ADAM A. HOUSE
Fire Chief

June 13, 2024

TO: Board of Directors, Sacramento Metropolitan Fire District

FROM: Adam House, Fire Chief

RE: Preliminary Budget for the Fiscal Year Ending June 30, 2025

BUDGET SUMMARY

On behalf of the men and women of the Sacramento Metropolitan Fire District, I am pleased to present this Fiscal Year (FY) 2024/25 Preliminary Budget report. In this report I will describe the expected fiscal condition through June 30, 2025, and identify external and structural risks to the District's long-term fiscal health.

The District's fiscal condition will diminish in FY 2024/25 relative to the prior fiscal year, with General Fund expenditures and transfers out exceeding revenues and transfers in by \$6.8 million. This trend was largely anticipated: the long-term General Fund forecast included in the prior fiscal year projected a reserve transfer of \$5.2 million General Fund in FY 2024/25, mainly due to growing labor costs coupled with slowing property tax growth.

A combination of persistently high inflation and five deferred interest rate cuts (which would spur home sale activity) are negatively affecting the District's bottom line. While property tax growth continues, it's at a rate 30-40% less than recent years. Metro Fire is not alone in encountering stiff economic headwinds: the City of Sacramento and the State of California are facing budget deficits of \$66 million and \$70 billion, respectively.

Projected expenses are expected to continue a multiyear climb, with modest increases in FY 2024/25. Expenditures from all funds are expected to increase 4 percent from FY 2023/24 to FY 2024/25, and a large infrastructure project list will not be fully addressed. The infrastructure need includes a capital projects list of nearly \$202 million and documented a deferred maintenance backlog of more than \$80 million. Annual retirement-related expenses have grown rapidly as well: 49 percent over the last five years, with a 14 percent spike in FY 2024/25.

The District's main revenue source, property tax, is expected to continue to grow, and the Public Provider Ground Emergency Medical Transport (PPGEMT) program will provide substantial ongoing revenues to the District.

The proposed budget meets service level needs and fully funds positions, with funding for four training academies: two firefighter academies and two Metro Medic Program academies. The

District is sufficiently funded for current spending levels, but lacks the financial resources to address long-term liabilities and capital priorities.

Consistent with regional and statewide economic trends, the District faces more years with modest revenue growth. Property tax revenue growth is expected to continue at a slower rate than FY 2023/24 due to lower home sale volumes. Those impacts are seen in FY 2024/25 with 3.7 percent property tax revenue growth, nearly 2 percent lower than FY 2023/24, and long-term projections are at or below 4 percent through FY 2028/29. The cost of goods is another persistent challenge for the District, with lingering slowdowns in vehicle supply chains and inflationary pressures on supplies, ranging from fuel to electronics.

The FY 2024/25 Preliminary Budget includes a \$51.2 million investment as part of a five-year Capital Improvement Program (CIP) Plan, the District's third CIP Plan. The District's CIP developed in accordance with the CIP Policy approved by the Board of Directors in February 2022 and followed a detailed process of evaluation and comparison to reach a final selection of 27 projects.

With the Board of Directors' approval of this FY 2024/25 Preliminary Budget plan, the District's focus will be achieving planned service levels using all available sources of funding; ensuring ongoing all-risk fire, rescue and emergency medical needs of the District are met; and building necessary reserves for fiscal contingencies.

BUDGET DISCUSSION

The FY 2024/25 Preliminary Budget is described below by all funds and individual funds, followed by a district budget comparison and risks and issues.

ALL FUNDS

The Preliminary Budget includes appropriated expenditures from all seven funds of \$374.0 million and revenues of \$322.1 million, with the difference closed by capital financing and fund balance transfers.

Property taxes are expected to yield the majority of District revenues, about 65 percent. Based on estimated property values as of July 1, 2024, assessed property value growth will yield a \$7.5 million increase in property tax revenues from FY 2023/24 to FY 2024/25. The District's second largest revenue source is charges for services (e.g., emergency medical services, plan inspections), which at \$103.3 million comprises 32 percent of all District revenues in FY 2024/25.

Labor costs will make up 69.4 percent of all District expenses across all funds, at \$259.4 million, followed by services and supplies (14.8 percent, \$55.1 million), capital outlay (13.1 percent, \$49.1 million), and taxes and fees (2.8 percent, \$10.3 million).

GENERAL FUND

The FY 2024/25 Preliminary Budget includes \$280.8 million in General Fund revenues, a \$8.6 million (3.2 percent) increase relative to FY 2023/24, and \$304.4 million in expenditures, a \$17.2 million (6.0 percent) increase in expenditures.

After accounting for a transfer in from the Intergovernmental Transfer (IGT) Fund of \$22.8 million and transfers out to the Capital Facilities and Grants Funds of \$6.0 million, the FY 2024/25 General Fund budget results in revenues and financing sources approximately \$6.8 million less than expenditures. This shortfall will be covered by a reduction to the General Fund reserve.

General Fund Revenue

Major General Fund revenue sources and trends are described below. Including the \$22.8 million transfer in from the IGT Fund, total General Fund financing sources are projected to reach \$303.7 million.

The chart below shows historical General Fund revenues and other financing sources since FY 2013/14. Fiscal Year 2024/25 is expected to yield the twelfth consecutive year of property tax revenue growth and fourteenth consecutive year of total revenue growth.

The primary factors contributing to this revenue increase in FY 2024/25 are:

Property Taxes

Estimated FY 2024/25 property tax revenues of \$210.4 million account for approximately 75 percent of total General Fund revenue sources excluding transfers. Property tax revenues are expected to grow 3.7 percent over FY 2023/24.

Medic and CRRD Cost Recovery

Medic cost (EMS) income of \$49.7 million represent an increase of approximately 4.9 percent over the FY 2023/24 Midyear Budget estimate of \$47.4 million. The expected increase is a result of modest growth in ambulance transport activity and CPI adjustment.

The FY 2024/25 Preliminary Budget reflects Community Risk Reduction Division fees, including operational permits, plan reviews, new construction inspections, general fire and life safety inspections, and other miscellaneous services, which are expected to generate \$4.8 million in FY 2024/25.

General Fund Expenditures

General Fund expenditures of \$304.5 million represent a \$17.2 million increase over FY 2023/24 expenditures. Including the \$6.0 million in transfers to other funds, overall General Fund expenditures reach \$310.5 million.

Labor

The District’s labor costs, which includes all compensation, benefits, and medical costs, total \$257.8 million, a \$15.6 million (6.5 percent) increase relative to FY 2023/24.

The following table displays the growth of labor costs as a share of General Fund revenues and transfers in since FY 2017/18. Labor costs will increase as a share of General Fund revenues—including net transfers from the IGT fund—from 81.7 percent in FY 2023/24 to 84.9 percent in FY 2024/25.

COMPENSATION

The largest factor contributing to the increase in General Fund labor expenses is wages, which are expected to grow by nearly \$8.8 million (11.4 percent) above FY 2023/24 wages, mainly due to the addition of new staff through academies, the expiration of the SAFER grant, and wage growth.

The second greatest compensation cost is constant staffing, which at \$26.4 million is not largely changed from the FY 2023/24 Midyear figure. Notwithstanding the filling of almost all suppression positions, which typically reduces overtime costs, constant staffing is expected to remain high due to continued elevated use of leaves of all kinds, including workers’ compensation, vacation, and sick leave.

The following table compares staffing levels, by division, between FY 2023/24 and FY 2024/25.

FY 2023/24 and FY 2024/25 Position Summary

A detailed presentation by division, unit, and position can be found in the “Personnel” section of this report.

BENEFITS

In FY 2024/25 retirement benefits, including CalPERS retirement costs, pension bond payments, and residual payments to the Sacramento County Employees’ Retirement System will increase by \$5.9 million (8.9 percent) from FY 2023/24 to \$72.1 million.

Payments for the CalPERS Safety Plan will increase by \$7.2 million (14.0 percent) relative to FY 2023/24, to approximately \$58.6 million. This increase is mainly attributable to increases in the required unfunded liability contribution and incorporates the substantial market losses reported by PERS in July 2022 (approximately \$5.5 million), and the cost of additional employees (\$1.5 million).

Medical benefit expenses, including employee and retiree medical care, vision, and dental, are collectively expected to increase 6.9 percent relative to FY 2023/24, from \$33.6 million to \$35.8 million.

Workers' compensation claim costs are anticipated to decline relative to the Midyear Budget. Based on recent cost trends, budgeted expenditures are \$4.3 million, a 32.5 percent decline from FY 2023/24 Midyear Budget. If needed, unanticipated settlement costs may be paid from the Workers' Compensation Reserve Fund or redirection of other funds.

Services and Supplies

The General Fund services and supplies budget totals \$42.3 million, a \$850,000 (2.0 percent) increase from the prior year. Changes from FY 2023/24 include:

- \$596,000 increase for the District's liability and property insurance premiums
- \$344,000 increase in fire equipment servicing
- \$418,000 increase in Dispatch services, mainly related to a new contract for Dispatch employees.
- \$606,000 decrease in medical equipment servicing, mainly related to the prior year replacement of gurneys and power loader equipment.

Taxes, Licenses, Assessments, Debt Service & Contributions

This expenditure category includes the assessment paid to the County for property tax administration and General Fund debt service payments and other assessments and fees. FY 2024/25 expenditures for this category are budgeted at \$4.4 million, a \$731,000 increase relative to FY 2023/24, mainly due to increased contributions towards a new county-wide property tax system.

General Fund Reserves

The amount of General Fund Reserves is expected to be \$34.7 million on June 30, 2025. As a percentage of net budgeted expenditures, this represents a 11.3 percent reserve. This reserve amount is a \$6.8 million decline from the FY 2023/24 reserve and reflects a forecasted reserve decline: the FY 2023/24 Final Budget forecast a FY 2024/25 reserve half a percent higher, at 11.8 percent. The reserve decline is mainly attributable to slowing property tax growth, employee contract commitments, and financial market conditions. The reserve calculation will be updated in the FY 2024/25 Final Budget, and any new General Fund revenues or cost savings recognized from FY 2023/24 will improve the District's reserve level.

As specified in the District's reserve policy, any unassigned fund balance remaining at fiscal year-end will be classified as General Fund reserves and included in the reserve amount.

General Fund Forecast

The following table provides an updated five-year forecast (FY 2024/25 + four fiscal years) of General Fund revenues, expenditures, and transfers. This forecast is intended to be used to inform decisions that would commit the District to new expenditures over the life of the forecast. Incorporated into this forecast are all known revenue trends (e.g., property tax, EMS revenues, and transfers in), and expenditure trends (e.g., health care expense, retirement, wages, benefits, services and supplies). The District relies on HdL Coren and Cone, a property tax consultant to local agencies across California, to estimate property tax trends.

As shown below, over this period the District’s total General Fund revenues are expected to grow slowly over the five-year forecast, averaging approximately 3.4 percent, with transfers in providing additional and slow-growing financial support. Expenditures are expected to increase at approximately 3.5 percent over the forecast using an assumption of three percent annual compensation growth beginning in FY 2025/26. In FY 2024/25 reserves are projected to reach a low of 11.3 percent before slowly climbing to 14.7 percent in FY 2028/29, assuming no other substantial and unanticipated revenue losses or increases to the District’s budget.

GENERAL FUND FORECAST, FY 2024/25 - FY 2028/29

GENERAL FUND RESERVE RATIO	11.3%	11.4%	12.3%	13.5%	14.7%	

INTERGOVERNMENTAL TRANSFER (IGT) FUND

The District receives Intergovernmental Transfers (IGTs) through the State of California to recover costs associated with the District’s transport of the uninsured and Medi-Cal managed care program beneficiaries. There are now two IGT programs where the State uses medical transport provider funds to secure matching federal funds targeted for recovering these types of patient transports. The two IGT programs are the Voluntary Rate Range Program (VRRP), which funds services for Medi-Cal patients and the uninsured, and the Public Provider Ground Emergency Medical Transport (PPGEMT) program, which provides partial reimbursement for the transport of mainly State Medi-Cal program beneficiaries.

The expenditures and revenues associated with these programs are tracked in a separate fund in order to provide greater transparency, and the net revenue generated is transferred to the General Fund to fund District costs to provide healthcare-related services.

It is anticipated that VRRP payments covering activity between January and December 2022 will be paid during FY 2024/25. A total of \$5.8 million is expected to be transferred to the State in order to receive approximately \$14.8 million, a net VRRP (i.e., IGT Fund) revenue of \$9.0 million.

The PPGEMT program was established by AB 1705 (Bonta, 2019) and became effective on January 1, 2023. Revenues from the new PPGEMT program in FY 2024/25 are expected to reach \$20.0 million, which are offset by a \$6.2 million PPGEMT payment to the State, for a net revenue gain of \$13.8 million.

CAPITAL FACILITIES FUND

The Capital Facilities Fund accounts for the costs of acquiring and financing capital assets, defined as assets with an individual cost of \$5,000 or more and a useful life of at least one year. Capital expenditures include the cost of land, buildings, equipment, and other related improvements. Capital assets are typically funded by transfers from the General Fund, issuance of capital leases, and occasional sale of District assets.

Budgeted expenditures for FY 2024/25 total \$25.6 million from the Capital Facilities Fund. A total of \$19.9 million is allocated for capital outlay, including \$14.7 million in projects financed through capital leases and \$5.7 million transfer from the General Fund for capital expenditures and debt service payments.

A large portion of capital projects are also captured under the District's Capital Improvement Program (CIP) Plan budget, which covers capital asset projects valued over \$50,000. The District's CIP plan covers fiscal years 2024/25 through 2028/29. Divisions are invited each spring to submit projects for the CIP and projects are then selected for the CIP by reviewing project initiation forms, which are then ranked by an executive scoring team. The Board conducts a final project review and makes a final selection based on funds available.

Major capital outlay purchases planned for FY 2024/25 include:

- Ladder truck replacement, \$1.7 million
- Four new ambulance replacements, \$1.2 million
- Five Type I engine replacements: \$5.4 million
- Four Type III engine replacements: 2.2 million
- Technology storage appliance replacements, \$415,000

GRANTS FUND

The FY 2024/25 Preliminary Budget anticipates Grants Fund revenues of \$2.0 million and expenditures of \$1.8 million, with \$1.6 million of that spending related to the final funding for the Staffing for Adequate Fire and Emergency Response (SAFER) grant program. When those funds expire the 21 positions funded under SAFER will be funded from the General Fund. As additional

grants are awarded and accepted, grant revenues and expenditures will be reflected through budget revisions.

DEVELOPMENT IMPACT FEES FUND

Annual development impact fee (DIF) revenue of \$3.0 million is budgeted for FY 2024/25. DIF revenue is restricted to costs related to new fire stations and equipment needed to mitigate the impacts of new development. During FY 2024/25, the District expects to combine DIF with existing fund balances and \$2.7 million in capital lease revenue to expend \$15.2 million for the preliminary phases of construction for a new Vineyard Springs fire station and land acquisition for a new Grant Line 220 fire station.

LEASED PROPERTIES FUND

The District leases property not required for current operations and accounts for the revenues and expenditures associated with leased property in the Leased Properties Fund. Total lease revenue for FY 2024/25 is expected to be \$1.2 million and expenses associated with the leased property are anticipated to be \$783,000. The Leased Properties Fund is expected to gain \$400,000 and end the fiscal year with a balance of \$1.9 million.

DISTRICT COMPARISON

The District is the seventh-largest local fire agency in California and, as a special district commissioned mainly to provide fire suppression and emergency transport for 16 communities and 2 counties, has few comparable fire service agencies. One comparative model is the Orange County Fire Authority (OCFA), which serves 24 communities and 1.89 million persons across 587 square miles, compared to the District's 720,000 persons across 359 square miles.

The most recent adopted OCFA budget for FY 2023/24 shows the total OCFA General Operating Fund budget to be \$494.0 million, compared to District's \$287.2 million General Fund budget over the same period. On a per capita basis, the OCFA general operating budget equates to a \$261, compared to \$392 for the District, a difference of \$131.

District revenue sources are somewhat similar to OCFA. Property taxes made up 75 percent of District revenues in FY 2022/23, compared to 63 percent for the OCFA. Charges for services made up 21.6 percent of total District revenues in FY 2022/23, compared to 22.8 percent for the OCFA.

RISKS AND ISSUES

Through financial planning and forecasting the District has identified risks and issues that must be addressed to ensure the District's long-term fiscal health. As explained below, the Preliminary Budget for FY 2024/25 reflects continued focus on addressing the risks and issues.

Unfunded Liabilities for Pensions and Other Post-Employment Benefits (OPEB)

The FY 2024/25 budget reflects an increase of \$7.6 million (8.4 percent) to CalPERS to fund the District's Safety and Miscellaneous pension plans. CalPERS' poor market performance in the 2021/22 plan year resulted in this sizeable contribution increase. However, market performance improved the following year, suggesting smaller contribution increases to come in FY 2025/26.

The FY 2024/25 budget also reflects a \$4.0 million payment to the Sacramento County Employees' Retirement System in accordance with a funding agreement to address the unfunded pension liability associated with a predecessor fire agency. Under this agreement, the District will make annual payments through approximately FY 2036/37, depending on actuarial adjustments.

The District has been pre-funding its OPEB retiree medical obligations since 2013 and the FY 2024/25 budget reflects contributions of \$4.2 million, about \$100,000 less than the FY 2023/24 contribution. This contribution will fund the explicit subsidy liability, budgeted as a combination of retiree medical premium payments and contributions to the California Employers' Retiree Benefit Trust (CERBT) Fund. After eleven years the unfunded liability is approximately 26 percent funded.

Unfunded Capital Projects and Vehicle Replacements and Maintenance

Capital project needs far exceed current and forecasted District revenues. The District's latest CIP Plan identifies approximately \$202 million in capital projects. Additionally, the District's most recent Facility Condition Assessment identified the need for over \$80 million of repairs to existing fire stations and facilities over the next 20 years, as well as approximately \$50 million of modernization costs for these facilities. With information gleaned from the CIP Plan, the District will prioritize projects and consider financing tools such as long-term financing and new revenue options.

As new development occurs within the District boundaries, costs associated with constructing, equipping, and supporting new fire stations will also grow. FY 2024/25 capital outlay spending also includes \$12.5 million associated with the construction of a new Vineyard Springs Station and land acquisition for a Grant Line 220 station.

Finally, while the FY 2024/25 budget includes \$18.0 million for the replacement of apparatus and other vehicles, anticipated station growth and anticipated replacement timelines, coupled with rising costs and multi-year procurement schedules, suggest that vehicle replacement will be a growing financial concern.

Uncertainty in the Federal Emergency Medical Transport Revenue Programs

Through the two IGT programs, PPGEMT and VRRP, the District will receive additional federal funding netting approximately \$22.8 million for transporting Medi-Cal managed care beneficiaries and the uninsured. Revenues from the PPGEMT program appear to be reaching a consistent monthly pace, but the timing to recover approximately \$3 million in overdue payments remains uncertain.

The VRRP program is dependent on health provider participation who may opt out at any time (one of the five providers opted out of the program for FY 2024/25). Additionally, the VRRP continues to operate without statutory direction and the State of California may also opt to end

participation, eliminating a critical \$9 million net annual revenue source. The District will identify ways to allocate VRRP revenues to one-time costs rather than ongoing expenses.

RECOMMENDATION

Staff's recommendation to the Board of Directors is to approve the FY 2024/25 Preliminary Budget and the resolutions directing its implementation.

Adam A. House

Fire Chief Adam A. House was sworn in as Sacramento Metropolitan Fire District's seventh Fire Chief on August 10, 2023. He holds the distinction of being the first Fire Chief to serve continuously as a member of Metro Fire since its inception in 2000.

Chief House has accumulated an impressive 36-year tenure in public service, which includes four years in the United States Army as a Firefighter. Following active duty, he continued his fire service career in 1991 as a Firefighter in Yuma, Arizona, and eventually promoted to the rank of Captain. In 2000, he joined Metro Fire, ascending the ranks from Firefighter to Captain, Battalion Chief, and ultimately Assistant Chief. He was instrumental in establishing the Metro Fire Special Operations Division, specifically the Type 1 Hazardous Materials program, where he served as the initial Program Manager. Furthermore, Chief House has played pivotal roles in Firefighter recruitment, and the Fire Academy where he served as a Drill Master.

As a Chief Officer at Metro Fire, Chief House served as the Division Manager within the Training, Health & Safety Division with direct oversight of the Training Academy, task level and promotional opportunities and training, special operations training, and the physical and mental wellbeing of the membership. Additionally, he contributed as a member of the FEMA Urban Search & Rescue Task Force 7, California Governor's Office of Emergency Services (CAL OES) Task Force 9, and the Type 3 Sacramento Regional Incident Management Team (SRIMT), deploying numerous times to major devastating incidents throughout California.

A Sacramento area native, Chief House proudly graduated from Cordova High School in 1987, and currently resides within the community of Sloughouse. He met his wife Gia in middle school, and they recently celebrated 30 years of marriage together. They are proud parents of two grown children, their son Joshua and daughter Taylor.

DISTRICT HISTORY & BACKGROUND

On September 25, 1999 by unanimous vote, the Board of Directors of the American River Fire Protection District adopted an application for reorganization resolution with the Sacramento County Fire Protection District. On September 23, 1999, the Board of Directors of Sacramento County Fire Protection District adopted the application for reorganization with the American River Fire Protection District. The adoptions of these resolutions officially called for the reorganization of both districts, which occurred on December 1, 2000.

The administration and membership of the Sacramento Metropolitan Fire District (District) recognize the contribution and rich history of its predecessor districts. There are 16 prior fire districts represented in the Metro Fire organization. The predecessor fire districts include:

<u>Arcade</u>	01/26/42 to 06/30/86	<u>McClellan Field</u>	1937 to 04/01/01
<u>Arden</u>	01/04/43 to 07/31/83	<u>Michigan Bar</u>	01/01/43 to 11/09/47
<u>Carmichael</u>	01/30/42 to 07/31/83	<u>Mills</u>	06/08/22 to 11/01/59
<u>Citrus Heights</u>	12/31/33 to 06/30/89	<u>North Highlands</u>	09/24/51 to 06/02/84
<u>Elverta</u>	10/22/25 to 12/31/86	<u>Orangevale</u>	03/02/36 to 12/01/45
<u>Fair Oaks</u>	03/27/28 to 11/02/93	<u>Rancho Cordova</u>	11/02/59 to 06/30/89
<u>Florin</u>	01/26/42 to 06/30/97	<u>Rio Linda</u>	06/23/23 to 12/31/86
<u>Mather Field</u>	1918 to 09/03/93	<u>Sloughouse</u>	11/10/47 to 06/30/90

Sacramento Metropolitan Fire District is the largest district in the County of Sacramento and the seventh largest local fire agency in the State of California, with more than 700 employees. The District is overseen by a nine-member board of directors, with each director representing approximately one-ninth of District constituents. The District service area now encompasses 359 square miles, covering portions of Sacramento Placer counties.

The Sacramento region served by the District offers ample recreational and community amenities. The area enjoys exceptional weather all-year round, making it a place for residents and visitors alike to enjoy boating, fishing, picnic sites, golfing, and many other outdoor recreational activities. With a strong farm-to-fork ethos and ample agricultural production nearby, the area offers exceptional quality and variety of cuisine, wines, and beers. Sacramento is close to many world-famous attractions, too: less than 90 minutes from either the San Francisco Bay Area and Napa Valley, or Lake Tahoe and the northern Sierra Nevada Mountains.

As the capital of the nation's most populous state, the Sacramento area is a political center and center of academia. The area includes California State University, Sacramento, and the University of California, Davis.

Celebrated annual cultural events include the California State Fair, Sacramento Music Festival, Aftershock Music Festival, California Capital Airshow, and the Great American Triathlon, part of the longest-running triathlon in America. The area also offers a renowned 15,000-acre Regional Park system featuring several parks, hiking trails, and bikeways.

A firefighter in full yellow protective gear, including a helmet and a large black air tank on their back, is shown from the side, spraying a powerful stream of water onto a large fire burning in a field of dry grass. The fire is bright orange and yellow, with thick white smoke rising from it. The background consists of a line of green trees under a clear blue sky with a few wispy clouds. The overall scene is one of active firefighting in a natural setting.

BUDGETARY AND FINANCIAL FRAMEWORK

BUDGETARY AND FINANCIAL FRAMEWORK

BUDGETARY FUND STRUCTURE

The FY 2024/25 Preliminary Budget includes appropriations for the following District budgetary funds:

- General Fund
- Capital Facilities Fund
- Leased Properties Fund
- Grants Fund
- Development Impact Fees Fund
- Intergovernmental Transfer (IGT) Fund
- Special Projects Fund

For purposes of the District's financial statements, activities of the IGT Fund and Leased Properties Fund are combined with those of the General Fund.

FUND DESCRIPTIONS

The *General Fund* is the general operating fund of the District. It is used to account for all financial resources except those required or designated by the Board of Directors to be accounted for in another fund.

The *Capital Facilities Fund* is a capital projects fund used to account for the acquisition and construction of the District's capital assets. It is primarily funded by capital lease financing and general fund operating transfers.

The District leases property not required for current operations and accounts for the revenues and expenditures associated with leased property in the *Leased Properties Fund*.

The *Grants Fund* is a special revenue fund used to account for the proceeds of federal and state grants that are legally restricted to expenditures for specific purposes.

The *Development Impact Fees Fund* is a capital projects fund used to account for all resources received from development impact fees. It is used for the construction or acquisition of future fire stations and acquisition of apparatus to serve new developments.

The *Intergovernmental Transfer (IGT) Fund* is used to account for the revenues and expenses associated with the District's participation in Medi-Cal IGTs.

The *Special Projects Fund* was established to sequester funds allocated by the State of California in 2022 for the construction of the Zinfandel Training Facility.

FUND AND DIVISION RELATIONSHIPS AND INTERFUND TRANSFERS

The district's operating budget covers several governmental funds, including the General Fund which is the district's main operating fund. The General Fund's relationship with other funds is summarized below:

- Capital Facilities Fund - this fund's main funding source comes from financing revenues and any deficiency is covered by operating transfers from the General Fund.
- Grants Fund - main funding source are federal grants with General Fund providing matching operating transfers as required.

BUDGETARY AND FINANCIAL FRAMEWORK

- The IGT Fund - captures all revenues and expenditures from the IGT and PP-GEMT Programs and any excess of revenues over expenditures are transferred to the General Fund to offset the General Fund cost of providing health care services.
- The Leased Properties Fund, Development Impact Funds, and Special Projects Funds were designed to operate independently, with little or no funding from the General Fund.

The District's Capital Improvement Plan (CIP) budget derives its funding from the General Fund, the Capital Facilities Fund and the Development Impact Fee Fund.

The table below is provided in order to graphically depict the department and fund relationships within the organization. The General Fund is monitored by all staff and provides the main funding source for each Division's operating costs. All other funds are monitored by one or more divisions, as shown below.

FUND	DIVISIONS RESPONSIBLE
General fund	All divisions
Capital Facilities Fund	Finance, Economic Development, Facilities, Fleet
Leased Properties Fund	Economic Development, Facilities
Grants Fund	Finance, Economic Development
Development impact Fees Fund	Finance, Economic Development
Intergovernmental Transfers Fund	Finance, Emergency Medical Services
Special Projects Fund	Economic Development, Training
Pension Obligation Bond Fund	Finance

BASIS OF BUDGETING

The modified accrual basis of budgeting is used for all funds. This basis is the same as the modified accrual basis of accounting used in the District's audited governmental fund financial statements. Under this basis, revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers all revenues, except property taxes, to be available if they are collected within 90 days of the end of the current fiscal period.

Property taxes are recognized if received within 60 days of the end of the current fiscal period. Property taxes, charges for services, intergovernmental revenues, rental income, and investment earnings associated with the current fiscal period are all considered to be susceptible to accrual.

Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is received during the period or within the availability period for this revenue source. All other revenue items are considered to be measurable and available only when cash is received by the District.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and workers' compensation claims, are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and acquisitions under capital leases are reported as other financing sources.

BUDGETARY AND FINANCIAL FRAMEWORK

BALANCED BUDGET

The District defines a balanced budget in accordance with its Financial Planning and Budget policy: *An annual budget in which operating revenues and any one-time revenues are greater than or equal to ongoing operating expenditures.* With operating and one-time revenues of approximately \$303.7 million and operating expenditures of \$304.5 million the FY 2024/25 Preliminary Budget does not meet that criteria without a transfer from the General Fund reserve.

BASIS FOR KEY REVENUE ASSUMPTIONS

Property Taxes

In general, property tax revenues are estimated based on assessed values of properties within the District's jurisdiction. For FY2024/25, the estimate starts with a base of FY2023/24 actual assessed values of real property. Adjustments are then made for the following items:

- A CPI up to a maximum of two percent is applied to this base amount,
- Proposition 8 parcel values are first either increased, decreased, or projected flat depending on median sale price changes and then added,
- Transfer of ownership assessed value change based on known 2023 transfers are also added.

This will result to an estimated real property value to which we make minor additions (e.g., personal property values) to come up with the estimated net taxable value. The net taxable value is then multiplied by the one percent tax rate and adjusted for estimated delinquencies based on historical averages to come up with the Final budgeted property tax revenue.

EMS Revenues

EMS "medic" revenues are estimated starting with last year's budgeted EMS revenues, or actual revenues if already available, and increased by CPI and the estimated increase in the number of medical transports using actual trends identified during the prior fiscal year.

LEVEL OF BUDGET CONTROL

The District's appropriated budget is prepared by fund, division, and object level. The legal level of budgetary control is at the fund level and then the object level. Each fund has its own budget for the following items: 1) salaries and benefits, 2) services and supplies, 3) capital outlay, and 4) debt service and other expenditures. The Board must approve amendments or transfers of appropriations between funds or objects.

Appropriations in all budgeted funds will lapse at the end of the fiscal year even if they have related encumbrances. Encumbrances are commitments related to unperformed (executory) contracts for goods or services (i.e., purchase orders, contracts, and commitments). Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. While all appropriations and encumbrances lapse at year-end, valid outstanding encumbrances (those for which performance under the executory contract is expected in the next year) are re-appropriated and become part of the subsequent year's budget.

Actual costs are reported in bimonthly fiscal reports to the Board of Directors so that the public may see how costs compare to projections and assess the fiscal health of the District.

BUDGETARY AND FINANCIAL FRAMEWORK

The District uses an allocated cost methodology for budgeting and financial reporting. The preliminary, final, and midyear budgets identify estimated division costs and allocate central service costs (e.g., subscriptions, conferences, recognition events, insurance, memberships, utilities, lease-revenue bond payments, and assessments) to a central “Non-Divisional” division where such costs can be centrally tracked separate from divisional expenses. NDI costs are examined during the budget process to ensure only District-wide costs are included and Divisions retain responsibility for costs they incur.

KEY FINANCIAL POLICIES

Financial policies adopted by the Board of Directors are summarized below and can be found on this web page: <https://metrofire.ca.gov/transparency>.

Financial Planning and Budget Policy

The District’s Financial Planning and Budget Policy memorializes the District’s major budget-related processes, including the District’s definition of a balanced budget, the process for developing the Preliminary, Final, and Midyear Budgets, use of one-time revenues, timing to recognize prior year expenditures and revenues after fiscal year end, direction for spending excess revenues after the 15 percent reserve threshold has been met, and the calculation for the General Fund reserve.

Capital Asset Policy

The District’s Capital Asset Policy defines capital assets as land, buildings, equipment, and other related improvements with an individual cost of \$5,000 or more and a useful life of at least one year. The policy establishes a capital asset accounting system that provides guidelines for the accountability and financial and physical control of capital assets, consistent and uniform procedures and transactions for accounting of capital assets, and compliance with funding entity requirements for grant-funded assets. Board approval is required for budgeted capital asset acquisitions and for disposal of capital assets. This policy also requires a biennial inventory of all capital assets.

Capital Improvement Program Policy

The District’s Capital Improvement Program Policy organizes, facilitates, and memorializes capital needs and goals in order to efficiently and transparently develop and support the physical infrastructure of the District. Rigorous and methodical evaluation of facility, apparatus, and equipment needs and financing options ensures that existing and future capital needs are met, in compliance with the District’s strategic plan and financial resources. The development of the CIP is a coordinated effort across the District, with the capital project planning process overseen by the Planning and Development Division and the finance and budget process *elements overseen by the Finance Division*.

Debt Management Policy

The District’s Debt Management Policy sets forth written guidelines for the issuance, structuring, and administration of debt issued to finance District expenditures. This policy prohibits the issuance of long-term debt to fund District operating costs, as well as the use of any derivative products. Debt structuring provisions include a requirement that the maturity of a debt issue be consistent with the economic or useful life of the asset being financed, generally level annual debt services payments, and preferences for fixed interest rates and optional redemption at a reasonable call date.

Pension Funding Bonds Early Payoff Policy

The Pension Funding Bonds Early Payoff Policy establishes the framework for ensuring that the District’s Pension Obligation Bonds are paid off in a manner designed to minimize interest costs and provides a mechanism for paying off the bonds at the earliest possible dates. This policy requires annual deposits with the Pension Bond

BUDGETARY AND FINANCIAL FRAMEWORK

Trustee such that these amounts, together with investment earnings, will be sufficient to retire the Series 2004B Bonds on their call date of November 19, 2025.

Reserve Funding Policy

The Reserve Funding Policy establishes minimum and maximum target reserve levels as follows:

DESCRIPTION	MINIMUM	MAXIMUM
UNASSIGNED FUND BALANCE		
1) Operating Reserves ¹	1.8 months (15 percent)	6 months (50 percent)
COMMITTED FUND BALANCE		
2) Self-Insurance Reserves ¹	Short-term liability	Total liability
3) Compensated Absence Reserves ¹	Amount expected to be paid in next 12 months	Total obligation owed to all employees
4) Capital Replacement Reserves ²	Annual depreciation	Accumulated depreciation
5) Early Debt Extinguishment Reserves ¹	Ratable amount needed to retire pension obligation bonds at call dates	Total outstanding pension obligation bond principal
RESTRICTED RESERVES		
6) Capital Improvement Program (CIP) Reserves ³	10 percent of current year planned CIP expenditures	Amount needed to fully fund the CIP
7) Debt Service Reserves ^{1 2 4}	Amount required by bond documents	None
9) Post-Retirement Medical Reserves (CERBT) ⁵	Cumulative ARC contributions plus interest earnings	Actuarial present value of other postemployment benefits
[1] General Fund [2] Capital Facilities Fund [3] Development Impact Fees Fund [4] Leased Properties Fund [5] CERBT Trust (not District-held)		

LEGAL DEBT LIMIT

California Health and Safety Code Section 13937 establishes the District's legal debt limit at 10 percent of the assessed value of all taxable property within the District. However, this code section was enacted when assessed valuations were based on 25 percent of full market value. To account for an adjustment of valuations based on full market value, the District's debt limit is calculated at 2.50 percent of total assessed value within the District. As of June 30, 2022, the District's bonded debt limit was \$2,093,955,159. Outstanding applicable debt as of the same date was \$21,518,673, for a legal debt margin of \$2,072,436,486.

BUDGETARY AND FINANCIAL FRAMEWORK

Current Debt Obligations

The District has three outstanding General Fund debt obligations: two General Fund bonds and debt for apparatus and equipment leases. The District issued pension obligation bonds in 2004 to fund the unfunded portion of the District's pension liability and thereby smooth out and prevent spikes in annual pension costs. Lease revenue bonds were first issued in 2011 to facilitate the purchase of a headquarters office building and new apparatus. The amount of principal and interest payments remaining for all outstanding debt are shown below.

<i>Debt Obligation</i>	<i>Maturity Date</i>	<i>Principal & Interest Total (Through Maturity)</i>
<i>Pension Obligation Bonds</i>	<i>5/15/2030</i>	<i>\$31,355,668</i>
<i>Lease Revenue Bonds</i>	<i>5/15/2042</i>	<i>\$10,008,758</i>
<i>Apparatus and Equipment Leases</i>	<i>6/28/2028</i>	<i>16,251,165</i>

The District's most recent bond rating was AA- (Standard and Poor), for a lease revenue bond issuance in 2011.

BUDGET PROCESS

The District's budget cycle follows Chapter 7 of the California Health and Safety Code, which describes the timing for the preliminary and final District budgets, and stipulates public notice and other transparency measures to provide ample opportunity to comment on the budget. The District's fiscal year starts on July 1 and ends on June 30. Altogether the District notices, holds public hearings, and solicits comment on three budgets each fiscal year.

- On or before June 30th: Adoption of the Preliminary Budget for the following fiscal year
- On or before October 1st: Adoption of the Final Budget for the current fiscal year
- After December 31st: Adoption of the Midyear Budget for the current fiscal year

Amendments to a Board-approved budget involving either funds or objects (salaries and benefits, services and supplies, capital outlay, and debt service or other expenditures) must be approved by the Board of Directors.

Preliminary Budget

Preliminary Budget development begins in March for the following fiscal year's budget. District budget officers attend a budget kick-off meeting, at which time information regarding the long-term financial outlook and expected funding levels is shared. Divisional budget requests are then submitted for changes in position count or classification, overtime, services and supplies, and capital outlay. The Finance Division is responsible for preparing revenue estimates, and compiling and preparing the expenditure budgets based on submitted requests.

Budget requests are reviewed by budget officers and the compiled budget requests are then reviewed by executive staff. Executive staff consider organizational priorities and funding constraints in order to determine the budget that will ultimately be recommended to the Board. The Preliminary Budget is first presented to the Finance and Audit Committee for informational purposes and then to the Board of Directors for approval. The public are invited to provide comment beforehand and participate in the hearings.

BUDGETARY AND FINANCIAL FRAMEWORK

Final Budget

The Final Budget process begins in July, after the close of the previous fiscal year. Any requests for expenditure changes are submitted by budget officers and revenue estimates are updated based on newly-available information. Typical final budget changes include re-budgeting of items not actually expended in the previous fiscal year and adjustment of property tax estimates based on assessed values released by the County Assessor. The Final Budget is typically presented to the Finance and Audit Committee in August and recommended to the Board for adoption in September. The public are invited to provide comment beforehand and participate in the hearings.

Midyear Budget

Throughout the year, budget officers monitor actual expenditures compared to budget on a monthly basis. The Finance and Audit committee receives bimonthly reports of revenue and expenditure activity compared to budgeted amounts. Additionally, following the close of a fiscal quarter, a formal District-wide budget review is undertaken in which budget officers update estimates of annual spending for each budget account.

The 2nd quarter review serves as the basis for the District's Midyear Budget changes, which are based on actual results through December 31. The Midyear Budget process typically begins in January, with a presentation to the Finance and Audit Committee in February and Board adoption in March. The public are invited to provide comment beforehand and participate in the hearings.

Annual Budget Calendar

January

- Midyear (current year) Budget requests due

February

- Midyear Budget detail review meeting with all budget officers
- Midyear Budget review with executive staff
- Midyear Budget and CIP plan updates presented to the Finance and Audit Committee
- Preliminary Budget (budget year): all Capital Improvement Plan (CIP) requests due

March

- Midyear Budget and CIP plan taken to Board of Directors for adoption
- Preliminary Budget kickoff meeting with divisional budget officers and executives
- Preliminary Budget positions requests due to Human Resources Office
- Preliminary budget requests with manager approval due

April

- Preliminary Budget detail review of budget requests with every department branch
- Preliminary Budget secondary adjustments to budget requests

May

- Preliminary Budget proposal and CIP plan review with executive staff
- Preliminary Budget and CIP plan presented to the Finance and Audit Committee

June

- Preliminary Budget and CIP plan taken to Board of Directors for adoption

July

- Final Budget requests due from budget officers
- Final Budget detail review meeting with all budget officers

August

- Final Budget and CIP plan review with executive staff
- Final Budget and CIP plan presented to the Finance and Audit Committee

September

- Final Budget and CIP plan presented to Board of Directors for adoption

BUDGETARY AND FINANCIAL FRAMEWORK

DISTRICT STRATEGIC PLAN

The District's strategic plan was established in February 2020 and to this day guides the organization at the strategic, budget, and tactical operations level. The strategic plan reflects the District's mission, *to provide professional and compassionate protection, education and service to our community*, and core values of integrity, professionalism, teamwork, and dedication to duty.

The District's strategic plan was created with direction from the Board and input from District employees and key external stakeholders. During the strategic plan development process the District identified five key strategy areas: members, capital assets, service delivery, financial management, and external engagement. Each strategy area was assigned initiatives, projects, and outcomes. The strategic plan is reviewed quarterly, which is intended to provide a focused, regular and transparent approach to monitoring progress.

Strategic plan projects and outcomes are provided in the following table.

STRATEGIC PLAN PROJECT		OUTCOME
(Members)		
1a	Implementation of the Metro Way	<i>Ongoing process of integrating Metro Way throughout the organization</i>
1b	Member for Life Program	<i>Means for continued participation in Metro beyond retirement</i>
2a	Review of Professional Development Program	<i>Analysis of current activities & future options for enhancement</i>
3a	Risk Management Analysis	<i>Analysis of current liability & safety trends; options to address</i>
3b	Wellness Center Plan	<i>Centralized resource for physical, emotional, psychological & life stages needs</i>
4a	Hiring Plan	<i>Comprehensive approach to career development & hiring, including diversity development plan, EMT to paramedic transitions & K-12 career exploration</i>
(Service Delivery)		
1a	EMS Service Delivery	<i>Consideration of best approach, processes & equipment for EMS</i>
1b	Emergency Response Suppression Allocation	<i>Consideration of best resource allocation: human & equipment</i>
1c	Special Operations	<i>Consideration of best approach & ROI for special needs & events</i>
2a	Fire Dispatch Operational Analysis	<i>Analysis & recommendations for enhanced effectiveness & efficiencies in communication, data & coordination</i>
3a	Standards of Coverage Analysis	<i>Comprehensive analysis of current & future coverage</i>
3b	Data Analysis: Manual to Automation	<i>Transition from current manual systems to fully automated systems at multiple levels</i>
3c	CRD Strategic Plan	<i>Articulated plan for current & future activities & resources</i>
4a	Research Fire Service Accreditation	<i>Initial analysis of requirements, processes & potential benefits of national accreditation</i>

BUDGETARY AND FINANCIAL FRAMEWORK

<i>(Capital Assets)</i>		
1a	Capital Improvement Program (CIP)	<i>Comprehensive analysis & plan for maintenance, repair & replacement of all assets, including funding</i>
1b	Real Estate Plan	<i>Analysis & recommendations for the utilization of all real property</i>
2a	Capital Improvement Program (CIP)	<i>Comprehensive analysis & plan for maintenance, repair & replacement of all assets, including funding</i>
2b	Risk Management Analysis	<i>Analysis of current liability & safety trends; options to address</i>
3a	Capital Improvement Program (CIP)	<i>Comprehensive analysis & plan for maintenance, repair & replacement of all assets, including funding</i>
<i>(Financial Management)</i>		
1a	Analysis of Future Consolidation Options	<i>Consideration & evaluation for expansion of Metro Fire</i>
1b	Analysis of New Revenue Opportunities	<i>Catalog of sources & processes to access all revenue options</i>
2a	Fee Studies	<i>Analysis & recommendations for modifications to current fee structures</i>
3a	Annual Budget with Multi-Year Projections	<i>The addition of multiple year projections & impact analysis for key annual budget elements</i>
<i>(External Engagement)</i>		
1a	Improved Metro Fire Visibility	<i>Enhancement of partners' awareness of Metro's contributions at the federal, state & local levels</i>
2a	Communications Strategy	<i>Comprehensive plan for consistent messaging, audience management & content</i>
3a	K-12 Engagement	<i>Assessment of current & future K-12 options & activities, including both educational services & career awareness</i>

LONG-RANGE FINANCIAL PLANNING

As a part of the District's strategic planning efforts, long-range financial trends are analyzed to identify financial challenges and develop plans to address them. Identified challenges include the escalating costs of pension and other postemployment benefits, rising costs of equipment replacement and facility maintenance due to deferred investment, and potential reductions to IGT funding.

With regard to pension and other postemployment benefits, the District's practice is to annually fund the actuarially determined contribution amounts for pension and the amount associated with the explicit subsidy liability for other post-employment benefits. Funding at these contribution levels is intended to ensure the long-term sustainability of these benefits.

To address equipment and facility needs, the District has developed a vehicle replacement plan, a District-wide facility condition assessment, and recently issued its first Capital Improvement Program (CIP) Plan. Each of these efforts will inform the level of capital outlay and facility maintenance spending required to support current and anticipated service level needs.

In order to mitigate any impact of reduced IGT funding levels in the future, the District is evaluating all opportunities to achieve full cost recovery for emergency medical services, including supporting efforts to maximize reimbursements for Medi-Cal services.

BUDGETARY AND FINANCIAL FRAMEWORK

ECONOMIC OUTLOOK

The District’s economic outlook is shaped mainly by property tax trends. Comprising approximately 75 percent of total revenues, real estate market trends have a direct impact on the District operations. The District has enjoyed twelve straight years of property tax growth since the Great Recession and, while continued growth is expected, the rate of that growth has begun to slow substantially.

The single biggest factor affecting property tax revenue are home sales. Portions of the District have seen rapid growth in new homes, however demand and resales have slowed with persistently elevated interest rates. While Proposition 13 limits growth in assessed value to 2 percent per year unless the property is reassessed, the most recent Sacramento County Assessor’s report (July 2023) documented assessed values that led to nearly 5.8 percent growth in property taxes across the County in 2023/24. The District contracts with HdL Coren and Cone for property tax analysis and projections, who estimate 3.7 percent growth in property tax revenues for the District in FY 2024/25.

According to HdL Coren and Cone, the median home price in Sacramento County in the first quarter of 2024 was \$494,000—up slightly from \$490,000 a year earlier. According the California Association of Realtors, Sacramento region housing affordability has declined to where now 26 percent of households can afford the median price home. The primary driver for this affordability level is the interest rates set by the Federal Reserve, which are being held at an elevated level to cool inflation.

Revenue levels for funds other than the General Fund are forecast to remain stable. The Special Projects Fund-Zinfandel Training Site, with a balance of \$13.8 million, is expected to be liquidated in FY 2024/25 with construction underway for that project.

The following table documents property tax growth in since FY 2015/16. The red column denotes property tax revenues and the black line represents the annual year-over-year growth rate.

The second-most consequential revenue driver for the District is Emergency Medical Services fees. The District expects modest EMS revenue growth of approximately 5 percent, mainly attributable to staffing increases generating more medical transports, with \$49.7 million anticipated.

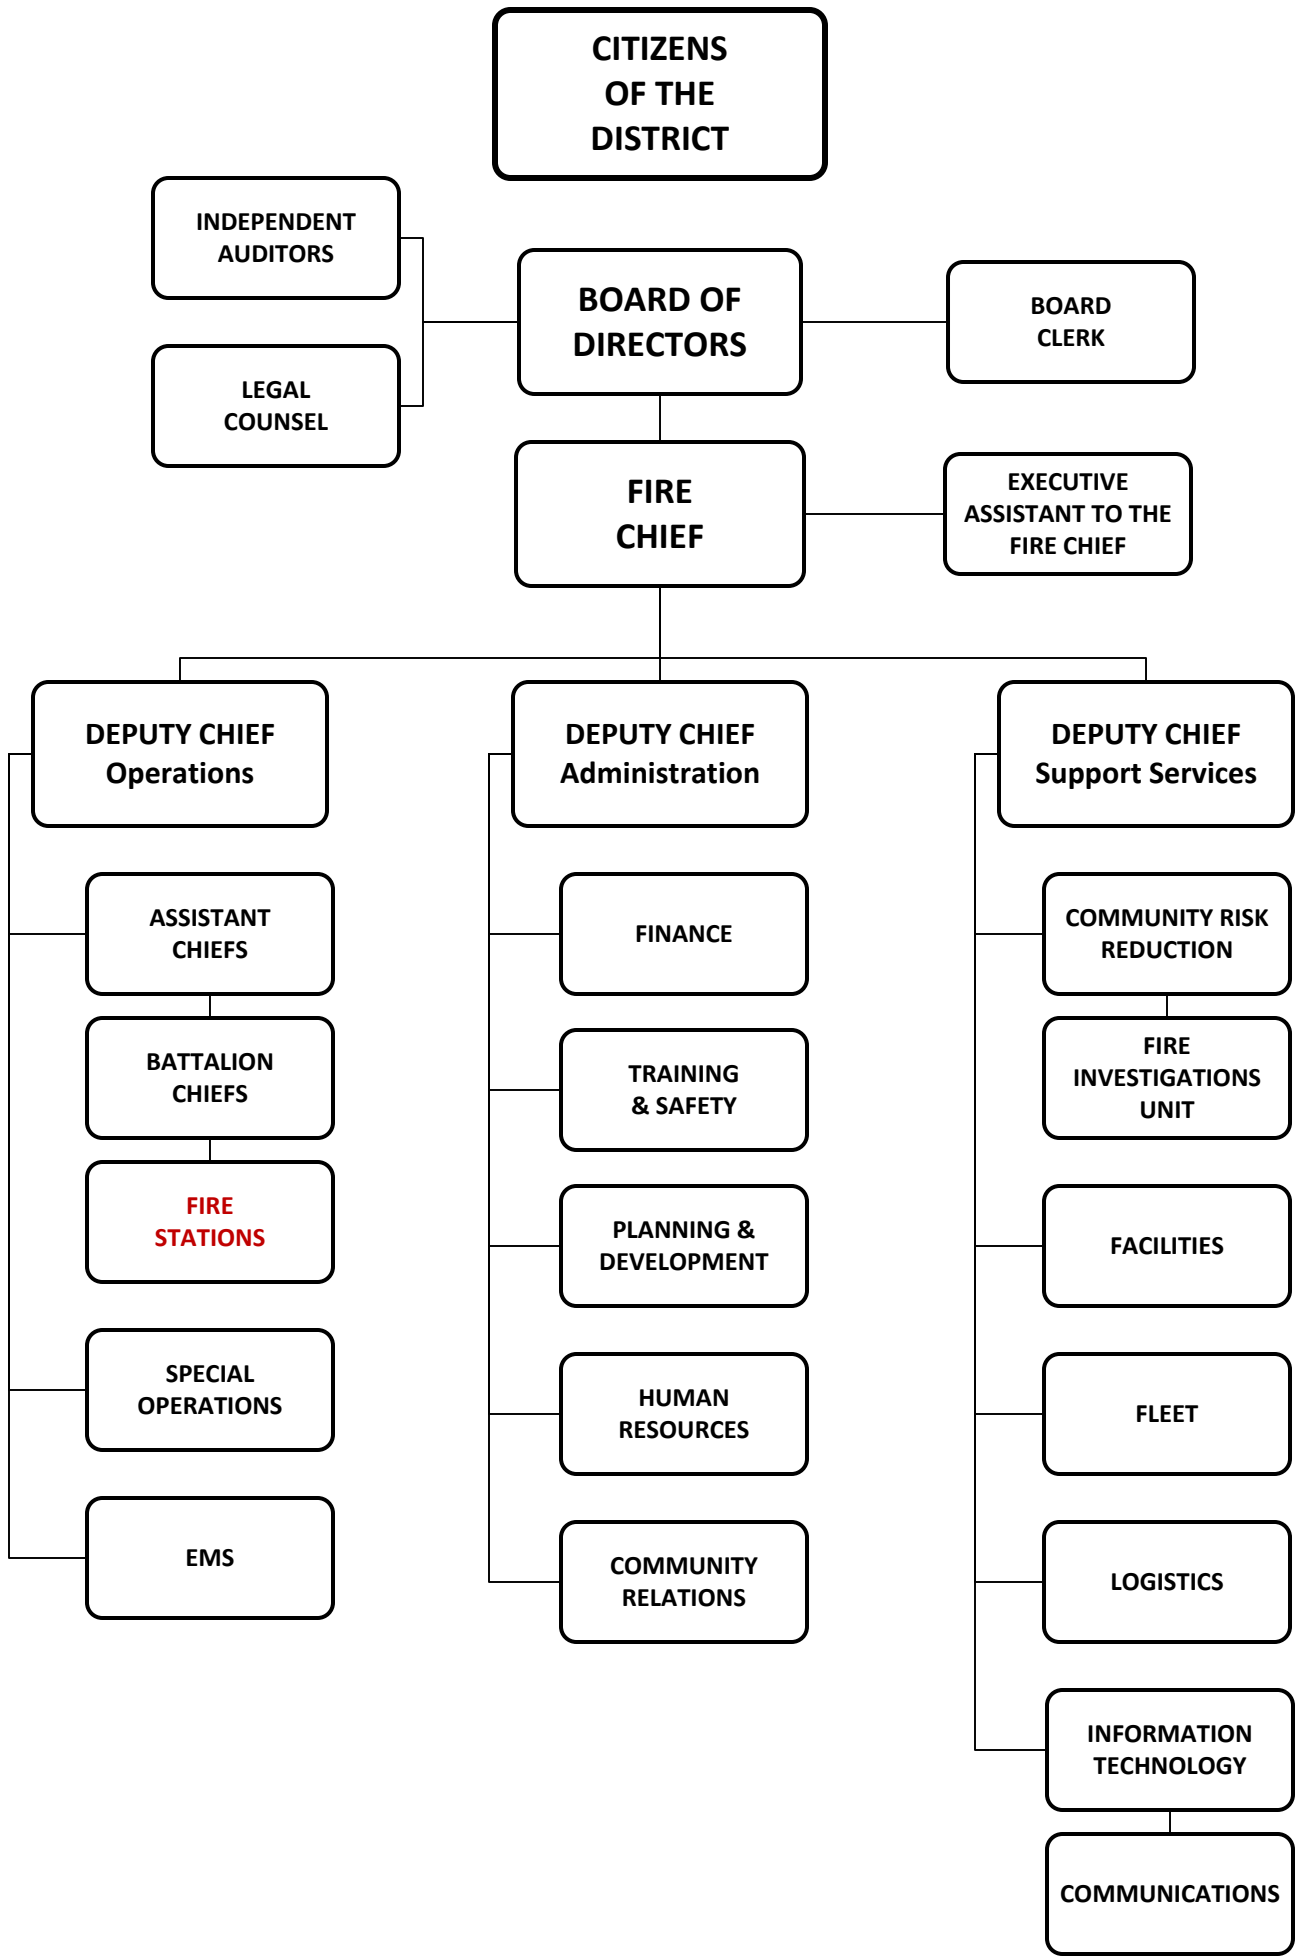

BUDGETARY AND FINANCIAL FRAMEWORK

The following table documents medic fee (EMS) revenues since FY 2015/16, with the red column identifying income and the black line representing year-over-year growth rate.

BOARD OF DIRECTORS

DIVISION BACKGROUND:

The Sacramento Metropolitan Fire District is an independent special district governed by a nine-member Board of Directors. Each Board Member is elected by represented divisions from within Metro Fire's jurisdictional boundaries to serve alternating four-year terms of office. The Board of Directors establishes policy for the organization and is directly accountable to the public.

The Board carries out its fiduciary duty by establishing the vision, mission, values, and strategic goals that will ensure the District meets its obligations to the public. It is responsible for adopting the District's annual budget and exercises its fiscal oversight duties by reviewing bi-monthly financial statements and the annual independent audit. The Board is responsible for the governance of the District and the appointment of the Fire Chief to carry out the day-to-day administration of the policies and budget set by the Board.

RECENT ACCOMPLISHMENTS:

- In May 2023 the Board of Directors hosted a strategic planning workshop to review and provide an update on the progress in meeting the desired outcomes of the District's 2020 Strategic Plan.
- The Board completed a recruitment process for the Fire Chief and facilitated his transition to success in the chief executive role.
- In April 2024 four Directors attended the 52nd Annual Capitol-to-Capitol learning and advocacy conference in Washington, DC. The four directors worked with the public safety team to promote the capital region and represented Metro Fire in meetings with Federal representatives.

BUDGET DISCUSSION:

In an effort to ensure delivery of the highest level of service to the public, the Board is focused on maintaining a fiscally conservative budget. To that end, an annual audit is conducted to ensure ongoing fiscal accountability to the District. Travel budgets are carefully managed to improve public outreach, enhance communications, and foster cooperation and with other local agencies. In November 2024, a general election for seats in divisions 2, 4, 5, 6 and 8 will be held and related election expenditures are included in the FY 2024/25 budget.

GOALS FOR UPCOMING YEAR:

- By September 30, 2024, the Board will deliver a balanced budget that maintains the District's high level of service currently provided to the community.
- Additionally, with the Strategic Plan in its fourth year of implementation, the Board will continue to work with the Fire Chief to ensure all FY 2024/25 strategic objectives are met.

*Requesting a reclassification to Administrative Support Officer III.

DIVISION BACKGROUND:

The Fire Chief serves as the principal executive officer of the Sacramento Metropolitan Fire District (Metro Fire) and is entrusted with the organization's overarching management and leadership. Operating under the guidance of the Board of Directors, the Fire Chief formulates a strategic vision and operational strategies aligned with the Board's objectives. Integral to this role is the selection and guidance of the executive team, ensuring their proficient performance and fostering a culture of excellence and collaboration among Metro Fire's personnel.

The Fire Chief assumes responsibility for coordinating Metro Fire's operations within the district and in concert with neighboring fire protection agencies, regional entities, and governmental bodies. By establishing robust partnerships and maintaining open lines of communication, the Fire Chief facilitates effective service delivery and promotes collaboration across various stakeholders. Additionally, the Fire Chief endeavors to cultivate positive labor-management relations, thereby nurturing a conducive and harmonious work environment for Metro Fire members.

The Office of the Fire Chief embraces The Metro Way as the cornerstone of Metro Fire's cultural principles. Serving as the driving force behind our mission, The Metro Way unites us in a shared commitment to safety, efficiency, and effectiveness in service delivery. Integrating this philosophy into our daily operations fosters a cohesive work environment where collaboration and excellence thrive.

RECENT ACCOMPLISHMENTS:

- Developed and strengthened community relations across various governance and the private sector levels. These enduring partnerships have expanded collaborative opportunities for the district locally and regionally and have also had a ripple effect statewide, benefitting the entire fire service.
- Through collaborative endeavors, actively engaged with the Board of Directors, Metro Fire members, labor-management representatives, and stakeholders. Together, we have remained dedicated to refining and advancing objectives and operational strategies aligned with the five key strategies outlined in the District's Strategic Plan.
- Aligned with the District's Strategic Plan, particularly the key strategy – Members: Initiative 3, efforts have been concentrated on the ongoing development of an educational, holistic approach to addressing medical, fitness, rehabilitation, and behavioral health needs. This comprehensive approach explores best practices in designing a centralized resource center catering to our members' diverse physical, emotional, psychological, and life-stage requirements. As part of this initiative, the District recently established a Metro Fire Cancer Task Force, bringing together multidisciplinary expertise in cancer

prevention, education, research, and detection. Through collaborative efforts, we aim to enhance cancer prevention strategies and support services for our personnel. Moreover, the District focus remains on identifying staffing needs and exploring innovative strategies to address current and future considerations, ensuring the workforce remains resilient and well-equipped to meet the evolving demands of our mission.

BUDGET DISCUSSION:

Budget requests for the Office of the Fire Chief can be grouped into the following major areas:

- Business/Conference: The Fire Chief and selected personnel will attend annual conferences, meetings, etc., when necessary. This account covers all costs associated with these functions.
- Other Services and Other Supplies: These accounts are used for “Other Professional Services” not covered by another division’s budget, expected and unexpected district obligations, special recognition, and any other items not covered by other divisions or accounts.

GOALS FOR UPCOMING YEAR:

The Office of the Fire Chief's goals align with the five key strategies outlined in the District's Strategic Plan: Members, People of Metro Fire; Service Delivery, All Services and Programs; Capital Assets; Financial Management; and External Engagement. These goals are intended to drive the District’s efforts toward sustained excellence in service provision, organizational efficiency, and community engagement throughout the upcoming fiscal year. Specifically, by June 30, 2025 the Office of the Fire Chief will:

- Execute the day-to-day administration of policies established by the Board of Directors and in accordance with state and legislative mandates. This will entail fostering collaborative relationships with the Board of Directors, management and labor teams, state and local partners, community groups, and stakeholders. By upholding these partnerships, we aim to ensure that the District's service delivery model optimizes efficiencies and upholds the highest service standards to our communities, all while fulfilling fiduciary responsibilities and developing revenue and fiscal forecasting.
- Continuously assess and refine our service delivery models and deployments to ensure the effective and efficient provision of the highest level of service to our constituents. This will involve prioritizing ongoing evaluation of service delivery frameworks, enhancing internal and external organizational communication channels, providing continuous training opportunities for our personnel, and fostering consistency and accountability within our organization.
- Continue to prioritize our members' well-being and focus on our ongoing efforts to foster a thriving and supportive organizational culture. This will include but is not limited to, exploring and implementing strategies to address staffing needs, recruitment, retention, measures to support personnel well-being, including mental health support programs, and a comprehensive member and wellness plan.
- Improve the coordination and alignment of district initiatives and administrative support across the branches and divisions and centralize district-wide (non-divisional) budgeting and administrative functions.

PERFORMANCE MEASURES:

To achieve the goals above, the Office of the Fire Chief employs the District’s Strategic Plan as a framework to steer projects and assess outcomes. Annually, the office thoroughly reviews the key strategies and associated initiatives to ensure alignment the Board of Directors’ directives.

DIVISION BACKGROUND:

As a Sacramento Regional Behavioral Health Committee member agency, Metro Fire's Peer Support Team (Team) is committed to regional collaboration, support, development, and implementation of fire service behavioral health principles and best practices. The Team is a critical component to the health and wellness of Metro Fire members and has proven to be extremely beneficial in helping many members navigate through difficult situations. The stresses faced by fire service members throughout the course of their careers can have a cumulative impact on mental health and overall well-being. Peer support programs have been demonstrated to be an effective method for providing support to members.

RECENT ACCOMPLISHMENTS:

- Expanded the shift-based peer support network, ensuring at least one Team member is assigned to each battalion per shift.
- Continued collaboration with the Sacramento Regional Behavioral Health Committee and Sacramento County Fire Chiefs to enhance program capabilities, opportunities, and resources at the local and regional levels.
- Continued expansion of regional peer counselor resources and professional providers for member services, including securing a new EAP carrier.
- Conducted crucial outreach and engagement with members, including conducting critical incident diffusions and debriefings and distributing EAP and behavioral health materials and resources.

BUDGET DISCUSSION:

Budget requests for Peer Support can be grouped into the following major areas:

- Business/Conference: Peer support coordinators and selected members will attend annual conferences, meetings, etc., when necessary. This account covers all costs associated with these functions.
- Education/Training: These accounts are used for the annual renewal of the Sacramento Regional Behavioral Health Committee membership and multidisciplinary training and workshops for new and existing peer support team members.

GOALS FOR UPCOMING YEAR:

The Team will pursue the achievement of the Strategic Plan objectives (Members 1a, 3a, and 3b) by accomplishing the following by June 30, 2025:

- Support Metro Fire's Firefighter Training, Health, and Wellness Initiative focused on improving the overall health of Metro Fire members and providing increased access to essential mental, physical, and behavioral health resources. This will be accomplished through a collaborative effort with Local 522.
- Continue to expand the number of team members and peer counselors through education, training, and outreach and provide them with the essential training and resources they require to address the growing needs of the membership.
- Continue to develop a robust referral network and enhanced professional provider list to address multidisciplinary needs and support Metro Fire's Training, Health, and Wellness initiatives. This will include an investment in educating the District's Peer Support Team members on current liability, safety trends, the latest research, and best practices for bridging the gap between professional psychology and the fire service.
- Development and deployment of a Metro Fire Peer Support Canine Program, including therapy and peer support canines available to all personnel across all shifts and district facilities.

PERFORMANCE MEASURES:

- Provide ongoing training and workshop opportunities for new and existing team members.
- Current peer members will provide in-person introductory training to members at each fire station across all shifts to improve awareness, training, and recruitment.

FY2024/25	\$ 813,384	\$ 166,514	\$ -	\$ 10,767	\$ 990,665	0.3%

COMMUNITY RELATIONS DIVISION

DIVISION BACKGROUND:

The Community Relations Division (COR) strives to build and maintain relationships and trust between the Department and the diverse communities in Metro Fire's jurisdiction while leveraging best practices in community outreach, traditional and social media collaboration, and community engagement to gain long term benefits in terms of community support, loyalty and fostering goodwill. The division currently consists of the Public Information Officer (PIO) team, a Community Relations Coordinator (CRC), and two Community Relations Specialists (CRS).

The PIO team provides incident coverage and serves as the direct 24/7 point of contact for media and public inquiries. The team consists of an administrative PIO, and three shift PIOs that operate in a relief capacity. The Public Information Officer team utilizes their practical experience in fireground operations, emergency medicine, and district and community knowledge to effectively communicate with the appropriate audience.

The Community Relations Division (CRD) has three professional staff members who ensure consistency in the division's operations. The Community Relations Coordinator collaborates with the PIO to create and coordinate the district's communications, outreach and engagement strategy. The two Community Relations Specialists

implement the communication and outreach plan through social media, newsletters, marketing materials, and community events.

RECENT ACCOMPLISHMENTS:

The Community Relations Division coordinated almost 400 events and promotions in FY2023/24, reaching well over 100,000 community members. Examples include; Fire Camp, the Rancho Cordova STAR program, FFBI Fill the Boot and associated safety fair, Cancer Awareness Engine campaign events, three firehouse open houses, almost 70 school visits, and many more. (Strategic Goal External Engagement 1a, 2a, 3a)

Community Relations has continued collaborative efforts with the American Red Cross and the Community Emergency Response Team (CERT) for smoke alarm distribution. Metro Fire was recently awarded a Fire Prevention and Life Safety grant, which supports fire and life safety home safety checks and education. During the event, Metro Fire offered free smoke alarms and carbon monoxide detectors, distributed nightlights, and provided fire extinguisher training to hundreds of residents. (Strategic Goal External Engagement 1a, 2a)

COMMUNITY RELATIONS DIVISION

To help facilitate the department in the event of a funeral, Community Relations staff and members of Metro Fire, developed a funeral protocol to standardize how Metro Fire respond when it comes to honoring the memory of a fallen member. The protocol defines what to do from the initial notification to burial, and maintains consistency while ensuring fiscal compliance. (Strategic Goal External Engagement 1a, 2a)

In partnership with the Community Risk Reduction Division (CRRD), and other local agencies, the Division expanded its approach to inform the community about the importance of reducing the effects of illegal or improper fireworks use. The group designed and placed large decals on both sides of 20 fire engines with the message “Keep it Safe, Keep it Legal” from May to July. (Strategic Goal External Engagement 1a, 2a)

Metro Fire released *Metro Fire Scene*, a quarterly newsletter that aims to create meaningful and long-lasting relationships with residents, local businesses, and community-based organizations through consistent communication and relevant safety information, upcoming events, and Metro Fire highlights. Metro Fire has seen an increase in followers on social media platforms ranging from 13 to 27 percent, depending on the platform. Additionally, traditional media coverage has increased with multiple stories being distributed worldwide each year. (Strategic Goals External Engagement 1a, 2a and 3a)

BUDGET DISCUSSION:

The FY2024/25 budget will ensure the Division continues to improve and enhance the visibility of Metro Fire as a premier all-hazards emergency service provider by soliciting, and responding to, local and national media opportunities, crafting and attending events, and partnering with other agencies with a collaborative mission. This will be accomplished by sustaining the staffing model for 24/7 coverage by the PIO and Community Relations team. Through the use of social media, newsletters, and other mediums, Community Relations will continue to deliver education directly to stakeholders, and move forward with a comprehensive plan for consistent messaging, audience management, and quality content. By continuing to expand external engagement, the division can craft the District’s story, develop the appropriate content, and share information with the community directly.

GOALS FOR UPCOMING YEAR:

By June 30, 2024 the Community Relations Division will achieve the following:

- Increase brand awareness and enhance the District’s reputation by building strategic relationships with current and potential stakeholders. Engage regionally through Chamber of Commerce, city and county council, HOA, school district and other meetings. (Strategic Goal External Engagement 1a)
- Nurture relationships within Metro Fire by coordinating awards and commendations, promotions, funerals, station dedications, and other internal events. (Strategic Goal External Engagement 1a)
- Generate and disperse information regarding various public safety-related issues that affect the community centered on seasonal awareness and prevention topics. (Strategic Goal External Engagement 2a)
- Continue to develop compelling social media, newsletter, and traditional media content with a message that engages all demographics. (Strategic Goal External Engagement 2a).

COMMUNITY RELATIONS DIVISION

- Reach out to the K-12 schools proactively with opportunities to engage in person. Examples include; Read Across America, No Child Eats Alone, station tours, and school visits. The Division will build upon the current “Super Special Fire Safety” series located on the Metro Fire website and shared with all seven school districts. (Strategic Goal External Engagement 3a).

PERFORMANCE MEASURES:

- Utilize acuity analytics to monitor events, presentations, and outreach efforts, ensuring were engaging appropriately. The Division will aim for a 10% increase in external engagement for the fiscal year, breaking the 400-event threshold.
- Continue to produce high-quality social media content to increase audience size and demographics.
- Review platform analytics at the start and end of the fiscal year to determine growth trends and patterns. The Division will aim for an increase in followership by at least 10 percent.
- Review audience and viewership metrics of traditional media output utilizing Critical Mention media monitoring service to determine growth in media presence and audience engagement. The Division will aim to maintain current output saturation.
- Review the seasonal newsletter sign-ups at the start and end of the fiscal year to determine the growth trend. The Division will aim for a 100 percent increase in followership.

PLANNING & DEVELOPMENT

STAFFING:

Chief Development Officer	1
Legislative Analyst	1
Administrative Analyst	1
Geographic Info Data Analyst	<u>1</u>
	<u>4</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 882,594	\$ 377,052	\$ -	\$ 12,405,370	\$ 13,665,016	3.7%

DIVISION BACKGROUND

The Planning and Development Division is responsible for the successful administration of the District's grants, economic development, land use, planning, governmental affairs, and real estate activities in support of the District's short and long range needs, goals, and objectives.

RECENT ACCOMPLISHMENTS

- Submitted eight funding requests totaling \$19.8 million for projects including replacement of essential communications and HazMat response equipment; fire station target hardening; staffing for fire suppression and fire investigations; and the Zinfandel First Responder Training Facility Phase 3 Buildout.
- Completed the sale of two surplus properties in Rancho Cordova and Orangevale, and negotiated the acquisition of real property for a future fire station to serve Rancho Cordova.
- Executed a design-build agreement for the Zinfandel First Responder Training Facility Phase 3 Buildout following a best value competition.
- Completed the Standards of Cover study and Growth Plan update and implemented a Board recommendation to adopt a Standards of Cover Policy, along with Response Standards and Service Level Objectives.
- Worked with the EMS Division to secure service agreements with the County of Sacramento for mobile integrated health services (MIH) totaling over \$2.7 million.
- Provided data analysis to support implementation of service delivery improvement projects.
- Formalized and implemented engagement plan with federal and state legislative and policy partners.
- Represented the District as a member of the CSDA Legislative Committee, Cal Chiefs/FDAC Joint Legislative Committee, and the Cap-to-Cap Public Safety and Wildfire/Forest Health teams.

BUDGET DISCUSSION

The FY2024/25 Preliminary Budget for Planning and Development Division will continue to focus on executing capital projects, improving service delivery and planning for future growth to meet community needs, enhancing cost recovery to fulfill District needs, and external engagement with local, state, and federal partners.

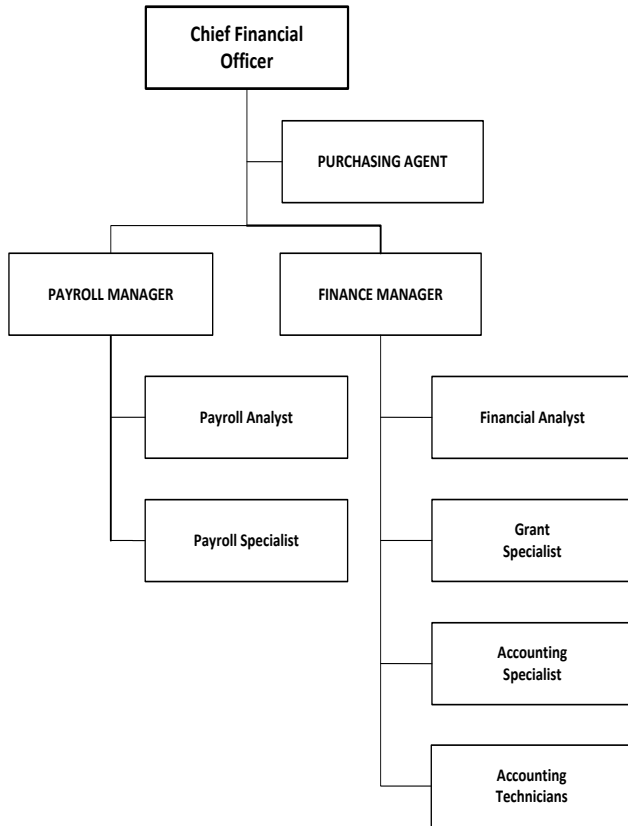

GOALS FOR UPCOMING YEAR

The Planning and Development Division will achieve the following by June 30, 2025:

- Continued service delivery evaluation and growth planning (Strategic Plan: Service Delivery 1 & 3).
- Maximizing revenue centers to meet District needs (Strategic Plan: Financial Management 1-3).
- Engage partners at the local, state, and federal levels (Strategic Plan: External Engagement 1a).

PERFORMANCE MEASURES

- Complete 2024 Standards of Cover update.
- Develop and implement pre-fire plan distribution and maintenance procedures.
- Complete analysis of future first due revenue in growth areas.
- Develop implementation plan for integration of mobile integrated health services into the EMS system.
- Prepare updated fee studies for EMS and HazMat.
- Develop implementation plan for revenue enhancement initiatives.
- Update the District's Municipal Services Review and Sphere of Influence.

STAFFING:

Accounting Technicians	<u>4</u>
	<u><u>13</u></u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 2,243,652	\$ 225,215	\$ 2,709,600	\$ -	\$ 5,178,467	1.4%

DIVISION BACKGROUND:

The Finance Division oversees the financial operations of the District, ensuring resources are properly allocated and monitored for optimum public service levels. Additionally, the Finance Division ensures appropriate procurements and contracting for goods and services, tracks grants and spending, collects revenue and cost reimbursements, develops and administers the annual budget, and provides and publishes financial reports.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, Finance Division accomplishments included the following:

- Awarded the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting for the District's FY 2023/24 Annual Comprehensive Financial Report (ACFR) for the ninth consecutive year.
- For the fifth straight year, the District was recognized with GFOA's Outstanding Achievement in Popular Financial Reporting award for the District's FY 2023/24 Community Annual Report (CAR).
- The District was awarded the FY 2023/24 Operating Budget Excellence Award from the California Society of Municipal Finance Officers (CSMFO) for the second, consecutive time. Less than three percent of all special districts and cities in California receive the budget award.
- Similarly, the District was awarded the FY 2023/24 Capital Budget Excellence Award from the CSMFO for a second, consecutive time. Less than one percent of all special districts and cities in California receive the capital award.
- Secured a clean independent audit opinion for the twelfth straight year.

BUDGET DISCUSSION:

The Finance Division issues payroll to nearly 700 employees, processes vendor invoices, prepares the annual budgets, and published various financial reports. Over 50,000 transactions are processed through Metro Fire's accounting books annually. In addition to staffing costs, the Finance budget includes:

- Consulting expense for third-party experts regarding property taxes, actuarial projections, financing arrangements and related financial services
- Fees paid to the County of Sacramento for administering Metro Fire's property tax collection
- Fees paid to the State for medical transport reimbursement programs

GOALS FOR UPCOMING YEAR:

To effectively and efficiently manage Metro Fire's finances, and in accordance with Metro Fire's strategic plan, the Division has the following goals for completion by June 30, 2024. These goals support the District's strategic plan for capital assets (Initiatives 1, 2, and 3) and prudent financial management (Initiatives 1, 2, and 3) through effective stewardship of public resources and enhanced financial planning.

1. Implement all scheduled findings from the District's first-ever internal fraud risk assessment.
2. Reduce the average monthly processing time for accounts payable transactions, from invoice date to upload to the County database by 20 percent, to below 20 days.
3. Reduce the Oracle worklist from 36 to 24 items, a 33 percent year-over-year reduction.
4. Submit a second award package for the GFOA "Triple Crown" recognition for excellence in financial reporting for the District's ACFR, CAR, and annual budget.

PERFORMANCE MEASURES:

1. By December 31, 2024, the Finance Division will report to the Board that all scheduled items in the internal fraud risk assessment have been completed.
2. By December 31, 2024, the Finance Division will achieve, as evidenced by monthly reporting, a reduction in accounts payable processing time to less than 20 days, from invoice date to upload to the Sacramento County database.
3. By December 31, 2024, the Finance Division will reduce the Oracle worklist from 36 to 24 items, a 33 percent year-over-year reduction.
4. By March 31, 2025, the Finance Division will submit a complete award package for consideration for the GFOA financial reporting award. The award announcement is expected approximately 24 months later.

DIVISION BACKGROUND:

Metro Fire's Health and Wellness Division is responsible for providing all members with the opportunity to maintain an appropriate level of wellness throughout their career. By addressing the physical, nutritional, and mental components of wellness our goal is to empower the membership with the tools to be pro-active in their own health decisions. In staying in line with Metro's Wellness Strategic Plan, we have aggressively gone after providing more early detection and therapy options to our members as well as preventative education. The focus of the program is a continued drive towards offering more robust wellness physicals, specific screening events throughout the year, as well as partnering with our HR Division to help streamline the workers comp process and provide more support to our injured personnel.

RECENT ACCOMPLISHMENTS:

- Introduced VO2mx Fitness assessments to our members to help evaluate cardiovascular health
- Completed daily morning PT for one Fire Suppression and two MMP academies
- Provided online as well as written fitness programs for both our Line and Day Staff members
- Added mobility training for professional staff as well as "Walks with Coach"
- Able to provide blood screening to another 100 of our members
- Provided Skin Cancer Screenings to over 150 of our members which resulted in 18 referrals for further testing and four diagnosed melanomas
- Helped facilitate cancer awareness education to the district through the Firefighter Cancer Support Network
- Provided Esophageal Cancer Screenings for our at-risk members

BUDGET DISCUSSION:

With more of an emphasis on early detection and to meet the concerns of our membership, this year's budget includes a significant increase for the funding of a more robust wellness medicals program for our suppression personnel that will include more cancer detection ability as well as a more in-depth cardiovascular evaluation through advanced blood testing. This year's fitness budget will address the unavoidable need to replace a number of treadmills that have timed out (no parts available due to age) and workout benches in need of replacement due to old age as well. Continued funding for the replacement line will not only help cover the need to replace aging equipment but will also cover the fact that there has been a continued increase in product cost and shipping of roughly 15 percent. Funding for the wellness portion of this budget will continue to open up opportunities to deliver more in the arena of rest and recovery in the form of wellness treatments through contracted work with vetted providers. The benefits of such programs are expected to impact our members health knowledge and overall well-being with the result being happy and healthy members on the job.

GOALS FOR UPCOMING YEAR:

The Health and Wellness Division's goals for the upcoming year conform to the strategic plan goal to improve service delivery. (Strategic Plan: Service Delivery 1a). Specifically, the Division will by June 30, 2025:

- Add more injury prevention programs throughout the district with an emphasis on posture, healthy hips, and shoulder/neck mobility
- Continue to assist HR with their return-to-work model by helping streamline our member's transition from injury to back at work
- Increase the availability of nutritional, physical and mental recovery techniques by establishing relations with local providers
- Continue fitness equipment repair and/or replacement

HEALTH AND WELLNESS

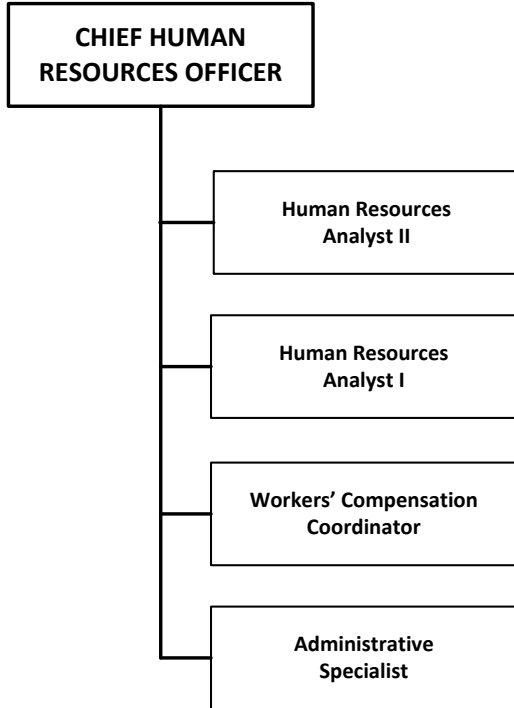

- Develop a mastermind team of health/wellness providers in the community to help with content production and education

PERFORMANCE MEASURES:

- Create a single source web location for our members to be able access various health and wellness therapies through current and future external providers by October 2024
- Create a comprehensive set of instructional videos for those looking to get involved in the fire profession for the district's website by November 2024
- Establish the first of quarterly Wellness Mastermind meetings by July 2024
- Release "Coach's Corner" podcast and deliver 20 episodes by the end of the June 2025

HUMAN RESOURCES

STAFFING:

Chief Human Resources Officer	1
Administrative Specialist	1
Human Resources Analyst II	3
Human Resources Analyst I	1
Workers' Compensation Coordinator	<u>1</u>
	<u>7</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 1,555,802	\$ 674,127	\$ -	\$ -	\$ 2,229,929	0.6%

HUMAN RESOURCES

DIVISION BACKGROUND:

The Human Resources Division is privileged to serve as a resource to both Metro Fire’s employees and the community they serve. The responsibilities of the Human Resources Division include recruitment and selection, background investigations, employee relations, job classifications, compensation, policy and procedure development, employee benefits administration, absence management, workers’ compensation administration and risk management insurance and self-insurance. The Human Resources Division reports to the Deputy Chief of Administration and includes the Chief Human Resources Officer, three HR Analyst II’s, one Workers’ Compensation Coordinator, and one Administrative Specialist.

RECENT ACCOMPLISHMENTS:

- Within fiscal year 2023/24, the Human Resources Division successfully managed the changeover of its third-party administrator for workers’ compensation.
- In the current fiscal year 2023/24 the Human Resources Division designated over 17,702 hours of employee absences as protected leave under the Family Medical Leave Act, California Family Rights Act, and Pregnancy Disability Leave laws—a 19 percent increase from fiscal year 2022/23. Additionally, there were approximately 1,453 employee hours converted to military leave per the District’s Military Leave of Absence Policy.
- The Human Resources Division hired approximately 68 employees to date during fiscal year 2023/24.

BUDGET DISCUSSION:

The Human Resources Division budget includes the following:

- Recruitment costs such as advertising, testing, interviewing, background investigations and medical evaluations.
- Costs associated with administering the fire captain, battalion chief and supervising investigator promotional exams.
- Funds allocated to ongoing diversity recruitment efforts.

GOALS FOR UPCOMING YEAR

By June 30, 2025, the Human Resources Division will achieve the following:

- Recruit 50 new Firefighters, 50 new MMP Paramedics and EMTs, and 5 miscellaneous employees within fiscal year 2024/25. (Strategic Plan: Members 4a)
- Conduct and complete the fire captain, battalion chief and supervising investigator promotional exams. (Strategic Plan: Members 4a)

PERFORMANCE MEASURES

- Increased staffing numbers reflect the onboarding of new employees and the promotions of fire captain, battalion chief and supervising investigator to open and available positions.
- The Human Resources Division evaluates the successful onboarding and retention rate of new employees to forecast the recruitment costs of future fiscal years.

NON-DIVISIONAL

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 71,705,149	\$ 16,863,455	\$ 6,208,425	\$ -	\$ 94,777,029	25.4%

The Non-Divisional Item (NDI) budget represents costs that are incurred by the District as whole and are not exclusively associated with a single division. These costs include training, insurance, pension bond debt service, other post-employment benefits (OPEB), supplemental reimbursements to retirees, and various other payments.

BUDGET DISCUSSION:

The Non-Divisional Items budget includes \$3.6 million for insurance, representing auto liability premiums, property and liability insurance, cyber-liability insurance, and related expenses.

Additionally, pension bond debt service and sinking fund payments totaling \$6.5 million are included in Non-Divisional expenditures. In accordance with the District's plan to retire the pension bonds at the earliest date allowed, a \$20.2 million final payment for the Series B is scheduled in FY 2025-26. The funding for these disbursements will come from committed fund balance accumulated since FY 2005/06.

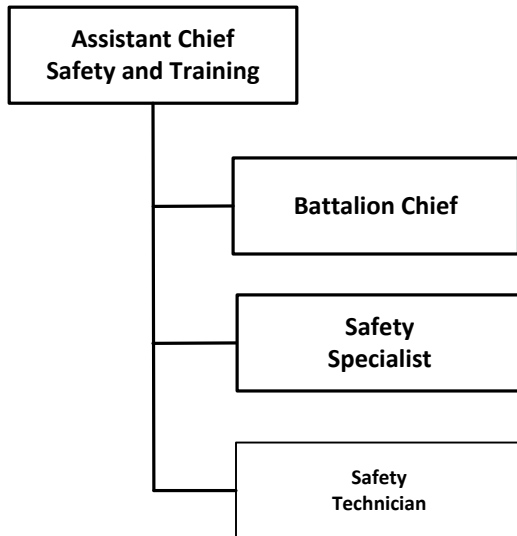

NDI also budgets a \$4.0 million payment to Sacramento County Employees' Retirement System (SCERS). These payments reduce an unfunded liability for District retirees and employees formerly employed by predecessor agencies that participated in SCERS.

Also included in the budget are expenditures costs for the District's headquarters expenditures such as utilities, janitorial services and landscape maintenance.

Finally, Inter-Governmental Transfer (IGT) fees amounting to \$12 million are reflected in NDI expenditures. These fees are paid to the State of California to secure federal matching funds to be used to offset the cost of providing emergency services to the uninsured and Medi-Cal managed care beneficiaries. These IGT funds will yield approximately \$34.8 million in new funding, for a net income of \$22.9 million

The Non-Divisional Item budget is an unstaffed, allocated-cost budget so no goals and performance measures are established.

STAFFING:

Assistant Chief	.5
Battalion Chief	1
Safety Specialist	1
Safety Technician	<u>1</u>
	<u>3.5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 648,106	\$ 1,828,925	\$ -	\$ 108,000	\$ 2,585,031	0.7%

DIVISION BACKGROUND:

The Safety Division is committed to the safety of all Metro Fire members, both suppression and non-suppression personnel. One of the primary roles of the Safety Division is overseeing personal protective equipment (PPE), which includes purchasing, processing, cleaning and inspecting for over 600 members. Safety is also responsible for SCBA servicing and repair, as well as conducting annual fit testing for all suppression members. All of these duties are vital for personnel to safely do their jobs as well as meet both NFPA and OSHA requirements. Additionally, the Safety Division is active in furthering Metro Fire's efforts with regards to preliminary exposure reduction (PER) and protecting our members from the myriad of exposures they encounter in their day-to-day duties.

RECENT ACCOMPLISHMENTS:

- Safety and Logistics washed and inspected over 11,500 pieces of PPE
- One-hundred and sixty-two sets of turnouts for current personnel and new hires were purchased
- Over 2,200 respiratory fit tests were performed
- Established PPE specification for MMP to include helmets and single layer gear
- Conducted an overhaul of the care and maintenance center installing new tables, new fans for evaporative drying and two additional gloves and hood drying racks
- Switched the District turnout specification over to new Aero-Flex by Fire-Dex, which provides members with enhanced heat management turnouts
- Purchased contamination control bags to all apparatus riding positions, as well as each member to protect against contaminant exposure and enhance cancer mitigation
- Purchased and implemented Storm Sticks for the execution of preliminary exposure reduction for our members

BUDGET DISCUSSION:

- Cost increases for PPE continues. with manufacturers' increasing prices 10 to 25 percent annually.
- Delays in manufacturing due to supply chain challenges, mandates Safety stock more PPE at Metro Fire to maintain the highest levels of service delivery.
- Safety Division will finalize the outfitting of the district cleaning and inspection center with two additional extractors to handle increased volume and installation of a large commercial hot water heater, ensuring garment washing meets NFPA recommended temperatures.

GOAL FOR UPCOMING YEAR:

The Safety Division has the following goals for completion by June 30, 2024.

- Work to fully implement NFPA 1851
- Execute a Thermal Image Camera (TIC) purchase
- Secure a contract and vendor for firefighting turnouts
- Evaluate non-fluorinated moisture barrier options for turnouts
- Develop professional development path within the Safety Division
- Add an additional safety technician

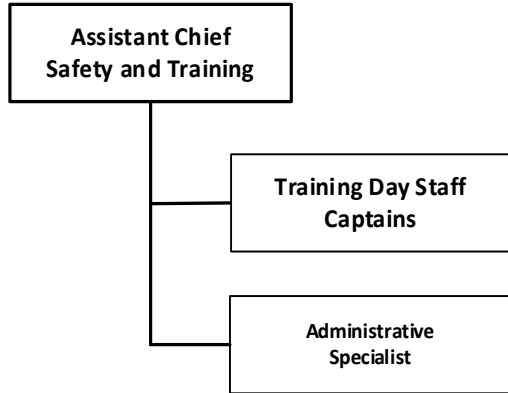

PERFORMANCE MEASURES:

Safety Division measures the implementation of NFPA 1851 standards by the tracking of each piece of PPE for washing and inspection within a calendar year. Each garment, at a minimum, should be washed twice a year with an advanced inspection.

The Division tracks the amount of PPE cleaned during preliminary exposure reduction in relation to the number of working fires and/or contaminated incidents.

DIVISION BACKGROUND:

The Training Division's mission is to improve service delivery to the community by providing realistic, ongoing, and verifiable training to District personnel and assist them to develop and strengthen essential job skills. Training strives to ensure all-risk operational readiness and the ability of Metro members to perform quality public service at any moment. There are many federal, state, and locally-mandated requirements which must be followed and, as new direction becomes available, it is imperative that Metro Fire introduce new tools, technology, or equipment to train Metro personnel. The Training Division makes available opportunities to employees to achieve full potential in their current roles and assist them to advance their careers through a multitude of training opportunities.

RECENT ACCOMPLISHMENTS:

- Conducted performance appraisals of 41 probationary suppression personnel from the rank of firefighter to battalion chief
- Successful completion of fire academy 24-1
- Successful completion of MMP academies 23-1, 23-2, and 23-4
- Integrated EMS training into the Training Division
- Hosted first internal Driver Operator series

BUDGET DISCUSSION:

- Prop maintenance/replacement. Props will be evaluated for safety by manufacturer
- Other services increased based on EMS training needs

GOALS FOR UPCOMING YEAR:

The Training Division has the following goals for completion by June 30, 2024.

- Establish rank-specific training for engineer and captain roles (Strategic Plan: Service Delivery 1a)
- Establish District-wide live fire training (Strategic Plan: Service Delivery 1a)
- Bring all EVOC training internal (Strategic Plan: Service Delivery 1a)

PERFORMANCE MEASURES:

- Prior to June 2025, the rank specific training for all ranks will be established and offered to line personnel
- Prior to June 2025, all line personnel will attend live fire training taught by the Fire Behavior Cadre

<i>Suppression</i>	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 144,267,534	\$ -	\$ -	\$ -	\$ 144,267,534	38.6%

DIVISION BACKGROUND:

The Operations Branch oversees all aspects of the District's all-hazard emergency services delivered from 41 fire stations, with daily shift staffing of 194 personnel. The Operations Branch responded to 107,321 calls for service in 2023. Responders on any shift include one assistant chief (shift commander), five battalion chiefs, 36 first-out engine companies, seven truck companies, 19 ALS ambulances, and two squads.

Metro Fire has several special operations and all-hazard response programs that are managed under the Operations Branch. These include Air Operations, Aircraft Rescue and Firefighting (ARFF), Community Emergency Response Team (CERT), the Dozer Program, Hazardous Materials (HazMat), Technical Rescue, Urban Search and Rescue (US&R), Water Rescue, Tactical Emergency Medical Support (TEMS), Unmanned Aerial Vehicle (UAV) Program, and Wildland.

RECENT ACCOMPLISHMENTS:

Operations Branch accomplishments over the last fiscal year included the following:

- Completed Standards of Cover document
- Acquired three inflatable rescue boats (IRB) for the Water Rescue Program
- Increased service delivery with the implementation of a squad deployment model to address historical increase in call volume

BUDGET DISCUSSION:

The FY2024/25 Operations budget includes funding to provide essential services to the communities we serve and maintain the required training to meet qualification standards within each program.

GOALS FOR UPCOMING YEAR:

The Operations Branch will achieve the following by June 30, 2025:

- Increase the effectiveness of the current records management system, while transitioning to the new federal incident reporting and data collection model (Strategic Plan: Service Delivery 3b)
- Measure the effectiveness of service delivery changes made based on the challenges identified by the Standards of Cover (Strategic Plan: Service Delivery 3a)
- Develop an innovative approach to service delivery to address the increased demand for services that includes additional first responders and transport units (Strategic Plan: Service Delivery 1a&b)

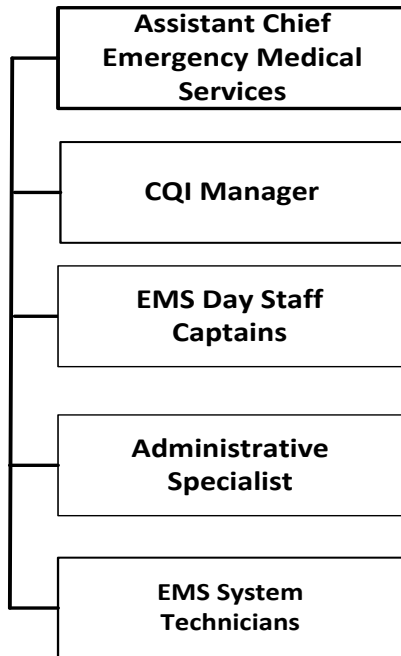

PERFORMANCE MEASURES:

The Operations Branch has identified goals and responsibilities for the new fiscal year, which tie into the District's strategic plan. Performance is measured by project timeline completion and accountability check-ins at recurring Operations staff meetings.

EMERGENCY MEDICAL SERVICES

STAFFING:

Assistant Chief	1
Battalion Chief, MIH	1
CQI Manager	1
Administrative Specialist	1
EMS Day Staff Captains	3

	<u>9</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 2,582,756	\$ 10,410,055	\$ 14,230	\$ 51,200	\$ 13,058,241	3.5%

EMERGENCY MEDICAL SERVICES

DIVISION BACKGROUND:

The Emergency Medical Services (EMS) Division is committed to providing the highest level of service possible to the communities we serve while continuing to be an innovator in the provision of EMS in the Sacramento region. Metro Fire's team of skilled first responders is supported by recurrent professional training and continuous quality care improvement. The administrative side of EMS is comprised of an Assistant Chief, CQI Manager, three Captain/Paramedics, one Mobile Integrated Health Program Coordinator, one Administrative Specialist, and two EMS System Technicians. Twenty-four-seven hour support to all District ambulance operations is provided by three field supervisors ("EMS24").

The District's EMS Division supports the third largest fire-based Advanced Life Support (ALS) transporting program in the State of California, currently operating 20 ALS ambulances, three ALS Squad Units, three reserve ALS ambulances, 43 ALS engine and truck companies, two Mobile Integrated Health Units (MIH), an ALS rescue capable helicopter, a Tactical Emergency Medical Services (TEMS) team, watercraft, and bike medic teams for special events. Metro Fire employs over 486 paramedics and 92 EMTs.

RECENT ACCOMPLISHMENTS:

- Establishment of crew recognition to highlight excellent EMS service delivery to the public we serve
- Completed a national upgrade to the patient care reporting system
- Established a hospital interaction form for the line personnel to communicate hospital interactions
- Enhanced fiscal responsibility by negotiating reduced rates for contracted services
- Researched, procured, and delivered new power-loaders and gurneys to enhance public and crew safety
- Signed two affiliation agreements with UCLA and South Bay allowing access into a wider market for internships and recruitments
- Provided internships for a total of 46 interns
- Created the EMS section of the Metro Apps webpage to help organize and ease the communication from EMS to all members
- Provided the opportunity for continuing education of professional staff to maintain Privacy Officer, Compliance Officer, and Ambulance Coder Certifications
- Hosted the January Cal-Chiefs North Conference
- Trained 19 new FTO's
- Upgraded three EMT's (one MMP and two FF) to paramedic
- Stabilized and expanded the Metro Medic Program:
 - Graduated two MMP academies (30 graduates) - completed EMS academy 23-1 and assisted with 23-2 and 24-1
 - Transitioned two suppression ambulances to MMP staff
 - Expanded MMP ranks by four ambulances; doubling the number of personnel from 35 to 70

TRAINING

In collaboration with the Training Division, EMS provided the following:

- HIPAA refresher training to line personnel
- Pre-hospital Trauma skills refresher
- ACLS & CPR training to all line personnel
- CPR training to our professional staff and day personnel
- Enhanced training on cardiology and infrequent skills

EMERGENCY MEDICAL SERVICES

CQI

- Submitted annual CQI plan update and core measures to SCEMSA
- Established a monthly regional CQI meeting with partner agencies from across the region
- Established a process within the ePCR program to request patient outcomes which drove increased engagement in clinical discussions
- Developed an EMS Safety memo as an easily accessible medium to deliver important information to line personnel

MIH

- Hired additional Advanced Providers - started 2023 with three and increased to seven
- Obtained additional funding from multiple sources to continue and expand the program
- Increased the call volume by 150 percent
- Expanded from four to five days a week
- Expanded service to providing jail clearances
- Started Telemedicine pilot program

BUDGET DISCUSSION:

The EMS Division is responsible for the management of the emergency medical system, ensuring the district's Emergency Medical Technicians (EMT) and paramedic personnel are trained and equipped to serve the public at the highest levels. Of foremost concern is ensuring fiscal resources sufficient to overcome the challenges associated with navigating the landscape of the modern EMS system: keeping pace with an increasing call volume, exploring new service delivery modalities, adapting to evolving industry standards, optimizing cost recovery for medical services, fulfilling ongoing training needs, developing and sustaining programs, and maintaining currency with materials and technologies. The EMS Division is focused on being as fiscally efficient and effective as possible by continually assessing and refining the division's training, equipment, and practices in a manner best suited to support its EMTs and Paramedics in providing the best patient care.

GOALS FOR UPCOMING YEAR:

The EMS Division will achieve the following by June 30, 2025:

- Create a process for monitoring operational efficiency and provide objective feedback
- Develop and expand Metro Medic Program (MMP) members career path and opportunities
- Upgrade 12 to 20 EMT's to paramedic
- Coordinate 30 to 50 paramedic internships
- Host one Cal-Chiefs EMS-Section conference

MIH

- Expand the number of MIH units
- Increase MIH coverage to 7 days a week
- Transition from pilot program to standard Metro Fire services

PERFORMANCE MEASURES:

1. Support the delivery of EMS training
2. Recognize excellence in service delivery by highlighting a minimum of 24 different calls
3. Add an additional MIH unit

Information Technology

Logistics

COMMUNICATIONS

STAFFING:

Communications Manager	1
Communications Technician II	<u>2</u>
	<u><u>3</u></u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 593,325	\$ 631,792	\$ -	\$ -	\$ 1,225,117	0.3%

COMMUNICATIONS

DIVISION BACKGROUND:

The Metro Fire Communications Division is responsible for the operation, maintenance, and repair of all District communication equipment and vehicle emergency lighting. Equipment includes: 800 MHz radios, VHF radios, Mobile Data Computers (MDCs), vehicle modems, vehicle intercom systems, code 3 lighting, station emergency (red) phones, fire station alerting systems, and traffic signal Emergency Vehicle Preemption (EVP) systems.

The Communications Division is committed to providing the highest level of service to Metro Fire Operations to help reduce unit response times and ensure communications stay intact. Communication Technicians handle all equipment repairs and radio programming in the radio shop or out in the field. Metro Fire's Communications Manager represents the District in various Radio System Committee meetings, is a member of the Radio System Management Group, and coordinates frequencies with local cooperators.

RECENT ACCOMPLISHMENTS:

During the 2023/24 fiscal year, the Communications Division accomplished the following:

- Wrote radio programs used by the district and all Sac Regional Cooperators.
- Added station alerting to station 50 dorm.
- Installed emergency lighting and communication equipment packages for squads, ambulances, Type V Engines, MIH vehicle, and chief vehicles.

BUDGET DISCUSSION:

The 2024/25 Communications Division budget includes funding to maintain and repair communication equipment installed in apparatus and stations throughout the district. This enables fire crews to receive alerts for incidents and maintain critical communications through radios and mobile data computers.

The Communications Division budget also includes funding to install, maintain, and repair traffic control and Opticom devices. These devices help to clear traffic in front of stations and give emergency vehicles priority while driving through intersections. These measures create safer driving conditions for first responders and helps to reduce response times. State and federal grant opportunities will be sought after to fund the implementation of a cloud-based emergency vehicle preemption software to further improve driving conditions and create additional efficiencies by reducing hardware costs.

GOALS FOR UPCOMING YEAR:

- Secure funding for and deploy a cloud-based Emergency Vehicle Preemption system to help reduce travel time to incidents (Strategic Plan: Financial Management 1a, 1b; Service Delivery 3a; Members 3a)
- Complete communication equipment installs in newly acquired fire apparatus and service equipment (Strategic Plan: Service Delivery 2a)
- Install enhanced traffic control intersection equipment to create safer conditions for responding vehicles (Strategic Plan: Members 3a; Service Delivery 3a)

PERFORMANCE MEASURES:

- Monitoring Vehicle Incident Reports and obtaining feedback from crews.
- Tracking station and vehicle communication equipment preventive maintenance schedules.
- Pulling monthly reports from CAD to monitor response times and track improvements in drive time.

Community Risk Reduction	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 4,690,989	\$ 231,813	\$ -	\$ -	\$ 4,922,802	1.3%

Fire Investigations	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 783,611	\$ 26,124	\$ -	\$ -	\$ 809,735	0.2%

COMMUNITY RISK REDUCTION DIVISION

DIVISION BACKGROUND:

The Community Risk Reduction Division (CRRD) provides new construction, code enforcement, public education, and fire investigation services to the unincorporated portions of Sacramento County, City of Citrus Heights, and City of Rancho Cordova communities. The CRRD New Construction and Code Enforcement team is responsible for inspecting existing buildings and properties for fire code violations, issuing permits, assisting fire suppression personnel, responding to code violation complaints, reviewing and approving licensed care facilities, reviewing plans for all construction projects and fire protection systems, as well as conducting the testing and inspections for those projects. In addition, Fire Inspectors are responsible for special event inspection requests (e.g., carnivals and fairs), fireworks booth inspections and public fireworks displays.

The CRRD Fire Investigation Unit (FIU) investigates unidentified fire causes, the causes of fires resulting in serious bodily injury or death, and suspected arson related incidents that occur within the District. Metro Fire is one of the few agencies in the region with a full-time FIU staffed by peace officers.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, the Community Risk Reduction Division accomplished the following:

- Assisted with the implementation of the revised fee schedule in Ordinance 2023-02
- Continued the performance period for the Fire Prevention and Safety Grant by completing three smoke alarm blitzes
- Completed a promotional exam for Supervising Fire Inspector
- Completed recruitment for the new Fire Inspector I position
- Assumed Chair responsibilities for the Sacramento Regional Fire Chiefs Association Community Risk Reduction Committee
- Led the Sacramento Regional Fireworks Taskforce
- Assisted Sacramento County with amending the fireworks ordinance
- Analyzed the false alarm mitigation program and revised internal processes to improve efficiencies
- Updated job descriptions for Plan Intake Specialist, Fire Inspector I, and Supervising Fire Investigator
- Continued comprehensive review of all policies and procedures for CRRD and the FIU

BUDGET DISCUSSION:

In FY2023/24, the Community Risk Reduction Division (CRRD) continued to fill authorized positions for Fire Inspector I, Office Technicians, and Administrative Specialist. The division provided a comprehensive training program for all new positions and has achieved the goal of completing all plan reviews inhouse.

2023 was a challenging year for the FIU. While the overall caseload decreased to 354 cases, 82.5 percent of them

were fire origin and cause investigations, consistent with prior years. Bolstering staffing in the FIU is an urgent public safety issue, as well as a health and wellness issue for investigators and suppression personnel alike.

An important, but frequently overlooked element of fire investigations is loss analysis. Determining why fires occur, what can be done to prevent them, how their impacts can be lessened, and predicting human behavior once fires occur are all key elements of CRRD's ongoing community risk assessment process.

COMMUNITY RISK REDUCTION DIVISION

GOALS FOR UPCOMING YEAR:

The Community Risk Reduction Division has the following goals for completion by June 30, 2024.

- Add three Fire Investigator II positions to the PAD (Strategic Plan: Members 4b & CRD Strategic Plan 3c)
- Add a new job classification for Plans Examiner (Strategic Plan: Members 2a)
- Implement electronic evidence tracking system for the FIU (Strategic Plan: Sustainability 3b)
- Support businesses and community members with fire and life safety initiatives. (Strategic Plan: External Engagement 1a)

PERFORMANCE MEASURES/OBJECTIVES:

- In accordance with Strategic Plan Goal for Members (4b), and Strategic Plan Goal CRD Strategic Plan (3c) the department will measure performance against goals through a staffing level in the FIU that meets U.S. Fire Administration recommendation for fire investigator staffing levels, one investigator per 100,000 population or 60 to 80 cases.
- In accordance with Strategic Plan Goal Financial Management, Current Revenue Maintenance (2A), the Division will reduce the amount of overtime utilized for technical plan review.
- Fire and Life Safety Inspections. In accordance with Strategic Plan: External Engagement 1a goal, the Division will complete 100 percent of the fire and life safety inspections in State-mandated occupancies.

FACILITIES

STAFFING:

Facilities Manager	1
Facilities Technicians	<u>4</u>
	<u>5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 827,428	\$ 2,113,118	\$ -	\$ 134,230	\$ 3,074,776	0.8%

DIVISION BACKGROUND:

The Facilities Division plays a crucial role in Metro Fire operations by overseeing the maintenance, repair, and refurbishment of the district's 41 Fire Stations and 6 administrative buildings, which also include 2 leased properties. In addition to these tasks, Facilities is responsible for coordinating and scheduling outside service vendors and project contractors to ensure that all District properties are maintained and upgraded to meet our operational needs.

The mission at the Facilities Division is clear: to keep all District properties in good working condition and to ensure that our facilities are safe, secure, fully functional, and comfortable for all personnel. The Division is committed to upholding the highest standards of maintenance and service to support the daily operations of our organization.

RECENT ACCOMPLISHMENTS:

- Station 41 emergency kitchen remodel
- Station 101 and 105 kitchen fire build backs
- Station 109 apparatus bay LED lighting conversion
- Station 29 commercial water heater replacement
- Stations 103 and 108 roof replacements
- Stations 114 and 29 major roof repairs
- Dorm additions for squads 61 and 102
- Stations 21, 27, 66, and 102 HVAC system replacements
- Station 66 exterior painting
- Stations 53, 108, and 115 ice machine installations
- Stations 41, 59, and 61 parking lot reseal and restripe
- Station 22 rear apparatus bay ramp replacement
- Station 50 privacy solution dorm remodel
- Station 31 captain's bathroom remodel
- Station 32 gate loop replacement
- Station 54 grass rig gate automation
- Station 109 gate replacement

BUDGET DISCUSSION:

The Preliminary Budget has been carefully crafted to reflect the funding required to sustain the essential maintenance, repairs, and replacements necessary to uphold the infrastructure of our building. This includes critical components such as plumbing, electrical, mechanical, and structural systems across all District properties. Additionally, the Facilities Division has diligently compiled a list of projects that have been submitted to the District's Capital Improvement Plan (CIP). These projects are deemed crucial to the continuous support of the district's operational needs.

GOALS FOR UPCOMING YEAR:

By June 30, 2025, the Facilities Division will complete the following:

- Seal coat and restripe the headquarters parking lot.
- Replace station carpeting with new LVT flooring and walk off mats (Stations 108, 53, and 31 CIP request)
- Complete major roof repairs on stations 21, 24, and 32
- Replace HVAC units on stations 61 and 65

PERFORMANCE MEASURES:

- Measure how quickly the division responds to maintenance requests or issues within the facilities
- Analyze cost efficiency of maintenance by calculating the average cost per work order completed

STAFFING:

Fleet Manager	1
Assistant Fleet Manager	1
Master Fire Mechanic	2
Fire Mechanics	10
Parts Buyer	1
Accounting Technician	<u>1</u>
	<u>16</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 2,835,992	\$ 3,163,777	\$ -	\$ 18,898,592	\$ 24,898,361	6.7%

DIVISION BACKGROUND:

The Fleet Maintenance Division's mission is to support the district's operational readiness by maintaining 350 vehicles and fire apparatus in a safe, effective, and reliable working order. This is achieved through comprehensive fleet management practices encompassing the acquisition, inspection, maintenance, repair, testing, recordkeeping, and retirement of vehicles. Additionally, Fleet Maintenance Staff provides vehicle familiarization and usage training, manages apparatus specification development while ensuring compliance with all applicable state, local and federal laws and regulations, and serves on several of the district's oversight teams.

RECENT ACCOMPLISHMENTS:

- Ordered the following vehicles: new ambulances (6), remount ambulances (6).
- Added an additional Fire Mechanic.
- Provided specific product training to Fleet maintenance staff.
- Provided 24-hour mobile response services.
- Provided apparatus training to new MMP employees, recruit firefighters, and current line personnel.

BUDGET DISCUSSION:

The Preliminary Budget reflects the funding necessary to run the day-to-day operations of repairing and maintaining the existing fleet. The budget also includes new vehicle and apparatus purchase requests in accordance with the District's Capital Improvement Plan (CIP) that are necessary to continue supporting the district's operational needs.

GOALS FOR UPCOMING YEAR:

By June 30, 2025, the Fleet Maintenance Division plans to achieve the following:

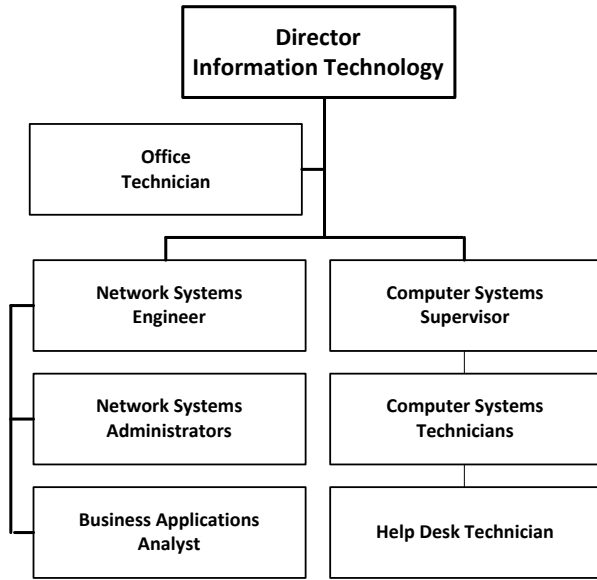

- Provide training and tools for the Fleet Maintenance Division Staff (Strategic Plan: Members 1a and 2).
- Continue to keep the district's current fleet functioning to support operational needs (Strategic Plan: Capital Assets 2a and 2b).
- Secure funding for new vehicles needed in the Capital Improvement Plan (Strategic Plan: Capital Assets 2a and 2b).

PERFORMANCE MEASURES:

- Maintain the District's existing fleet in a state of operational readiness.
- Purchase replacement vehicles and apparatus in accordance with the Capital Improvement Plan.

INFORMATION TECHNOLOGY

STAFFING:

Director	1
Network Systems Engineer	1
Computer Systems Supervisor	1
Network Systems Administrator	2
Business Applications Analyst	2
Computer Systems Technician	2
Help Desk Technician	1
Office Technician	<u>1</u>
	<u>11</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 2,031,158	\$ 2,967,686	\$ 650,356	\$ 315,500	\$ 5,964,700	1.6%

INFORMATION TECHNOLOGY

DIVISION BACKGROUND:

The Information Technology (IT) Division includes Computer Systems, Network Systems and Business Application Analysts. Under the direction of the Director of Information Technology, the IT Division manages the District's data center, network security, LAN/WAN, VoIP system, ERP systems, building fire/security/access control systems, mobile devices, and computer systems for 41 fire stations and 4 administration buildings.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, the IT Division accomplished the following:

- Enhanced our cybersecurity posture
- Enhanced our physical security throughout the District
- Upgraded the District's boardroom A/V equipment
- Replaced apparatus cell phones with smart phones

BUDGET DISCUSSION

The IT Division preliminary budget is higher this fiscal year compared to last fiscal year due to critical infrastructure replacements and rising costs, mainly due to price growth associated with software, hardware and services across the board.

GOALS FOR UPCOMING YEAR:

The IT Division's goals for the upcoming fiscal year conform to the strategic plan goal to improve service delivery. Specifically, by June 30, 2025 the Division intends to:

- Replace remaining desktop PCs
- Replace servers
- Replace mobile data computers
- Replace SAN (storage area network)
- Continue to enhance our cybersecurity posture

PERFORMANCE MEASURES:

The IT Division measures performance through a service ticket request tool, responding to service requests and analyzing request volume and type to determine resource allocations.

STAFFING:

Logistics/Purchasing Manager	1
Assistant Logistics Manager	1
Logistics Technicians	7
Office Technician	<u>1</u>
	<u><u>11</u></u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2024/25	\$ 1,394,675	\$ 3,404,916	\$ 71,200	\$ -	\$ 4,870,791	1.3%

DIVISION BACKGROUND:

The Logistics Division is the central hub of warehouse operations for all District supplies and equipment. Logistics inventory supplies all 41 fire stations, Armstrong Headquarters, Fleet Division, Communications Division, and the Training Facility. The Division is responsible for purchasing, receiving, and inventorying all fire suppression equipment, EMS supplies, office supplies and custodial supplies. The mission of the Logistics Division is to support the district in all daily operations with excellent customer service and timely purchases for the priority of service delivery.

RECENT ACCOMPLISHMENTS:

The Division completed a medic inventory standardization on each in-service medic, including the labeling and installing of removeable plastic bins for all supplies carried in each medic. This allows for easy access to supplies and, when transitioning into another medic, it reduces swap over time from over two hours to less than one hour. This allows the medics to get back in service.

BUDGET DISCUSSION:

The Logistics' budget reflects the all funding necessary to acquire services, supplies, and manage programs for all District divisions and fire stations. It also provides funding for training opportunities for staff.

GOALS FOR UPCOMING YEAR:

The Logistics Division's goals for the upcoming fiscal year conform to the strategic plan goal to improve service delivery. (Strategic Plan: Service Delivery 1a). Specifically, by June 30, 2025 the Division intends to:

- Achieve full staffing in the Logistics Division
- Continue to work on the CRRD plan scanning project
- Test and repair all ladder inventory in the logistics warehouse and on all district apparatus
- Test all hose inventory in the logistics warehouse
- Continue to find efficiencies in all Logistics processes

PERFORMANCE MEASURES:

- Consistent maximization of inventory storage inside the logistics warehouse.
- Retrieval and delivery of critical stored items. For example, during a 12-month period between FY 2022/23 and FY 2023/24, Logistics staff pulled and delivered over 250,000 individual items from the warehouse and delivered to the fire stations and administration buildings.

GLOSSARY OF BUDGET TERMS

Accrual Basis of Accounting – The accounting basis used by the District under which transactions are recognized when they occur, regardless of the timing of cash receipts and disbursements.

Appropriation – Authorization by the Board of Directors to expend money for the purpose outlined in the budget.

Bond – An interest-bearing promise to pay a stipulated sum of money, with the principal amount due on a specific date. Funds raised through the sale of bonds can be used for various public purposes.

Branch – Organizational grouping of divisions. The District's branches include Administration, Office of the Fire Chief, Operations, and Support Services.

Budget – A financial plan for a specific period of time, which includes appropriations and revenues.

Capital Assets – Land, buildings, equipment, and other related improvements with an individual cost of \$5,000 or more and a useful life of at least one year.

Capital Outlay – Expenditures to acquire items or construct improvements meeting the District's Capital Asset criteria.

Debt Service – The combination of interest expense and principal payments due for the repayment of bonds, capital leases, and other debt instruments.

Deployment – The assignment of District personnel and equipment to fight wildfires or respond to other disasters outside of Sacramento County, for which the District receives reimbursement from the State or federal government.

Division – Organizational unit responsible for a specific function.

Encumbrance – The designation of appropriated funds to buy a good or service. Future expenditures may require that funds be set aside or committed. This commitment of funds is considered an encumbrance.

Expenditure – An amount of money disbursed or obligated for the purpose of acquiring a good or service. Expenditures include operating expenses, debt service, and capital outlay.

Fiscal Year – A 12-month timeframe designated as the operating year. For the District, the fiscal year is July 1st to June 30th.

Grant – A contribution by a government or other organization to provide funding for a specific project.

Ground Emergency Medical Transport (GEMT) Program – A program administered by the State of California that provides supplemental federal funding for emergency medical services provided to Medi-Cal beneficiaries that do not participate in a managed care plan.

GLOSSARY OF BUDGET TERMS

Labor Costs – Expenditures for salaries, other wages, and benefits paid to or for employees of the District.

Medic Cost Recovery – Revenues received by the District for emergency medical services provided.

Medic-Cal – California’s Medicaid health care program.

Medicaid – A public health insurance program in the United States that provides health care coverage to low-income families or individuals. Medicaid is administered by states, according to federal requirements, and is funded jointly by states and the federal government.

Policy – Statement of principle or of guiding actions that imply clear commitment.

Property Taxes – Tax revenues received based on the assessed value of real property within the District.

Rate Range Intergovernmental Transfer (IGT) Program – A program administered by the State of California that provides supplemental federal funding for emergency medical services provided to Medi-Cal beneficiaries that participating in a managed care plan.

Reserve – Amount in a fund used to meet cash requirements, emergency expenditures or other future defined requirements.

Resolution – A special or temporary order of a legislative body requiring less formality than a statute or ordinance.

Revenues – Income received to finance the operations of the District.

Services and Supplies – Operating expenditures for the purchase of non-capital goods and services not provided by District employees.

Special District – Independent unit of local government organized to perform a specific function.
