levels of governance and the private sector. These relationships have increased collaborative opportunities locally and regionally for the District and statewide for the fire service as a whole.
- Through a collaborative effort, continued to work with the Board of Directors, members of Metro Fire, labor-management, and stakeholders in maintaining and developing objectives and operational strategies to meet the implementing actions set forth in the District's Five-Year Strategic Plan.
- With fulfillment of the District's current Five-Year Strategic Plan on the horizon, staff worked alongside the Board of Directors to develop a new Strategic Plan with focus on the following five key strategies: *Members* (people of Metro Fire), *Capital Assets*, *Service Delivery* (all services & programs), *Financial Management*, and *External Engagement*; each strategy being assigned initiatives, projects, and desired outcomes.
- Through the regional EMS 20/20 process, continued to collaborate with all internal and external stakeholders in the evaluation of the sustainability and adequacy of the Sacramento area community EMS delivery model and how it allows for agencies to maximum efficiencies for all services provided.
- Continued movement with Mission Driven Culture and the creation of The Metro Way Doctrine which will articulate the culture, set of values and principles which will define the ideals for how Metro Fire will continue to accomplish our mission and work collaboratively to optimize the balance of safety, efficiency, and effectiveness to deliver service with professionalism and compassion.

OFFICE OF THE FIRE CHIEF

- In accordance with Board Policy 121.01 Fire Station Memorial/Dedication, memorialized/dedicated fire stations 32, 51, and 65 in memory of members who made the ultimate sacrifice and lost their lives in the line of duty with Metro Fire or its predecessor agencies.
- In conjunction with SRFEC board approval, appointed an assistant chief to serve as executive director of the Sacramento Regional Fire/EMS Communications Center (SRFEC) through FY 2020/21.

GOALS FOR UPCOMING YEARS:

The Fire Chief will continue to carry out the day-to-day administration of policies set by our Board of Directors and state and legislative mandates. This will be done by continuing to work collaboratively with the Board of Directors, management and labor teams, state and local partners, community groups and stakeholders alike to ensure that the District's service delivery model continues to maximize efficiencies and provide the highest level of service to our communities, while maintaining fiduciary obligations.

Additionally, to ensure the District is effectively and efficiently providing the highest level of service, priority will be placed on the continued assessment of our service delivery models and deployments, enhancing organizational communications and continuous training opportunities and building consistency and accountability within the organization.

PEER SUPPORT PROGRAM

The Peer Support Program is a critical component to the health and wellness of Metro Fire members and has proven to be extremely beneficial in helping many members navigate through difficult situations. The stresses faced by fire service members throughout the course of their careers can have a cumulative impact on mental health and overall well-being. Peer support programs have been demonstrated to be an effective method for providing support to members.

FY2019/20 ACCOMPLISHMENTS:

- Continued collaboration with Local 522 and Sacramento County Fire Chiefs to enhance program capabilities, opportunities, and resources at the local and regional levels.
- Continued expansion of regional peer counselor resources and professional providers for member services.
- Continue to engage with personnel including, but not limited to, conducting critical incident diffusions and debriefings, distributing EAP and behavior health materials and resources.

BUDGET DISCUSSION:

The program consists of representatives and peer counselors from Metro Fire, Cosumnes Fire District, Sacramento City Fire Department, Sacramento Regional Fire Dispatch, Roseville Fire Department, Firefighters Burn Institute, and Local 522.

GOALS FOR UPCOMING YEARS:

- Continue to increase the number of peer counselors through education and training in the areas of the Regional Peer Support, CISM, Suicide, and Peer Advanced and Basic training.
- Continue to enhance the number of professional providers in the network for member services.
- Focus on the development of a spousal support program and continued expansion of educational opportunities, awareness, and resources for members of Metro Fire and regional partners.

COMMUNITY RELATIONS DIVISION

The Community Relations Division at Metro Fire provides an around the clock representation of the District for the media and community. One full time Captain/Public Information Officer (PIO) is augmented by two additional Captains and a Supervising Inspector, who assist with PIO functions in addition to their other full-time assignments. PIO's provide incident coverage, conduct press conferences, and market and enhance Metro Fire's activities and reputation in the Sacramento Region and nationwide through traditional and social media programs, communications coordination with other allied governmental entities, and lead the Sacramento Area and Regional Public Safety Information Officers groups.

A Community Relations Coordinator is tasked with project development on behalf of the District, such as coordinating the District's participation in large community-based programs like the California Capital Airshow. The Division leads the annual Cancer Awareness Engine program in creating awareness among employees and the public on cancer testing and prevention.

Unique to the Division is the management and coordination with the Sacramento County Regional Parks Department (SCRPD) on prescribed burn and hazardous vegetation reduction programs, Firewise USA, and Fire Safe CA in collaborative efforts to reduce wildfire danger within the District.

FY2019/2020 ACCOMPLISHMENTS:

- Began livestreaming of District ceremonies
- Continued 24/7/365 PIO and Communications coverage
- In response to COVID-19, developed multilingual information for at risk community members (Spanish and Russian)
- Received recognition from the IAFF Media Awards program for social media videos
- Provide agency PIO representation on Sacramento Regional IMT

BUDGET DISCUSSION:

In FY2020/21, the Community Relations Division will continue to push Metro Fire as the pre-eminent all risk emergency service provider in the Sacramento Region through media opportunities and community requests. This requires sustaining the staffing model for 24/7 coverage and development through training opportunities in public engagement, video production, and professional communications skills, while supporting equipment replacement.

GOALS FOR UPCOMING YEARS:

- Improve livestream and event broadcasting quality and capability
- Continue providing Operations Division with wildland live fire opportunities while achieving objectives in vegetation management
- Increase coordination with the Cities of Rancho Cordova and Citrus Heights, and Sacramento County in coordinating public safety messaging
- Acquire training to provide new skills for existing COR personnel and train new members to baseline qualification

Community Services	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 219,670	\$ 33,780	\$ -	\$ -	\$ 253,451	0.1%

COMMUNITY RISK REDUCTION & COMMUNITY SERVICES

The Community Risk Reduction Division (CRRD) is responsible for inspecting existing buildings and properties for fire code violations, issuing permits, assisting fire suppression personnel, responding to code violation complaints, reviewing and approving licensed care facilities, reviewing plans for all construction projects and fire protection systems, as well as conducting the testing and inspections for those projects. In addition, Fire Inspectors handle special event requests, carnivals, fairs, fireworks booth inspections and public fireworks displays. The Community Relations Specialists' focus is delivering educational programs to our communities. This is accomplished through providing fire safety programs and evacuation drills to our business community, fire and injury prevention to our school aged children, and supporting our Operations personnel in delivering education topics at the station and battalion level. In addition, through coordinated efforts with suppression personnel, the GIS Specialist provides detailed District maps and pre-fire drawings for use in emergency response.

FY2019/20 ACCOMPLISHMENTS:

- Implemented electronic plan review process.
- Adopted local Fire Code amendments through collaboration with stakeholders, City and County building departments, and neighboring fire departments.
- Implemented early notification for exterior hazard mitigation of identified parcels and for defensible space around parcels located within our high-hazard areas.
- Implemented process to respond after fire incidents to determine effectiveness of fire prevention features and to assist business owners with re-opening.
- Began implementation of on-call Inspector program.
- Facilitated successful task book completion for two new Fire Inspector I's.
- Implemented Lateral Inspector I and II hiring process to expedite integration into division tasks.

BUDGET DISCUSSION:

The Community Risk Reduction Division saw an approximate 5% increase in plan review and construction inspections during FY2018/19. These increased inspections account for a larger workload, especially when evaluated in conjunction with code enforcement inspections. Through attrition and in consideration of the increased number of inspections, the division will backfill with Fire Inspector I positions (which entails a one-year training program) or Lateral Fire Inspector II positions.

In FY2018/19 approximately 52% of plan reviews were outsourced. Our Plan Intake Specialists provide additional customer service and an expedited plan review of smaller projects.

Additionally, the Community Risk Reduction Division is working toward becoming more involved in interagency associations (e.g., NorCal Fire Prevention Officers, Sacramento Regional Fire Prevention Officers, and Sacramento Building Officials) to build and nurture strong working relationships with other agencies. We are also working toward enhancing our professional development through applicable fire service conferences and workshops (e.g.,

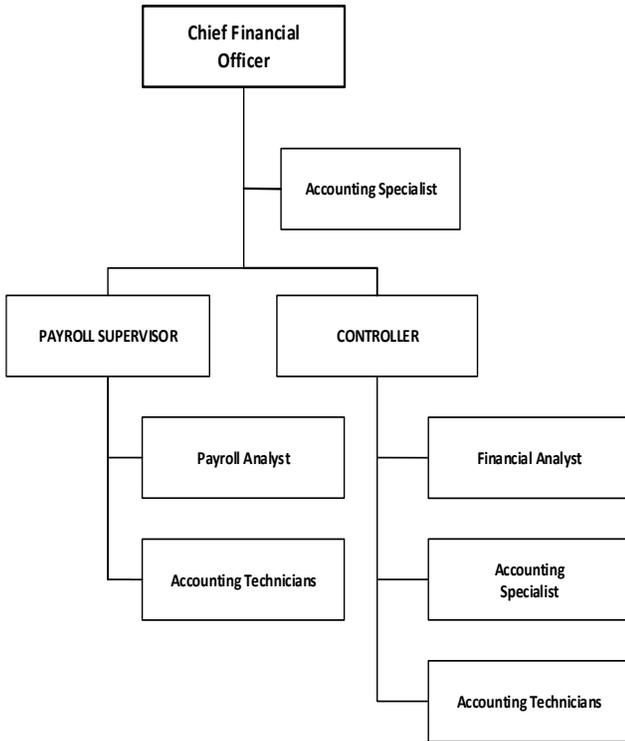

COMMUNITY RISK REDUCTION & COMMUNITY SERVICES

Underwriter's Laboratory (UL) conferences, National Fire Protection Association (NFPA) conferences, and Community Risk Reduction (CRR) conferences).

The requested Community Services budget will be used to purchase reinforcement materials that support the reduction of injury and death for every age group in our community. Our Community Relations specialists have embarked on our largest community outreach program with a goal of providing burn and injury prevention programs to 10,000 school aged children. The initial roll out of this program targets children in preschool through 2nd grade. In addition, Fire Camp is a program targeted to reach 80 kids ages 11-13 providing them a glimpse of a career as a firefighter. The funds will also allow us to become more involved with our community partners by attending Chamber of Commerce and community meetings throughout the District.

GOALS FOR UPCOMING YEARS:

- Begin a Community Risk Assessment and participate in the development of a Risk Assessment Plan for the District.
- Analyze inspection and fire data with data analytic software to identify potential risks.
- Continue to enhance communication to business community by establishing collaborative working groups such as Building Industry Association, Sunrise Market Place and Fulton Avenue Association.
- Enhance communication and ensure timely service is provided to our Cities.
- Ensure plan check turnaround time of 10 working days is maintained.
- Ensure upcoming fire inspections and plan reviews are conducted efficiently.
- Evaluate and enhance community relations programs.
- Coordination of target hazards with Operations personnel.
- Re-evaluate education based programs with specific messages targeted at community risk reduction.
- Support for Operations personnel through updating fire station education materials.
- Continued support of the fire house dinner and fire station tour programs.

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 1,623,135	\$ 205,326	\$ 3,274,100	\$ -	\$ 5,102,561	2.0%

The Finance Division's professional team oversees Metro Fire's multi-million dollar financial operation. Every team member takes stewardship of your public funds with great seriousness. The Division facilitates budget development, ensuring resources are properly allocated for optimum public service levels. Finance also has processes in place to safeguard District assets, track spending, collect all revenue and cost reimbursements, and provide accurate financial reporting. Annual independent financial statement audits confirm Metro Fire's financial statements are fairly presented using Generally Accepted Accounting Principles.

FY2019/20 ACCOMPLISHMENTS:

During the last fiscal year, the Finance Division accomplished the following:

- Awarded the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting for the District's Comprehensive Annual Financial Report (CAFR) for the fifth consecutive year
- Obtained a clean audit opinion for the eighth straight year
- Received the California Society of Municipal Finance Officers' Meritorious Award for second straight year for the Fiscal Year 2019/20 Operating Budget
- Completed implementation of a new Enterprise Resource Planning (ERP) system, including financial, budget, timekeeping, and payroll modules
- Received the Award for Outstanding Achievement in Popular Financial Reporting from the Government Finance Officers Association (GFOA) for the District's first ever Community Annual Report (CAR) for FY 2017/18 and produced the District's second CAR for FY 2018/19

BUDGET DISCUSSION:

The Finance Division issues payroll to about 700 employees, processes vendor invoices, and prepares the annual budgets and various financial statements and reports. Over 50,000 transactions are processed through Metro Fire's books annually. Along with personnel costs, its budget includes the following:

- Continuing education to keep up with the ever-changing accounting and regulatory environments
- Consulting with third-party experts regarding property taxes, actuarial projections, financing arrangements and various other financial topics
- Fees paid to the County of Sacramento for administering Metro Fire's property taxes
- Fees paid to the State for the Ground Emergency Medical Transport Quality Assurance Fees program

GOALS FOR UPCOMING YEARS:

To effectively and efficiently manage Metro Fire's finances, the Division has the following goals for the upcoming fiscal year:

- Review and update District policies and procedures related to finance and payroll
- Conduct a Districtwide fraud risk assessment
- Redesign District budget and financial reporting documents

ECONOMIC DEVELOPMENT

The Economic Development Division is responsible for the successful administration of the District's economic development, grants administration, real estate, intergovernmental affairs, and land use, planning, and development endeavors. Grants administration includes grant research and development, submitting applications for funding, maintaining inventory records of all grant-funded purchases, and managing all financial and reporting requirements in accordance with federal grant guidelines. Real estate activities include managing the buying, selling, and leasing of District properties. Intergovernmental affairs include promoting the District's interests and representing the District to the legislature, special interest groups, and officials at the local, state and federal government. Land use, planning, and development endeavors include representing the District's long-term goals and objectives to local government, land developers, and the community.

FY2019/20 ACCOMPLISHMENTS:

- Submitted two grant proposals totaling nearly \$750,000 for projects including hazardous materials incident response plan development and fire ground survival training program implementation.
- Managed grant awards totaling nearly \$4.7 million including the completion of a regional SCBA replacement program (\$4.1 million), completion of flammable liquids advanced bulk storage foam training (\$162,150), completion of a ballistic protective equipment replacement project (\$87,400), implementation of a flood response program (\$134,524) and swift water rescue boat replacement (\$113,663), and development of a hazardous materials incident response plan (\$16,673).
- Conducted three LODD fire station dedications.
- Secured the site for Future Fire Station 68 in Rancho Cordova, completed design of the station, and executed an agreement for construction.
- Initiated the development of a District-wide Capital Improvement Plan (CIP).
- Initiated a Capital Facilities Impact Fee Study Update.

BUDGET DISCUSSION:

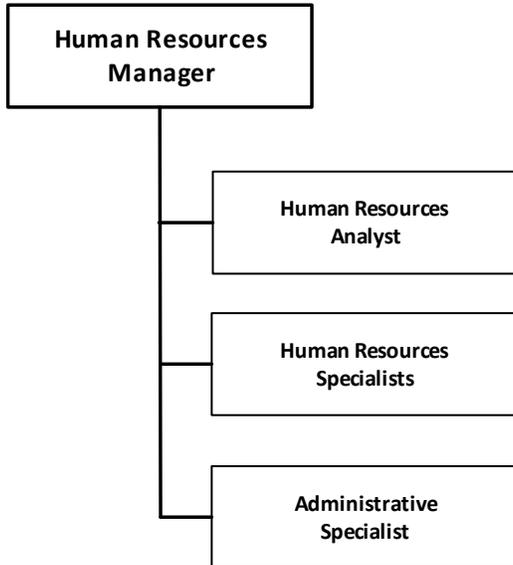

The Economic Development Division will continue to focus on the management of District properties, planning for future growth, and securing grants to fulfill District needs. In FY2020/21, funds are being requested for completing the updated Capital Facilities Impact Fee Study, completing a Capital Improvement Plan (CIP) and preparing various feasibility studies for capital improvement projects, and beginning construction of Future Fire Station 68.

GOALS FOR UPCOMING YEARS:

- Oversee construction of Future Fire Station 68 in Rancho Cordova (Strategic Plan: Capital Assets 1a-b).
- Complete Capital Facilities Impact Fee Study update (Strategic Plan: Financial Management 2a).
- Complete Capital Improvement Plan (CIP) for the District (Strategic Plan: Capital Assets 1-3).
- Implement capital improvement projects (Strategic Plan: Capital Assets 1-3).
- Continued service delivery evaluation and future fire station planning (Strategic Plan: Service Delivery 3a).
- Continued identification of projects eligible for grant funding (Strategic Plan: Financial Management 1b).
- Continued engagement of partners at the local, state, and federal levels (Strategic Plan: External Engagement 1a).

HUMAN RESOURCES

STAFFING:

Human Resources Manager	1
Administrative Specialist	1
Human Resources Analyst	1
Human Resources Specialists	<u>3</u>
	<u>6</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 1,321,521	\$ 800,267	\$ -	\$ -	\$ 2,121,788	0.8%

HUMAN RESOURCES

The Human Resources Division is dedicated to providing efficient and effective quality services to our employees and community, which include: recruitment and selection, background investigations, employee relations, job classifications, compensation, policy and procedure development, employee benefits administration, absence management, workers' compensation administration and risk management insurance and self-insurance. The Human Resources Division staff includes the HR Manager, one HR Analyst, three HR Specialists, and one Administrative Specialist and is under the direction of the Deputy Chief of Administration.

FY2019/20 ACCOMPLISHMENTS:

During fiscal year 2019/20, the Human Resources Division recruited for two Firefighter academies, three Single Role Paramedic Program academies, and assisted all Divisions with recruitment and selection to fill various open positions, such as Lateral Firefighter, Fire Inspector, Fire Investigator, and Help Desk Technician. The HR Division held two promotional exams including Fire Engineer and Deputy Fire Marshal.

The HR Division was extensively involved in the Oracle HRIS system implementation with the HR phase and Benefits phase.

BUDGET DISCUSSION:

The Human Resources Division budget includes the following:

- Projected recruitment of 30 new Firefighters, and 30 new SRP Paramedics and EMT's. Recruitment costs include: advertising, testing, interviewing, background investigations, and medical evaluations.
- HR anticipates conducting the following promotional exams: Battalion Chief, Fire Captain, Fire Engineer, and Supervising Inspector.
- Ever-changing laws and regulations in the Human Resources field require ongoing professional training; therefore, HR will be providing professional training to our Metro Employees.

GOALS FOR UPCOMING YEARS:

To accommodate the growing needs of the District, the HR Division will be recruiting for numerous positions both internally and externally. The HR Division will also be holding promotional examinations for Battalion Chief, Fire Captain, Fire Engineer, and Supervising Inspector. These recruitments contribute directly and indirectly to Board Strategies 2 and 6. Also the Human Resources Division will be working to renew the District's transparency certificate, which is part of Board Strategy 3.

We look forward to providing continued solutions and support to our employees.

NON-DIVISIONAL

The Non-Divisional (NDI) budget represents costs that are incurred by the District in general and cannot be directly associated with any division in particular. These costs include pension bond debt service, other post-employment benefits (OPEB), supplemental reimbursements to retirees, and various other payments.

BUDGET DISCUSSION:

The Non-Divisional budget includes \$17 million representing current payments for retiree medical insurance as well as contributions to the CalPERS Employer’s Retirement Benefit Trust (CERBT) which is used to prefund future retiree medical premiums.

Additionally, pension bond debt service and sinking fund payments totaling \$6.5 million are included in Non-Divisional expenditures. In accordance with the District’s plan to retire the pension bonds at the earliest date allowed, there was a \$25.5 million expense to pay-off the Series C bonds in November 2018. A similar payment is also scheduled in FY 2025-26 for the Series B bonds. The funding for these disbursements will come from committed fund balance accumulated since FY 2005/06.

This division also budgets \$4.4 million for a payment to Sacramento County Employees’ Retirement System (SCERS). These payments reduce an unfunded liability for District retirees and employees formerly employed by the Florin Fire Protection District, which is a predecessor agency. Also included in the budget are estimates for paid time off and sick leave buybacks of about \$2.2 million for all divisions.

This division also covers expenditures for property and liability insurance premiums, postage, and for the District’s headquarters expenditures such as utilities, janitorial services and landscape maintenance. Finally, Inter-Governmental Transfer (IGT) fees amounting to \$6.6 million are included in the expenditure budget. This will allow the District to recover federal funding associated with Medi-Cal managed care beneficiaries amounting to approximately \$15.4 million.

OPERATIONS

The Operations Division oversees all aspects of the District's all-hazard emergency services delivered from 41 stations with daily shift staffing of 183 personnel. The Operations Branch answered over 97,000 calls for service in 2019. These calls for service are answered by five battalion chiefs, 36 first-out engine companies, eight truck companies, 13 fire-based medics and nine single role paramedic units.

Metro Fire has several Special Operations programs that are managed under the Operations Division. These programs include Hazardous Materials (Hazmat), Technical Rescue, Urban Search and Rescue (US&R), Swift Water Rescue, Tactical Emergency Medical Support (TEMS), the Dozer Program, and the Unmanned Aerial Vehicle (UAV) Program.

Metro Fire's Hazmat and Technical Rescue programs are certified by the California Office of Emergency Services for Type I statewide response. The US&R program is a member of California Urban Search and Rescue Task Force 7 (CA TF-7), one of 28 FEMA US&R task forces in the nation and one of eight in the state. Metro Fire's aviation and dozer programs are the only ones of their kind regionally and provide critical response capabilities to the Sacramento region. Metro Fire's TEMS program, also the only one of its kind regionally, provides tactical medical support to the Sacramento County Sheriff's Department, Citrus Heights Police Department, and FBI SWAT Teams. Additionally, Metro Fire is a member of the FBI Joint Terrorism Task Force, Regional Fusion Center, and Urban Area Security Initiative's Urban Area Working Group.

FY2019/20 ACCOMPLISHMENTS:

- Delivered Strategy & Tactics training to all suppression members focusing on regional target hazards.
- Standardized equipment on ARFF1 and ARFF2.
- Formalized a plan for ongoing ARFF training with Sacramento International Airport.
- Filled the vacant Fire Investigator II position.
- Obtained grant funding for low draft vessels for the Swift Water Rescue Program.

BUDGET DISCUSSION:

Metro Fire's primary source of funding is property tax revenue and as such, its operations are significantly impacted by property values. The FY20/21 Operations budget continues to reflect restoration of much of the service that was reduced in the prior economic downturn.

GOALS FOR UPCOMING YEARS:

- Recruit and hire more contract pilots in Air Ops.
- Implement an intra-District helicopter pilot training program.
- Improve/enhance copter maintenance capacity.
- Expand Air Ops capability to include air ambulance with a public-private partnership.
- Recruit and hire additional reserve firefighters.
- Complete & finalize a new Field Training Program for District peace officers.
- CERT recruitment and retention.
- CERT training & drills and regular deployment practice.
- Complete the Command Doctrine and deliver initial training to all ranks.
- Continued training and career development for the current dozer operators.
- Continue to strengthen the working relationship with Cal Fire AEU.
- Continue to enhance monthly and quarterly drills for Hazmat team members.
- Continue to replace expired consumables and outdated/unsupported capital asset equipment to maintain Type I HMRT status with CalOES.

OPERATIONS

- Implement training and operational response capabilities for grant-acquired jon boats for flood response.
- Continue to replace & maintain PPE.
- Continue required annual training for Technical Rescue.
- Implement out-of-county response ability for UAV program.
- Continually identify and improve response times.
- Implement a regional automated data monitoring and alerting system.

FIRE INVESTIGATIONS

Metro Fire is one of the few agencies in our region with a full-time Fire Investigation Unit (FIU). The primary role of the Fire Investigations Unit (FIU) is to investigate unidentified fire causes, the causes of fires resulting in serious bodily injury or death and suspected arson related incidents that occur within the Sacramento Metropolitan Fire District. The FIU assists our Community Risk Reduction Division (CRRD) in enforcing Fire and Building codes and subsequent violations through the legal system. The FIU works as an assisting agency with local, State, and federal law enforcement agencies throughout the Sacramento region.

FY2019/20 ACCOMPLISHMENTS:

- The FIU conducted a total of 308 investigations for 2019 and has conducted a total of 87 investigations for 2020 as of April 30, 2020.
- Total losses in 2019 were approximately \$8,580,195. So far in 2020, the total losses have been approximately \$4,290,850.
- In 2019, there were a total of 15 cases closed by arrest with 104 cases determined to be arson related. So far in 2020, there has been a total of 2 case closed by arrest with 29 cases determined to be arson related.
- The FIU investigated a total of 7 civilian fatality fires in 2019, with one being ruled as a homicide. In 2020, the FIU has not investigated any civilian fatality fires.
- For the majority of 2019, the FIU functioned with 2 full-time investigators as one full-time investigator position was vacant. In August of 2019, three part-time retired annuitant investigators were hired by the District to supplement full-time investigators in areas requiring 24-hour investigator duty coverage. In September of 2019, a full-time investigator was hired, which brought full-time investigator staffing levels back up to current District standards.
- The FIU created and implemented a law enforcement officer Field Training Program (FTP) for newly hired District investigators. The FTP was successfully utilized with the hiring of the third full-time investigator position.

BUDGET DISCUSSION:

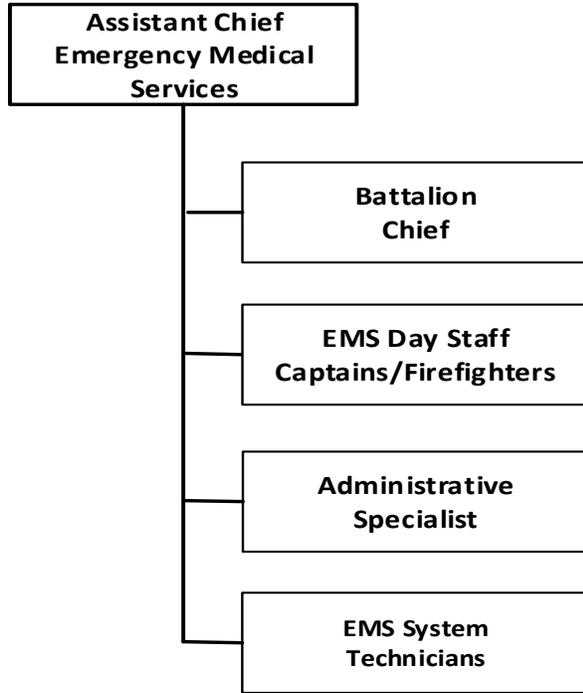

Under the direction of the Fire Chief, the FIU is a subsection under the Operations Division. In July 2019 the FIU lost two dedicated Sacramento Sheriff's department detectives due to budget constraints. This added the responsibilities of criminal investigation follow-up to District FIU investigators. To fill the gap, FIU has created working partnerships with the Federal Bureau of Alcohol, Tobacco, and Firearms (ATF) and the California Department of Forestry and Fire Protection (Cal-Fire). One ATF Special Agent and one Cal-Fire Law Enforcement Officer are now housed within the FIU building with the availability of providing technical assistance to FIU District investigators as needed. FIU is currently working with Cal-Fire to create a Memorandum of Understanding (MOU) that will allow for the sharing of law enforcement/investigative resources and create the availability of District FIU investigators to attend annual advanced law enforcement education/training provided by Cal-Fire.

GOALS FOR UPCOMING YEARS:

- Have a signed MOU with Cal-Fire for the sharing of law enforcement/investigative resources.
- Continue to create adequate storage space for a District Evidence facility and implement a District evidence tracking system.

EMERGENCY MEDICAL SERVICES

STAFFING:

Assistant Chief	1
Battalion Chief*	1
Administrative Specialist	1
EMS Day Staff Captains**	3
EMS System Technicians	<u>2</u>
	<u>8</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 1,510,917	\$ 7,457,010	\$ 213,559	\$ -	\$ 9,181,486	3.6%

*Temporarily filled by an out-of-class Captain

EMERGENCY MEDICAL SERVICES

The Emergency Medical Services (EMS) Division is committed to providing the highest level of service possible to the communities we serve. Metro Fire's team of skilled first responders is supported by recurrent professional training and continuous quality care improvement. The administrative side of EMS is comprised of an Assistant Chief, Battalion Chief, three Captain/Paramedics, one Administrative Specialist, and two EMS System Technicians. 24/7 support to all District ambulance operations is provided by three field supervisors ("EMS24") who also oversee the members of the Single Role Paramedic Program.

The EMS Division supports the third largest fire-based Advanced Life Support (ALS) transporting program in the State of California, operating 18 ALS ambulances 24/7, six reserve ALS ambulances that can be cross staffed for surge in call volume, two seasonal ALS peak time ambulances, and 43 ALS engine and truck companies. The EMS Division also manages a public/private partnership that further augments our ALS ambulance response capabilities. With over 469 paramedics and 104 EMTs to staff these units, as well as watercraft, a helicopter, and bike medic teams for special events, over 63,000 patients are transported or receive EMS services annually.

With an innovative approach to out-of-hospital patient care utilizing a focused deployment of specialized resources as a goal, the EMS Division has unified efforts with numerous regional stakeholders to build Sacramento Mobile Integrated Healthcare (MIH) and formulate a pilot study of the project. Modeled after similar such programs that pair an advanced-level practitioner in the field with a paramedic to provide uniquely-tailored care delivery, this initiative aims to expand the response capabilities of Metro Fire.

FY2019/20 ACCOMPLISHMENTS:

- Worked cooperatively with Sacramento County Public Health to activate Community Care Response Units (CCRU) in response to the COVID-19 pandemic
- Re-classified two staff members to EMS System Technician to better reflect their scope of responsibilities
- Added an annuitant member to staff to monitor the system impacts of the 911 Waiver revocation in Residential Care Facilities for the Elderly (RCFE) and to act as the District's liaison to the Community Care Licensing Division
- Partnered with the California Fire and Rescue Training Authority to provide ACLS, 12-lead ECG, and infrequently used skills training
- Secured a grant from the California Department of Healthcare Services for pre-load nasal Narcan
- Collaborated with Mercy San Juan hospital to host two regional run reviews for EMS providers
- Upgraded the modems on all LP15 cardiac monitors to cellular/Wi-Fi technologies to allow for improved data transmission from field units to hospitals and the ePCR system
- Completed the RFP process for advanced life support ambulance services
- Finalized a Memorandum of Understanding (MOU) with UC Davis Hospital for the Emergency Medicine Fellowship Program
- Joined the Cardiac Arrest Registry to Enhance Survival (CARES) as a reporting agency
- Joined the Sacramento County Child and Elder Death Review Teams

EMERGENCY MEDICAL SERVICES

- Sent EMS System Technicians to Certified Ambulance Privacy Officer (CAPO) & Certified Ambulance Compliance Officer (CACO) courses
- EMS Captain attended the National Fire Academy's Management of Emergency Medical Services program
- All EMS24s attended Designated Infection Control Officer training
- Collaborated with allied agencies on the review and revision of the regional MCI plan

BUDGET DISCUSSION:

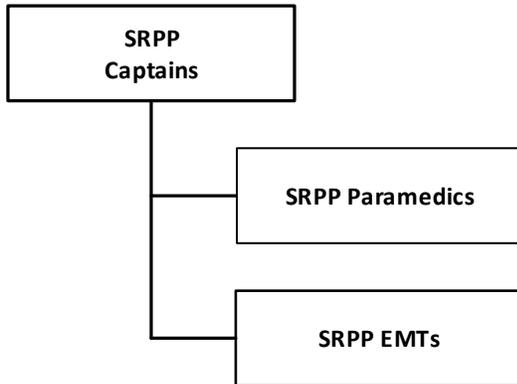

The EMS Division is responsible for the management of the emergency medical system, ensuring that our Emergency Medical Technician (EMT) and paramedic personnel are trained and equipped to serve the public at the highest levels. Of foremost concern is ensuring fiscal resources sufficient to overcome the challenges associated with navigating the landscape of the modern EMS system: keeping pace with an increasing call volume, exploring new service delivery modalities, adapting to evolving industry standards, optimizing cost recovery for medical services, fulfilling ongoing training needs, developing and sustaining programs, and maintaining currency with materials and technologies.

GOALS FOR UPCOMING YEARS:

- Complete RFP for SacMIH services and develop sustainable funding to maintain the program
- Enhance cost recovery for EMS services
- Work with Local 522 to identify potential enhancements to the SRP Program
- Work with Local 522 to add Fire Department Medic (FDM) to our EMS system
- Complete build-out of the Continuum module in ImageTrend to optimize data analysis capability
- Develop and implement a replacement plan for cardiac monitor/defibrillators
- Update hardware and software for the tracking, accountability, and security of controlled substances
- Support Continuing Education opportunities for EMS Division staff members

SINGLE ROLE PARAMEDIC PROGRAM

STAFFING:

SRPP Captains*	3
SRPP Paramedics	16
SRPP EMTs	18
	37

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 3,106,808	\$ 29,600	\$ -	\$ -	\$ 3,136,408	1.2%

*Currently filled by temporarily by 1 Captain, 1 out-of-class Engineer, and 1 out-of-class Firefighter

SINGLE ROLE PARAMEDIC PROGRAM

The Single Role Paramedic Program (SRPP) was established in 2013 as a pathway for its members to become Firefighter/Paramedics with Metro Fire. To date, over 60 percent of the program graduates have made the intended transition to Firefighter/Paramedic, and several members have since promoted to Engineer.

The SRPP is managed in the field by three supervisors (“EMS24”) that alternate by platoon to oversee the operation of four 24-hour medic units assigned throughout multiple battalions in Metro Fire’s jurisdiction, and the SRPP 12-hour peak cars. The deployment model is structured to allow for the flexibility of placing additional ambulances into service as staffing levels allow.

FY2019/20 ACCOMPLISHMENTS:

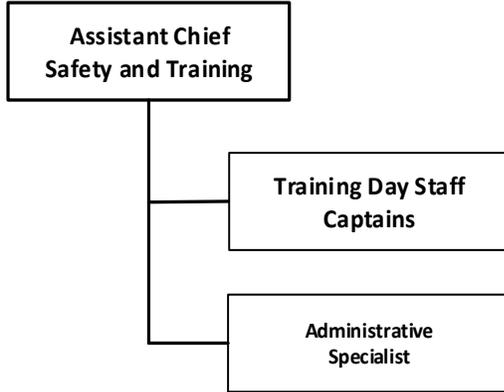

- Graduated three SRPP Recruit Academies
- Hired 14 Paramedics
- Hired five Emergency Medical Technicians (EMTs)
- Promoted nine EMTs to Paramedic
- Transitioned 23 members to the rank of Firefighter/Paramedic
- Provided paramedic internships for program members
- Implemented a trial of 24-hour schedule to optimize utilization of available staff
- Integrated SRP Paramedics into the Peer Review Committee
- Incorporated SRP members into Task Level Training (TLT) to assist with Battalion EMS training
- Enlisted SRPP members to supplement staffing for special event assignments (e.g. Bike Medic, Air Show)

BUDGET DISCUSSION:

The SRPP celebrated its sixth year on March 1, 2019. The continued goal of the program is to enhance the capabilities of the District to deliver high-caliber ambulance transportation to the communities it serves, while providing a career track for EMTs and Paramedics seeking the opportunity to become Firefighter/Paramedics.

GOALS FOR UPCOMING YEARS:

- Succession planning
- Expand recruitment efforts
- Bolster the number of paramedic preceptors in the SRPP ranks
- Work with Local 522 to revamp the program for long term sustainability

STAFFING:

Assistant Chief	.5
Day Staff Captains	3
Administrative Specialist	<u>1</u>
	<u>4.5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 1,075,584	\$ 398,650	\$ 185,000	\$ -	\$ 1,659,234	0.6%

TRAINING

The Training Division's mission is to improve service delivery to the community by providing realistic, ongoing, and verifiable training to district personnel and assisting them to develop and strengthen essential job skills. We strive to ensure all-risk operational readiness and enhance the ability of our members to perform quality public service. We promote teamwork and service in a safe, effective, and efficient manner. There are many federal, state, and locally mandated requirements which must be addressed, and as new information becomes available, it is imperative that we introduce new tools, technology, or equipment to train our fire personnel. The Training Division makes available opportunities to employees to achieve full potential in their current roles and assist them to advance their careers through training.

FY2019/20 ACCOMPLISHMENTS:

- The graduation of Firefighter Academies 19-2 and 20-1
- Conducted performance appraisals of over 110 probationary suppression personnel from the rank of Battalion Chief to Firefighter
- Conducted multiple District-wide hands-on, full-scale exercises at donated structures
- Conducted Captain and Battalion Chief Academies for promotional exams
- Supported and facilitated many certified classes in many disciplines for District members
- Continue to grow the Battalion Chief training officer involvement and training supply caches
- Updated training classrooms in each battalion

BUDGET DISCUSSION:

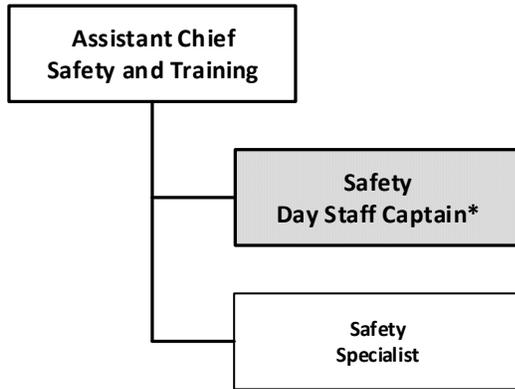

Metro Fire has seen a steady decrease of experience within the ranks. The need for realistic scenario base training which emphasizes comprehension of complex incidents can set our emergency responders up for success. Additional staffing expenditures will need to be committed to narrow this experience gap.

An increase in budget support hours for FY20/21 is due to the increased staffing levels for live fire training, currency training for specialty qualifications and skills evaluations of all ranks. It also includes an engineer mobile training prop to cultivate our vanishing Engineer rank and a mobile all-hazard command simulator which can also be used for community outreach and education. Continued evaluation and mentoring for all personnel is essential in ensuring the highest level of service to the community.

GOALS FOR UPCOMING YEARS:

- Continue live fire training under intense and realistic conditions in two-story Class A prop
- Increase skills evaluation and mentoring for all ranks
- Increase delivery of full scale exercises, live fire training, and scenario-based training
- Continue to cultivate and expand the number of qualified instructors within Metro Fire

STAFFING:

Assistant Chief	.5
Safety Day Staff Captain*	0
Safety Specialist	<u>2</u>
	<u>2.5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 213,456	\$ 1,382,471	\$ -	\$ 30,000	\$ 1,625,927	0.6%

*Position currently vacant and not funded.

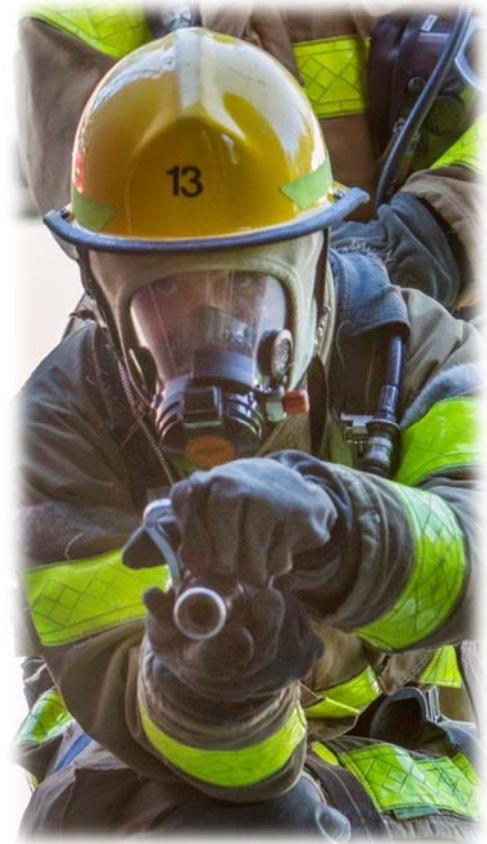

The Safety Division oversees Personal Protective Equipment (PPE), Occupational Safety and Health Administration (OSHA) responsibilities, self-contained breathing apparatus (SCBA) and more. All items requested from the Safety Division are required safety items necessary for personnel to safely do their jobs as well as meet both NFPA and OSHA requirements.

FY2019/20 ACCOMPLISHMENTS:

- Completed a district-wide full PPE inspection while personnel attended the annual Fit Testing
- In the last budget year safety and logistics washed and inspected over 3500 sets of turnouts.
- Purchased over 150 sets of replacement turnouts for current personnel and new hires.
- Completed wear test evaluation, purchase, and implementation of new structure gloves in addition to particulate blocking hoods.
- Purchased, inventoried and put into service the district new self-contained breathing apparatus.
- Received new wildland PPE, inventoried and put in service over 600 garments.

BUDGET DISCUSSION:

- Increased the PPE repair line due to the district's new particulate blocking hoods needing annual inspection by a certified I.S.P per NFPA 1851.
- Request possible funding for a second set of Wildland PPE.
- Requested funding to provide training for the new Safety Specialists.
- Due to the global COVID-19 pandemic it is paramount that we restock depleted supplies in addition to creating a large cache in case of future outbreaks.
- Some accounts were moved in order to stream line the safety budget and better monitor spending trends in the future.

GOALS FOR UPCOMING YEARS:

- Purchase either two new Uni-Mac washers or a Solo Rescue laundry machine for cleaning boots, helmets, gloves, and SCBAs to replace our aging fleet
- Test, purchase and implement an inventory control software for tracking of SCBA inspections, inventory, and repairs.
- Work to fully implement our NFPA 1851 program and get closer to full compliance
- Conduct a fabric evaluation for structural turnouts and if needed conduct a full wear test.

HEALTH AND FITNESS

Metro Fire’s Health and Fitness division is responsible for providing all members with the opportunity to maintain an appropriate level of health and fitness throughout their career. The District provides comprehensive medical evaluations and annual fitness assessments. It provides professional support members with a fitness program that includes equipping facilities with a complement of fitness equipment and access to health and fitness knowledge and guidance through the District’s Health and Fitness Coach.

FY2019/20 ACCOMPLISHMENTS:

- Fitness assessments were scheduled by company and occurred at stations
- Completed daily morning PT for multiple academies (SRP, lateral fire fighter and suppression)
- Provided an online, personalized fitness training program for all members

BUDGET DISCUSSION:

To comply with NIOSH Line of Duty Death report recommendations, as well as NFPA 1582 and the IAFF/IAFC Wellness Fitness Initiative, the plan for FY2020/21 is to continue to have all suppression personnel participate in a comprehensive medical evaluation. This evaluation will also meet the mandates for employee immunizations, DMV medicals as necessary, annual respiratory clearance and annual medical evaluations for those on the Hazmat team.

GOALS FOR UPCOMING YEARS:

- Continue medical wellness exam for NIOSH SCBA compliance and preventive medical screening based on the hazards of the career.
- Continue fitness equipment replacement plan to include updating equipment to current modern standards for functional, fire-specific workouts
- Restart the Peer Fitness Program, including additional tactical fitness training
- Physical therapy partnerships to increase injury prevention and reduce recover time and fiscal liability
- Start bi-monthly hard copy newsletter

	<u>10</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 1,412,962	\$ 2,567,139	\$ -	\$ 188,425	\$ 4,168,526	1.6%

INFORMATION TECHNOLOGY

The Information Technology (IT) Division includes Computer Systems and Network Systems. Under the direction of the Director of Information Technology, the IT Division manages the District's data center, network security, LAN/WAN, VoIP system, building fire/security/access control systems, mobile devices, and computer systems for 41 fire stations and four administrative buildings.

FY2019/20 ACCOMPLISHMENTS:

- Replace several servers for our virtual environment
- Upgraded mobile data computers to Windows 10
- Implemented Oracle ERP
- Upgraded the exchange and virtual environments as well as the access control system
- Installed classrooms throughout the District for training
- Installed cellular gateways for district-wide life pack 15's
- Replaced and upgraded network switches
- Migrated to new circuits for fire stations

BUDGET DISCUSSION

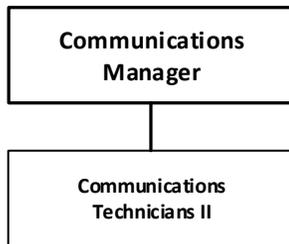

This year's budget is higher than last fiscal year due to increased costs in supporting the District's Oracle ERP system and hardware replacements.

GOALS FOR UPCOMING YEARS:

- Upgrade remaining servers to Windows Server 2016
- Upgrade all PCs to Windows 10
- Upgrade our virtual PC environment and several servers
- Replacement of several servers and network switches

COMMUNICATIONS

STAFFING:

Communications Manager	1
Communications Technician II	<u>2</u>
	<u>3</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 517,273	\$ 873,028	\$ 270,186	\$ -	\$ 1,660,487	0.6%

COMMUNICATIONS

The Metro Fire Communications Division is responsible for the operation, maintenance, and repair of all District communication equipment and vehicle emergency lighting. Equipment includes: 800 MHz radios, VHF radios, pagers, Mobile Data Computers (MDCs), vehicle modems, vehicle intercom systems, code 3 lighting, station emergency (red) phones, fire station alerting systems, and traffic signal Opticom systems.

The Communications Division is committed to providing the highest level of service to Metro Fire staff to help reduce unit response times and ensure communications stay intact. Communication Technicians handle all equipment repairs and radio programming out in the field. Metro Fire's Communications Manager represents the District in Radio System Enhancement Committee meetings, Radio System Management Group (SMG) meetings, and sits on the Technical Advisory Committee (TAC) for the Sacramento Regional Radio Communications System (SRRCS). This enables Metro Fire to have a voice on how the regional radio system is managed.

FY2019/20 ACCOMPLISHMENTS:

- Replaced all vehicle internet modems with new Cradlepoint modems.
- Incorporated the first GPS activated Opticom traffic intersections in the District's jurisdiction
- Converted all fire station alerting systems to fully integrate with the WestNet server at dispatch.

BUDGET DISCUSSION:

The internet modems in Metro Fire vehicles were failing at an alarming rate, proving to be unreliable. The Communications Division budgeted \$197K to replace all vehicle modems with new Cradlepoint IBR900 modems. This drastically improved internet connection and practically eliminated failures. The Communications Division incorporated the first GPS intersection Opticom system. The cost to configure one intersection is \$3,500 - \$6,000, depending on the equipment needed. With GPS, vehicles can preempt an intersection from 2,500 feet, as opposed to 500 feet with the infrared system. The Communications Division also finished converting all Metro stations to be fully integrated with WestNet Station Alerting platform. Metro's cost share for the server at dispatch was approximately \$300K. The WestNet system enables dispatches to go out quicker and reduces dispatch times.

GOALS FOR UPCOMING YEARS:

- Install Opticom emitters on additional intersections throughout Sacramento County
- Enable radio system access from District owned smart phones
- Work with the Communications Center to integrate Automatic Voice Dispatch (AVD) and Automatic Vehicle Locator (AVL) in the dispatching process
- Update paging system to newer, more reliable system
- Enable GPS location through portable radios

FACILITIES

STAFFING:

Facilities Manager	1
Facilities Technicians	<u>4</u>
	<u>5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 605,757	\$ 1,356,795	\$ -	\$ 268,000	\$ 2,230,552	0.9%

FACILITIES

The Facilities Division is tasked with the maintenance, repair, and refurbishment of the District's fire stations, administrative buildings, and other District-owned properties being leased out. These tasks include completing maintenance and repair requests for existing buildings and physical grounds, and completing refurbishment of District properties to meet operational needs. The mission of the Facilities Division is to keep all District properties in good working condition and to keep the fire stations as fully functional and comfortable environments for our firefighters.

FY2019/20 ACCOMPLISHMENTS:

- Response to over 100 monthly repair requests
- District-wide restroom assessment and signage upgrades
- District-wide fire sprinkler system certifications
- Multi-site flooring replacements (7 stations)
- Multi-site ice machine replacements (6 stations)
- Multi-site LED lighting retrofits (17 sites)
- Multi-site A/V room refurbishments (7 stations)
- Multi-site station security projects including fencing and gates (4 stations)
- Station 117 roof replacement
- Station 106 dorm refurbishment
- Station 24 shower room addition
- Apparatus bay cooling replacements (Stations 31 and 27)
- HQ heater replacement and HVAC software upgrade
- HQ window re-sealing and landscape drainage improvement
- Installation of vehicle charging station at HQ
- Installation of Legacy Wall at HQ

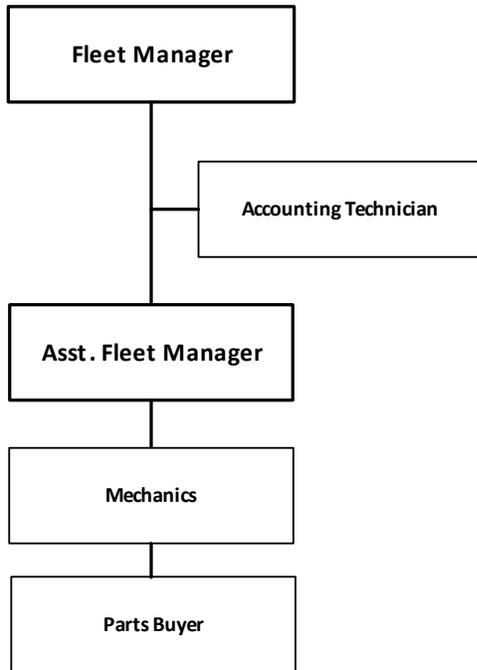

BUDGET DISCUSSION:

Funding for the FY2020/21 budget is requested to continue providing routine maintenance, repairs, and replacements, as well as emergency service to support the operation of the plumbing, electrical, mechanical, and structural systems for District properties. Additionally, funding is requested for projects including multi-site security enhancements, Phase Two of the multi-station flooring replacement project, and various interior and exterior refurbishment projects in order to keep District properties functionally efficient to support the ongoing operational needs of the District.

GOALS FOR UPCOMING YEARS:

- Continuing multi-station flooring replacement projects, station security enhancements, and restroom compliance
- Addressing needs identified in Facility Condition Assessment
- Supporting projects identified in Capital Improvement Plan

STAFFING:

Fleet Manager	1
Assistant Fleet Manager	1
Mechanics	11
Parts Buyer	1
Accounting Technician	<u>1</u>
	<u>15</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 2,288,460	\$ 2,413,204	\$ -	\$ 5,353,736	\$ 10,055,400	3.9%

Fleet Maintenance Division's primary mission is to support District operational readiness by maintaining 360 vehicles and apparatus in safe, effective, and reliable working order. This is achieved through comprehensive fleet management practices including acquisition, inspection, maintenance, repair, testing, recordkeeping, and disposition of equipment. The Division monitors and maintains a daily pre-trip inspection program for all line vehicles, assessing reported defects and assigning them as immediate need, mobile field repair, or deferral to full service. Additionally, Fleet Maintenance staff provides vehicle familiarization and usage training, manages apparatus specification development while ensuring compliance with all applicable state, local and federal laws and regulations, and serves on several of the District's oversight teams.

FY2019/20 ACCOMPLISHMENTS:

- Increased the volume of full services and decreased the intervals between services.
- Implemented phase II (parts rooms) of the Operative IQ Fleet Software system.
- Ordered the following vehicles: Air Unit, Ambulances (3), Type I Engines (2), Battalion Chief Pick-ups (2), Fleet Service Truck, Administration SUV, Arson SUV, EMS 24 SUV, Logistics Van, and Water Tenders (2).
- Purchased new tools to be able to repair more failures in-house.
- Provided 24-hour mobile response services.
- Provided apparatus training to new SRPP employees, Recruit Firefighters, and current line personnel.

BUDGET DISCUSSION:

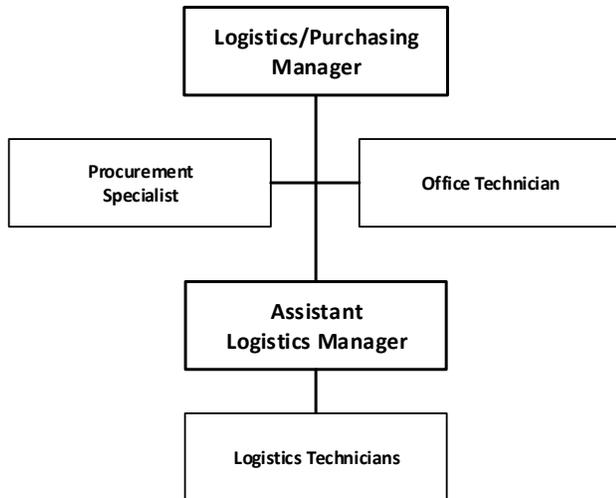

Fleet Maintenance Division's projected budget includes adjustments that are necessary to run day-to-day operations. The budget reflects increases to the service and parts lines to cover our increased work throughput and increased parts costs. This fiscal year, funds have again been allocated to repair some of the existing equipment in the Fleet facility. Additionally, the equipment and training budget for Fleet's personnel has been prioritized to give our Mechanics the tools and education they need to keep up with ever changing diesel engine technology. This will result in continued cost savings by reducing the number of repairs that are being outsourced, increasing efficiency, and decreasing the down time of our vehicles and apparatus.

GOALS FOR UPCOMING YEARS:

- Implement the pre-trip portion of the Operative IQ software program.
- Reduce the number of fire apparatus that are outsourced for repairs by providing factory training and tools to our Mechanics.
- Reestablish the ranks of Shop Assistant and Master Mechanic to make the division more efficient.
- Reopen a southern satellite shop at Station 50.

LOGISTICS/PURCHASING

STAFFING:

Logistics/Purchasing Manager	1
Assistant Logistics Manager	1
Logistics Technicians	7
Procurement Specialist	1
Office Technician	<u>1</u>
	<u><u>11</u></u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2020/21	\$ 1,056,891	\$ 1,659,550	\$ 50,000	\$ -	\$ 2,766,441	1.1%

LOGISTICS/PURCHASING

Logistics is the central hub of warehouse operations for all District supplies and equipment. Our inventory supplies all 41 fire stations, Armstrong Headquarters, Fleet Division, Communication Division, and the Logistics/Training Facility. Deliveries of all inter-office mail is routed to all of these locations daily. While performing this task, we are able to deliver custodial supplies, office supplies, fire suppression equipment, oxygen tanks and EMS supplies for medics, and replenish SCBA bottles. Logistics keeps the District in compliance with NFPA standards by regularly testing ladders and hoses, and doing regular cleaning, inspection, and maintenance of turnouts. Logistics administers the District's Hazardous Materials Plans and submits all required documentation and information to the County of Sacramento Environmental Management Department. Logistics is responsible for coordinating the repairs on fire station appliances and purchases replacement appliances when needed. Finally, Logistics supports numerous District functions and training operations by delivering supplies and equipment.

The Purchasing Manager and Procurement Specialist are responsible for administering the Districts Purchasing Policy. We review all purchase requisitions for correct budget expenditure and issue purchase orders for all requests over \$1,000. Staff works with budget officers for the procurement of services and supplies over \$45,000 up to \$100,000 requiring bid documentation. We review documents and offer advice for sourcing and cost savings. Purchasing handles all formal bids for the procurement of services and supplies over \$100,000, working with budget officers to develop scopes of work and publishing all formal bid documents. We facilitate bid openings and bid/proposal evaluations. Our division maintains vendor information in the District's financial system. We upkeep insurance documentation for all vendors doing business with the District. Purchasing is the repository of all District contracts and agreements. Contract terms and pricing are routinely reviewed for invoice accuracy. Notifications regarding expiration dates will be sent to staff for contract renewals.

FY2019/20 ACCOMPLISHMENTS:

- With the implementation of Operative IQ at the stations, Logistics is able to track every item that is ordered by a station, and now is capturing a history of all orders. This created an efficiency in the ordering process where we now know the part numbers of all items that a station orders.
- Continuing to manage the ladder testing, hose testing and PPE cleaning processes mandated by NFPA.

BUDGET DISCUSSION:

The Logistics budget is a direct reflection of District needs requested by all divisions. The Logistics and Purchasing Division continues to seek value through cost savings research.

GOALS FOR UPCOMING YEARS:

- Continue to organize the logistics warehouse ordering, receiving and storing of goods.
- Continue to find ways to deliver professional service to the District and all its programs.

GLOSSARY OF BUDGET TERMS

Accrual Basis of Accounting – The accounting basis used by the District under which transactions are recognized when they occur, regardless of the timing of cash receipts and disbursements.

Appropriation – Authorization by the Board of Directors to expend money for the purpose outlined in the budget.

Bond – An interest-bearing promise to pay a stipulated sum of money, with the principal amount due on a specific date. Funds raised through the sale of bonds can be used for various public purposes.

Branch – Organizational grouping of divisions. The District's branches include Administration, Office of the Fire Chief, Operations, and Support Services.

Budget – A financial plan for a specific period of time, which includes appropriations and revenues.

Capital Assets – Land, buildings, equipment, and other related improvements with an individual cost of \$5,000 or more and a useful life of at least one year.

Capital Outlay – Expenditures to acquire items or construct improvements meeting the District's Capital Asset criteria.

Debt Service – The combination of interest expense and principal payments due for the repayment of bonds, capital leases, and other debt instruments.

Deployment – The assignment of District personnel and equipment to fight wildfires or respond to other disasters outside of Sacramento County, for which the District receives reimbursement from the State or federal government.

Division – Organizational unit responsible for a specific function.

Encumbrance – The designation of appropriated funds to buy a good or service. Future expenditures may require that funds be set aside or committed. This commitment of funds is considered an encumbrance.

Expenditure – An amount of money disbursed or obligated for the purpose of acquiring a good or service. Expenditures include operating expenses, debt service, and capital outlay.

Fiscal Year – A 12-month timeframe designated as the operating year. For the District, the fiscal year is July 1st to June 30th.

Grant – A contribution by a government or other organization to provide funding for a specific project.

Ground Emergency Medical Transport (GEMT) Program – A program administered by the State of California that provides supplemental federal funding for emergency medical services provided to Medi-Cal beneficiaries that do not participate in a managed care plan.

GLOSSARY OF BUDGET TERMS

Labor Costs – Expenditures for salaries, other wages, and benefits paid to or for employees of the District.

Medic Cost Recovery – Revenues received by the District for emergency medical services provided.

Medic-Cal – California’s Medicaid health care program.

Medicaid – A public health insurance program in the United States that provides health care coverage to low-income families or individuals. Medicaid is administered by states, according to federal requirements, and is funded jointly by states and the federal government.

Policy – Statement of principle or of guiding actions that imply clear commitment.

Property Taxes – Tax revenues received based on the assessed value of real property within the District.

Rate Range Intergovernmental Transfer (IGT) Program – A program administered by the State of California that provides supplemental federal funding for emergency medical services provided to Medi-Cal beneficiaries that participating in a managed care plan.

Reserve – Amount in a fund used to meet cash requirements, emergency expenditures or other future defined requirements.

Resolution – A special or temporary order of a legislative body requiring less formality than a statute or ordinance.

Revenues – Income received to finance the operations of the District.

Services and Supplies – Operating expenditures for the purchase of non-capital goods and services not provided by District employees.

Special District – Independent unit of local government organized to perform a specific function.

RESOLUTION NO. 2020-048

BEFORE THE GOVERNING BOARD OF THE SACRAMENTO METROPOLITAN FIRE DISTRICT

County of Sacramento, State of California

RESOLUTION ADOPTING THE FISCAL YEAR 2020/21 APPROPRIATIONS LIMIT SCHEDULE

WHEREAS, the voters of the State of California on November 6, 1979 added Article XIII B to the State Constitution placing various limitations on the appropriations of state and local governments; and

WHEREAS, Article XIII B provides that the Appropriations Limit for Fiscal Year 2020/21 is calculated by adjusting the base year appropriations limit of Fiscal Year 2019/20 for changes in the per capita income and regional population factors prepared by the State of California's Office of the Department of Finance, calculations of which are provided in the attached Board Report and, by this reference, incorporated herein; and

WHEREAS, the District has complied with the provisions of Article XIII B of the State Constitution and Section 7900 et seq. of the Government Code in determining the appropriations limit for the earliest affected Fiscal Year 1978/79;

NOW, THEREFORE, the Board of Directors hereby establishes that the Appropriations Limit for Fiscal Year 2020/21 shall be \$371,524,949.

PASSED AND APPROVED this 10th day of September, 2020, by the following vote to wit:

AYES: Clark, Goold, Jones, Kelly, Orzalli, Saylor, Sheetz, Wood
