

Car Seat Resources in the Sacramento Area

The agencies below help parents and caregivers with installing child safety seats correctly. Some agencies may provide low-cost seats to families who qualify.

Updated January 2022

Car Seat Classes

Agencies below offer car seat classes by appointment only. Call for more information.

Safe Kids/Dignity Health: Provides a low-cost car seat program available for low-income families with proof of assistance. The program includes online car seat education training and in-person appointments to show installation. Also offers in-person and virtual child safety seat checks. Child Safety Seat Checks appointments can be scheduled on the website: Safekidsacramento.org

Call for more information:
English (916) 864-5779

California Car Seat Law

Effective January 1, 2017: Children under 2 years of age must ride in a rear-facing car seat unless the child weighs 40 or more pounds OR is 40 or more inches tall. Children under the age of 8 must be secured in a car seat or booster seat in the back seat. Children who are 8 years of age OR have reached 4'9" in height must be secured by a safety belt. Passengers who are 16 years of age and over are subject to California's Mandatory Seat Belt law.
