Attention: KNOX PROGRAM
10545 ARMSTRONG AVENUE, SUITE 310
MATHER, CA 95655**

Please Do Not send your order directly to the Knox Company or your order will not be processed.

Notice

Per the Sacramento County Amendments to the 2007 California Fire Code, all new gates or barriers shall meet the minimum requirements as set forth in the County/City Emergency Access Gates and Barriers Standard. If you are ordering KNOX equipment for a new gate or barrier installation, you must obtain a permit for installation prior to ordering the equipment. Failure to comply will subject the applicant to this District's Administrative Fine Policy.

MECHANICAL GATE EMERGENCY ACCESS CONTROL PERMIT INFORMATION SHEET

It is impossible for each Fire Department or Sheriff's Department emergency vehicle to carry separate keys, cards, remote control transmitters, etc., to gain access through the numerous vehicle and pedestrian gates in the unincorporated area of the county. Emergency response must be accomplished in a timely non-destructive manner. Consequently, it is a legal requirement that you provide access for emergency service providers through your mechanical gate, pursuant to the Uniform Fire Code and Sacramento County Code 16.70.

The procedure for permit, purchase and installation of an emergency access control device(s) are as follows:

1. Completion of Sacramento County Sheriff's Department "Mechanical Gate Emergency Access Control Permit Application" form. Payment of **\$32.00** fee payable to County of Sacramento – **Check or Money Order ONLY**.

Conform to permit requirements. (Consultation with your local Fire Marshal and the Sheriff's Crime Prevention Unit will be necessary.)

2. Completion of the access control device order form (white with red print), accompanied by payment in full for the device(s) to "The Knox Company" (to be completed after consultation with the Fire Marshal and/or the Sheriff's Crime Prevention Officer).
3. The permit application, process fee, access control device order and payment are to be sent to:

Sacramento Metropolitan Fire District
10545 Armstrong Avenue, Suite 310
Mather, CA 95655
Attn: Knox Program Manager
(916) 859-4330

When approved, the order will be forwarded to the vendor.

4. On receipt, the access control device(s) are to be installed and maintained in working order.
5. The Fire Marshal must be called for final inspection prior to use of gate(s).

If you have any questions, consult you local Fire Marshal and/or Sacramento County Sheriff's Department Towing Enforcement Unit at (916) 876-6641.

It is your responsibility to notify the Sheriff's Department Crime Prevention Unit, in writing, of any changes in ownership and key personnel to be notified in an emergency.

PERMIT REQUIREMENTS:

1. Permittee(s) to submit plans indicating location(s) and specifications of gate(s) for approval (when requested).
2. Permittee(s) to provide access roadway to the satisfaction of the Fire Department pursuant to Section 10.207 A-D of the Sacramento County Uniform Fire Code.
3. Permittee(s) to provide and post "No Parking-Fire Lane" sign at gate(s), if needed.
4. Permittee(s) to provide "Knox Box" key operated override switch and/or "Knox Box" vault and/or "Knox Lock" padlock system at gate(s) to the satisfaction of the Sheriff.
5. Payment of the appropriate permit fees.

NOTE: Final approval will not be granted until the system is physically inspected for proper operation and compliance with County Code requirements.
